AFTER NINE YEARS' STANDING. opy of a Letter from Mr. J. W. Langley, of Huntsville, Yadkin co., North Carolina, dated Nov. 1st. 1853. READ HIS OWN WORDS.

To Professor Holloway: Sir, -It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned to despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on Books, and best Editions in Library Bindings, my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends.
