Copy of a Letter from Mr. J. W. Lancaster, of Huntsville, Va. in co. North Carolina, dated Nov. 14, 1853.

READ HIS OWN WORDS.
To Professor Holloway: Sir,—It is not my wish to become notorious, neither is this letter written for the mere sake of writing; but to say that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man—and after trying every medicine I had ever heard of, I resigned to despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends.
(Signed) J. W. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST, WHEN NEARLY AT THE POINT OF DEATH.
Copy of a Letter from Mr. R. Durant, New Orleans, November 9th, 1853.
To Professor Holloway, 33, Corner of Ann and Nassau Streets, N. Y. Dear Sir:—It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure. To the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres-street, New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time, not knowing your address at New York.
(Signed) R. DURANT.
