TROY TOPICS.

There has been a small portion of the ice crop harvested, and now the prospect is finer for an abundant yield.

Colonel Homer B. Sprague, of Boston, lectured here January 14th, on "Riches and What Constitutes Them." It was indeed a rare treat, and one that will be long remembered. Colonel Sprague has nobly earned his position as the favorite of the platform, and in this lecture he is especially happy in the variety and interest of the subject matter. It is a lecture for all, and is especially adapted to the laboring classes, for whose welfare the lecturer has been laboring for years. In short all were delighted, and should the Colonel ever visit us again he would find a cordial welcome. The pupils of the High School and the Grammar Department were given free tickets by the principal.

George Newberry and E. Vandine started for Florida and Cuba this week.

A number of people will build new houses this spring—Jesse Stuart has already begun one.

The Y. M. C. A. are to have a lecture next week—the fourth entertainment on their list.

Professor Hamar, of Elmira, is conducting a fine singing school at the Presbyterian Church.

Eight weddings out of a possible thirty have already taken place this winter, in Troy.

Interesting meetings are in progress at the Methodist Church.

Grant is in successful business at Auburn. He is a fine young man, and will succeed as he deserves to do.

January 18, 1882.

It Seems Impossible

that a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, etc., should make so many and such great cures as Hop Bitters do; but when old and young, rich and poor, lawyer and doctor, lawyer and editor, all testify to having been cured by them, you must believe it, and try them yourself, and get well and happy.

LACEYVILLE AND VICINITY ITEMS.

An accident, resulting in the drowning of a young man by the name of Will Gordon, about three miles below this place, on Monday, the 30th instant. Young Gordon, in company with one Davies, it seems took a skiff from the ferry at this place, and started to ship with it. They are supposed to have got into a quarrel while under the influence of liquor. The boat turned over, and the other escaped very near it.

Mr. A. W. Lacey, of Centreville, is introducing a very fine class of organs in this section of the country. I understand he intends establishing an agency for the sale of musical instruments. Should such prove to be the fact I have no doubt he will meet with best success, judging from our acquaintance with him. We can recommend him to all parties as an honest, upright gentleman, with the experience and understanding. The facts are, you can buy no better what he tells you, and without any misrepresentation. Such an act is worth trying. Success to him.

Dr. W. E. Hughes of Laceyville, is about moving to Pittston to practice medicine. He will be missed in our town, having been practicing in our town for some time, and generally well liked. He has with him our best wishes.

George Lacey has gone to Susquehanna to learn the marble, under the supervision of Churchill & Co. George is a faithful, studious young man, and leaves behind him many friends. We feel sure of his success. Mr. C. I. Lacey is acting as general agent for Churchell & Co., for the sale of monuments, headstones, etc., etc., having a great many designs so as to be able to please the most critical. We believe Mr. Lacey is doing good business—we wish him success.

The much noted slander suit of Susquehanna County, entitled "William H. Christian vs. John Taylor," we learn has been settled by the plaintiff withdrawing and discontinuing the same. Had it been tried, it would probably have been one of the most noted cases we have ever known in a country like this. It has been said the parties had over two hundred witnesses. We are glad for the parties, as well as the witnesses in the case that it is settled, and the hatchet buried for ever, and peace restored.

The Commonwealth vs. Dudley Brown, (Stoney H. Gregory, prosecutor) was disposed of at the Court of Quarter Sessions at Tunkhannock, on Wednesday, the 11th instant, by the defendant pleading guilty and the sentence of the Court was twenty dollars fine and costs, and stand committed till sentence be complied with. Topliff Judge for such a criminal.

A good many parties are making ready to change places, and quite a call for houses to rent. It is now time for those who mean to be thinking about it.

We hear the small pox is seriously affecting Towanda. Is it true or not? All well as usual here.

Very Respectfully, CLAUDE.

January 16, 1882.

[No, the small-pox is not seriously affecting Towanda, thank you.—Ed.]

A Railroad Official Interviewed.

Not every one so cheerfully communicates his knowledge and opinions as recently did E. P. Lowrey, Esq., cashier of the Cincinnati Southern Railway, that splendid outlet to the South from the Ohio. Our representative waited upon Mr. Lowrey, and in reply to certain questions the latter gentleman observed:

"I was suffering from a very severe attack of rheumatism in my right foot; it was in a terrible condition; the pain was almost intolerable; our family physician visited me without success; I sent for another well-known M. D., but even the twain could do nothing for me; I could not get down-stairs to the office to attend to my duties; in fact I could not put my foot under me at all, and after nine weeks suffering I began to grow desperate. My friend calls me, of course you know, for he is known by everybody, Mr. Stacey H. [illegible], of the Mount Auburn Inclined Plane [illegible] decided to see me; he [illegible] of it, [illegible] and yet the [illegible] I was [illegible] in a man of sound judgment, so I [illegible] the matter over. The next day, when the [illegible] called, I dismissed them, and said to myself that I would let nature take its course. That was [illegible] just a day. On the following morning, I, in a fit of desperation, sent a servant for a bottle of St. Jacobs Oil. I applied that wonderful remedy, and it penetrated me so that I thought my foot was about to fall off; but it did not; in fact it did just the opposite. The next morning the pain had entirely left my foot, the swelling was reduced, and really the application was so different altogether from the day before, that it actually surprised me. I applied more of the St. Jacobs Oil, and that afternoon I walked down to the office, and was able to attend to my duties and get around as well as any one. Let me say for St. Jacobs Oil *that it beat railroad time*, and is always sure to win.—*Cincinnati Enquirer.*

Pain Killer has been in constant use for forty years, and the universal testimony from all parts of the world is, It never Fails. It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.
The record of cures by the use of PAIN KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:
Edgar Cady, Owatonna, Minn., says:
About a year since my wife became subject to severe suffering from rheumatism. Our resort was to the PAIN KILLER, which speedily relieved her.
Charles Powell writes from the Sailors' Home, London:
I had an afflicted three years with neuralgia and violent spasms of the stomach. The doctors at last gave me up to die. I tried your PAIN KILLER, and it gave
