PROCLAMATION
To the Citizens of Gettysburg.
Pulvermacher's Hydro-Electric Voltaic Chains.
CONSTRUCTED to be worn next to the skin, producing a constant current of extremely powerful electric magnetism—affording IMMEDIATE RELIEF, FROM ALL ACUTE PAINS, and a Permanent cure of Nervous Diseases! Pulvermacher's Electric Chains were first used in France, three years since, for the cure of Nervous Diseases, and after being sold to the most thorough trial, in every hospital in Paris, by the most learned professors in that city, they were recommended to the Government of France, who granted a patent for the discovery. During the years 1851 & 2, they were introduced in Germany, Austria, Prussia and England, and one year since, introduced and patented by the United States Government. Most Astonishing Cures of Rheumatism, Neuralgia, St. Vitus's Dance, Paralysis, Spasms, Catarrh of the Heart, Spasmodic of the Face, Paralytic Hemiplegia, Deafness, Blindness, Painful Indigestion, Hiccoughs, Dropsy, &c. &c. &c. Cure of the most obstinate Diseases, Nervous, &c. &c. is quickly and rapidly cured, by simply wearing the Chains for a few hours each day. The chains were first introduced in the city of New York, where they were exhibited to Prof. Valentine Mott, Van Buren, Post, Cornechin, and others, who readily discovered that they possessed Strange and Singular Power of Instantly Relieving Pains, whenever applied, and by their recommendation and influence, they were introduced into the different hospitals of New York, and are now in daily use in those institutions, in the treatment and cure of the above named diseases. No Other Mechanical Agent, in the world, can produce so many well authenticated certificates of cure, from scientific Physicians and intelligent Patients, as may be found in each pamphlet, which may be obtained gratis at the Drug Store of S. H. BUEHLER, who is the sole Agent for Gettysburg, and who will explain the manner of use to all who may apply. In the city of New York, at the General Office, 518 Broadway, there are to be sold daily, from forty to sixty CHAINS, and the sale and demand in Boston is as great in proportion to the population, although they have only been introduced there recently. The CHAINS are easily worn, and are equally applicable to all classes of persons, the child as well as the adult, and are always ready for use—never get out of repair, and are as much an article of ornament, as they are a valuable means of cure. Cures—Ladies who are encircled are requested not to wear them. The prices of the Chains are \$3 and \$5, 18 and 30 Links, and can be sent by mail, by post part of the Store, by addressing S. H. BUEHLER, only Agent for Gettysburg. I. SPENNER, 568 Broadway, N. Y., General Agent. For sale in all the principal cities in the United States. July 3, 1854. 1y
