The Delta announces, having received information from an authentic source, that the boy by oversight let the light come in contact inhabitants of Cuba are in the wildest state of enthusiasin, and contemplate an important. rising in a few days. The same paper also burning the child who held the candle in such publishes a bold and energetic proclamation a manner that he expired a few hours after the issued from the Cuba Club of Terrorists.

The other papers of this city, however, have no information in regard to the matter, and discredit the report.

The governor of Trindad is reported to be a prisoner at Havana.

THE ESCAPE FROM THE SISTERHOOD AT EM-MITSBURG.—The Frederick Citizen has the fol-lowing version of this affair, the first account of which appeared in the Examiner: Miss Buckley is from Norfolk, Va., and a convert to the Catholic faith. She went to the Sisterhood about two vears ago on a visit and to make a religious retreat. She then petition-ed to be received, but on being advised to wait and consider the matter maturely, (it be-MICHARLITITY MISS MARTILDA SPANGLER, all of this county. In this capacity, as a mere probationer or novice, and not a sister, Miss B. resided at the Sisterhood for the last ten months or therea-bouts, and was engaged in teaching, &c., un-til Tuesday morning, the 9th instant, a short time before the morning bell, when she got out of the window of her chamber and departed. It is presumed that she contemplated taking the stage for Frederick, which passes only a few hundred yards from the institution, but being SAMPLE, aged 63 years 9 months and 19 days. disappointed i meeting it, she proceeded on? foot to Creagerstown, a distance of 6 or 7 miles. We understand that she had always expressed herself as perfectly happy, and even repeated this sentiment the very day before she left.

IS A-FREE NEGRO A CITIZEN OF THE UNITED STATES ?- A highly important decision was made on Thursday last in the U.S. Circuit Court for this State, by His Honor Judge Drummond, in the case of Joseph Mitchell, free negro, plaintiff, vs. Charles H. Lamar, defendant. The plea filed by the defendant alleged the plaintiff to be a free negro, and not a cilizen of the United States, entitled to maintain a suit before the U. S. Circuit Court .-- The plea was sustained by the court. We also learn that Judge McClean coincided in the opinion delivered by Judge Drummond.-Chicago Times.

The Bedford Gazette says :- "Judge Daugherty, who received all the Know-Nothing votes in this Legislative District, denies most emphatically, in a letter to Mr. Robinson, of Fulton, that he ever consented to the use of his name in this connection, and he will be found arrayed against them on every measure tending to abridge the right of conscience, or affect the rights guarantied to our adopted citizens under the Constitution of the Country, as it at present exists."

There are said to be about three thousand Negroes entitled to vote in New York city under the provision of the State Constitution which requires a colored man to have been three years a citizen and possessed of freehold of these resolutions. 50 over and above all estate of the value of \$23

#### COMMUNICATED.

At a meeting of "Gettys Lodge, No. 124, 1. O. O. F.," on Tuesday evening last, the following preamble and resolutions were unanimously adopted :

Although frequently called to mourn the decease of valued friends and worthy members of our brotherhood, and to give

expression to the sorrow con-equent upon those mysterious dispensations of Divine Providence which thus call from our midst those whom we have learned to respect and love-the peculiarly allicting circumstances attending the sudden death of Bro. WM. C. LAUGILLIN and his interesting family-called from time to eternity without a moment's warming, by one of those frequently recurring accidents, which, of late, have carried bitter mourning and 'desolation into so many social circles-afar from home, and with none but strangers to minister to their wants or soothe their sufferings, call for our deepest sympathy. The personal virtues' of our deceased brother-his manly character and christian deportment, aside from his active fellowship with our brothe bood, were such as to challenge our regard and esteem. In bearing cheerful testimony to those virtues, therefore, be it unanimously

Resolved, That it is with unfeigned grief that we are called on to record the death of Bro. WM. C. LAUGHLIN, in the as surance that our Order has thereby lost a valued member and the church a worthy and consistent christian.

Resolved. That while we bow with humble submission to this afflicting dispensation, which has thus so suddenly removed from time to eternity, our late brother, with a loved and loving wife, children and mother, regarding it as the will of Him who "doeth all things well," we receive it as a warning, bidding us all to remember how true it is, that "in

the midst of life we are in death." Resolved, That we tender to the surviving friends of the deceased Brother our deepest sympathy, and hereby direct the Secretary to convey to them this assurance, with a copy

Resolved, That the Hall be clothed in mourning for ninety
