APRIL. strange, so he shall be called Herr Georg, by us." Rumbling thunder, This point having been settled by Darting lightning, Hans with quiet decision, the artist Clouds asunder. Sunbeams brightening ; stranger was received without more Showers pouring, formality into the simple hospitali-Showers pattering, ties of the chalet, and soon adapted

Sun ignoring, Roof-slopes battering Rose leaves broadening. Peach blooms redding, White moths dawdling, Clover spreading, Grass blades lengthening

Maples starting, Mayweeds strengthening. Thisties parting, Bees in blossoms, Song-birds twittering

Spider gessams, Earth-worms trituring : This is April, Busy spring-child, Laughing, weeping,

Milding, Wilding. Changing April. THE GOLDEN SUNSET.

The golden sea its mirror spreads Beneath the golden skies, And but a narrow strip between,

Of land and shadow lies. The cloud-like rocks, the rock-like Dissolved in glory float, And midway of the radiant flood,

Hangs silently the boat. The sea is but another sky, The sky a sea as well, And which is earth and which is Heave The eye can scarcely tell.

So when for us life's evening hour,

May glory, born of earth and Heaven,

Soft fading shall uescend.

The earth and Heaven blend. looded with peace the spirits float, With silent rapture glow, Till where earth ends and Heaven begi The soul shall scarcely know.

-Longfellor

EDELWEISS. I was born in my little shroud-All woolly, warm and white

I live in the mist and the cloud I live for my own delight, I see far beneath me crowd The Alpine roses red, And the gentian blue, sun-fed That makes the valley bright

" I bloom for the eagle's eye, I bloom for the daring hand; I live unto God, and I die Do you know the Edelweirs, the are and beautiful flower of the Alps? Its home is on the steepest and most

inaccessible cliffs, and the daring her companion, climbed rapidly to a mountaineer who risks his life to procure it calls it rightly the "royal white" of the mountains. In one part of the great chain of the Tyrolese Alps a single peak rises face was flushed with exertion. Orconspicuously above its neighborshood envelops his mighty head, and ent that he had sometimes compared a giant among his brothers. A snowv heavy growth of fir and spruce never told her so. Sometimes also,

forms a shaggy beard below which a green robe of beautiful pasture land sunrise in the Alps and his artist sweeps down to the valley at his feet, soul had thrilled, as even an inartiswhere a rushing mountain stream fir and spruce stand a few rudely. built chalets whose roofs are dotted with great stones overgrown with moss. Connected with the chalets was right. His artistic sense was are sheds and accommodations for cattle, for this is where the shepherds of the valley pasture their flocks and garner hay and feed for winter use. A middle-aged man, in the picturesque costume of the Alpine peasant,

stands before the door of the adjoining chalet, and shading her eyes with er hand gazes intently down the path-leading to the valley. "Well, Gretel," says the man, approaching her and speaking in the tical. "Is she formed of the white guttural but not unpleasant German of the Tyrol. "What dost thou seek?" The girl stated. "I cannot think why Hans is so late to night, father." "Never fear for Hans, my girl He is as sure-footed as the chamois.

is busy before one of the sheds, and

a young girl, also in peasant garb,

and knows every pass of the mountain blindfold. But thou art pale, child. Thy mother must see rosier cheeks when we go down to the valley or she will never trust thee to my care again"— He was interrupted by a loud, clear jodel re-echoing from cliff to cliff through the quiet mountain air.

her after their custom first on one cheek and then on the other.

his hand, and a glossy cock's plume cow-bells." nodded at the back of his pointed "Neighbor "Welcome, Hans," said his sister. but she started back in surprise when she saw that he was not alone, but followed by a young man of foreign and flushed from the unusual exer-

tion of the steep ascent.

"Explain it to them, comrade," he said in the broken and hesitating ac. my life there." cents of a foreigner. Thus appealed to, Hans related simply how he had gone into the more busily than he had done before town of X, to sell his bunches of sace his arrival. rare flowers, and had been stopped

The hospitable mansion of Senator Donald Cameron, near Scott Circle. was thronged a few evenings entatives of the capital to meet the members of the Pennsylvania Farmer's Club, whom the Senator had invited to dine with him. Covers were were Senator Mitchell, Attorney # General Brewster, First Assistant Postmaster General Hatton, Senator Sherman and George C. Gorham. Among the members of the Club who participated were Messrs, Comev. Childs, Welsh, Duffy, Patterson, Haideman, McCormick, Fraily and Roberts and Judge Biddle and Green. The table was handsomely decorated with the newest and choicest floral opened and found to contain six well designs, and such as were present at the dinner characterized it as one of the most enjoyable affairs they ever witnessed. Senator Mitchell sat at the right of the host and for the time being all thoughts of politics were banished and those present gave themselves up to enjoying the feast before them.

table. The party sat down at half-
