> what he had received, and should come As no one knew anything about the W. P. C. C., or was in any manner informed | Though at the outset of her Christian life that they had a hall, the notice put into a she was alone, she lived to see her compostscript that they should meet in the panions and children brought to the savloft over Rukgaber's blacksmith shop was not unnecessary. The time of meeting, 7 p. m., indicated that the W. P. C. C. would keep good hours, and be allowed to go home in time to rest for the arduous duties performed by most of the persons

that they were the work of Jonathan; and all was excitement as they anxiously waited for the specified evening. As the village clock announced seven on Tuesday evening, March 7, a score of men might have been seen climbing the stairs that led to the loft over the now celebrated shop of Rukgaber. Inside all was readiness for the expected meeting. Boards had been laid for seats, and a rude on this nail keg, which shall be historic, be found after that date, in order that the staff of Peter the Hermit, or the apron not be interfered with. Distant subscri- at 25 Cents Advance over Yard of the blacksmith Gao, sat Jonathan, pa- bers, in forwarding their new address to Prices. tiently waiting for his followers to come.
