Are strong as iron bands. His hair is erisp, and black, and long "His face is like the tan; His brow is wet with honest sweat, He escus whate er be can, And looks the whole world in the face

For he owes not any man Week in, week out, from morn till night, You can hear his bellows blow; You can hear him swing his heavy sledge, With measured best and slow, Like a sexten ringing the village bell, When the evening sun is low.

And children coming home from school Look in at the open door-; They love to see the faming forge, And hear the bellows roar. And catch the burning sparks that fly

He goes on Sunday to the church, And sits among his boys; He hears the parson pray and preach, He hears his daughter's voice, Singing in the village choir, And it makes his heart rejoice.

It sounds to him like the mother's voice, Singing in Paradise; He needs must think of her once more, How in the grave she lies. And with his itard, rough hand he wipes

Toiling-rejoicing-sorrowing, Onward through life he goes; Each morning sees some task begin, Each evening sees it close; Something attempted, something done,

Has carned a night's repose. Thanks, thanks to thee, my worthy friend, For the lesson thou hast taught ! Thus at the flaming forge of life Our fortunes must be wrought; Thus on its sounding anvil shaped

Ezeh burning deed and thou, ht!

Farm Wages and Renting Farms. | a cow is a very delicate structure, I find that as the "boom" in farm ing is subsiding, there is less excitement about hiring help, and the range of wages will be lower than promised a month ago, and very little higher than last year There should be some increase to correspond with the ing cows heavily with turnips imgreater cost of living, though where parts the flavor of the turnip to the this is mainly furnished by the em- milk, but if given in moderate quanployer at his own table, there is less titles just after milking, so that reason for any advance. In cities, twelve hours shall clapse for the efnen and women who work in shops fect to pass off, little difficulty is exhave to provide food and lodging as perienced. G. W. Hoffman, of Elwell as clothing, and the high prices mira, stated to the Farmers' Club at of provisions have necessitated a tilat place, that some years ago he sharp advance in wages. But on the tried the experiment of feeding ruta farm this not so. That grain and bagas, beets and carrots, each for s potatoes are dear, only means to fixed period, no less than a bushel a most farmers now dear seed and a day to each cow, and then a peck of certain greater cost of making the potatoes each day for a like period. erop, without any assurance of a He found no difference in the milk higher price for the product. If to produced from the beets, carrots or this higher wages for help have to ruta bagas, or the peck of potatoes, be added, the fact makes it almost the potatoes producing as much milk certain that the farmer will receive as four times the amount of the oth little profit. I am reminded of the er roots. He ascribed the absence practice of a wealthy farmer in a of any bad taste in the milk, when neighboring town, who has periodi- the cows were fed on turnips, to the perty, and again, after a year or two, nips will be imparted to the milk. has resumed business, re-stocked his but with a liberal allowance of grain farm and resumed its management, it will not. He did not mention the the thirty odd years he has been on the turnip flavor and odor, but his the thirty odd years he has been on his present farm, and he has made money almost every time. He keeps himself on the farm while it is rented, and devotes the leisure he thus secures in improving its productive.

the turnip flavor and odor, but his high character as a skillful farmer and accurate experimenter is a sufficient endorsement of his statements. pects to work it again. As he is, among his friends, a gauge of future prices, it may be worth while to note that this year his farm is rented. On most leased land the soil deteriorates most approved time to cut potatoes and the farm loses in condition; but before planting. Is there an advanwhere the owner remains on it and tage in cutting ten days or two spends his leisure making needed im- weeks before planting, to give time provements, this need not be the for the cut parts to become dry? Is case. Generally for one or two years it thought to benefit an early growth a farm will rent for more than the to apply land plaster to the potato interest. If then the owner sells off as soon as cut? The potato being a his stock when prices are high, and leading crop in your State, I supbuys back when they are low, he pose you are better posted in these makes money, besides the advantages | matters than we are in Kentucky, of being in the farming business the where but few are grown for market. only years when farming really pays. | -R. C. H., Lebanon, Ky. [It is better to plant the cut pieces when RENTAL VALUE, OF FARMS. A very important question is what friable condition. In rare instances, should be the rental value of good farms. While interest in this State was seven per cent., rents of farms may prevent loss, if they are in prewere considerably below the legal fate. The Wadsworths, in this section of the State, have several hundred farms which they have been in the habit of enting for a term of after planting have protruded one or

years, at prices not above three to five per cent. on the value of the land. Of late years they have sold some of their farms, and I think the when the ground is in a good, mel rental value of the remainder has low, moist condition; bury four or jected to strict rules as to the crops they shall grow, and are mostly bound not to sell hay, straw or other coarse fodder. But I notice that the tenants on the Wadsworth farms are mostly good farmers and generally are better braised or stewed in broth succeed when they go to farms of than cooked in any other manner. their own, as most of them do after Many consider it always the best a few years. I have no doubt that way of cooking them. Tie them in most of the restrictions under which shape; place slices of bacon at the the Wadsworth tenants are placed, bottom of a stew-pan; lay in the pighowever onerous they may seem, are cons side by side, all their breasts for the advantage not only of the proprietors but for the benefit of themselves as tenants. After a few spoonful of sugar, some paraley, and years of this schooling they are pre- pour over enough stock to cover pared to farm on land that they own better than they otherwise would. I think I have noticed also that old slices of bacon over the tops of the country people, after they secured a little money to buy or rent a piece of possible, adding boiling water, or land, were on the average better far-mers than the average of American simmer until they are very tender. boys who keep to farming on the Serve each pigeon on a thin piece of lands left them by their fathers. buttered toast, with a border of spi Perhaps, however, this is not a fair nach; or, if you choose, make little test. Most old country people come nests of spinach on pieces of toast with very little money, and those who manage to earn and save enough to buy a farm acquire in so doing the habits which insure them after suc ounces of butter, two eggs, three tacess .- W. J. F., Monroe County, N. Y. blespoonfuls of moist sugar, the grat-

LIVER PHILS. They cure constipation, billous and torpidity of the liver. 25 cents per box. SWEDISH BITTERS THE GREAT

Swedish Dyspepsia Remedy

The chief ingredient and life-giving element of this great remedy is an herb commonly known as Bitterment, although but rarely found in this country, excepting in the extreme Northwest. It is gathered in profuse abundance by the Lap anders in the bleak and snow-clad mountains of Norway and Sweden, and has, in connection with other ingredients, been used among themselves exclusively for years as one of the greatest remedies for Dyspepsia, Kidney and Liver Complaint ever known.

In placing this preparation before the American public we candidly believe that we have filled a long-felt want, by giving a medicine that will not only temporarily relieve but will positively cure Dyspepsia, Kidney and Liver Complaint, and all their various effects, such as sour stomach, sick headache, pains in the back, papiration of the heart, costiveness, indigestion, yellow skin, swimming of the head, fullness at pit of stomach, low spirits, &c. Three doses will relieve the worst case. Ask your druggist for a bettle and be convinced. Price, 75 cents.

GOLD Great chance to make money. Those who always take advantage of the good chances for making money that are offered, generally begome wealthy, while those who do not improve such chances remain in poverty. We want many men, women, boys-and girls to work for us right in their own localities. Any one can do the work properly from the first start. The business will pay more than ten times ordinary wages. Expensive outfit furnished free. No one who, engages, fails to make money rapidly. You can devote your whole time to the work, or only your-spare moments. Full information and all that is needed sent free. Address STINSON & CO., Portland, Maine 23feb82.

WANTED

Hay, Straw and Grain For which we will pay the HIGHEST MARKET PRICE, delivered here or at points on L. V. R. R.

Having four of Dedrick's Perpetual Presses, with a capacity for bailing 50 tons, per day, we are enabled to receive large quantifies of hay and straw at many of the principal shipping points of this and adjoining counties. We are also agents for the improved Bale Ties. ACKLEY & DEAN,
