No. 106 North Fourth St. (above Race.) Phila.
MATCHES having become an indispensable article in housekeeping, the subscriber offers a great variety of time and money, is enabled to offer to the Public an article at once combining Utility and Cheapness. These Matches are packed so that one gross or more may be shipped to any part of the World with perfect safety. They are the most desirable article for Home Consumption, and the Southern and Western Markets, that have ever been invented.

Permanent cure of Nervous Diseases!
Pulvermacher's Electric Chains were first used in France, three years since, for the cure of Nervous Diseases, and after being submitted to the most thorough trial, in every hospital in Paris, by the most learned professors in that city, they were recommended to the Government of France, who granted a patent for the discovery. During the years 1851 & 2, they were introduced in Germany, Austria, Prussia and England; and one year since, introduced and patented by the United States Government.
Most Astonishing Cures of Rheumatism, St. Vitus's Dance, Pains from the Heart, Neuralgia of the Face, Pains from Indigestion, Hysterics, Dyspepsia, &c. &c.

Every Disease, termed Nervous, is quickly and rapidly cured, by simply wearing the Chains for a few hours each day. These Chains were first introduced in the city of New York, where they were exhibited to Prof. Valentine Mott, Van Buren, Post, Catnach, and others, who readily discovered that they possessed
Strange and Singular Power of Instantly Relieving Pains,
whenever applied, and by their recommendation and influence, they were introduced into the different hospitals of New York, and are now in daily use in those institutions, in the treatment and cure of the above named diseases.

A Cure for All!

Holloway's Ointment.
Citizens of the Union -
YOU have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known to you, and already it has obtained more celebrity than any other medicine in so short a period.

ASTONISHING CURE OF STONE LEGS, AFTER NINE YEARS' STANDING.
Copy of a Letter from Mr. J. W. Laneville, of Huntville, Yorkville, North Carolina, dated Nov. 1st, 1852.

READ HIS OWN WORDS.
To Professor Holloway: Sir, - It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends.
(Signed) J. W. LANGLEY.
AN EXTRAORDINARY CURE OF A BAD BRUISE, WHEN NEARLY AT THE POINT OF DEATH.
Copy of a Letter from Mr. B. Bennett, New Orleans, November 18, 1851.

To Professor Holloway, 38, Corner of Ann and Nassau Streets, N. Y. Dear Sir: - It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co
