Towanda, Pa., Feb. 23, 1882.

THE Free Press says the new administration is composed of fossils. There was a time when we had an objection to being a fossil, even in a political stratum; but if the Press is right, we will fossilize a year or two in Frelinghuysen's place, if the Press man will go down and wake him up and get him out of the Secretary's chair.

THE probabilities are that Alaska and some little care from the United States. If all accounts of the present condition of our adopted child are wealth. true, there is good reason to believe that Alaska made a mistake when she chose a new guardian.
