**Holloway's Pills.**  
To the Citizens of the United States:  
I MOST humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Attorneys were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York.  
THOMAS HOLLOWAY, 38, Corner of Ann and Nassau Sts., New York.

**PURIFICATION OF THE BLOOD,**  
AND LIVER AND BILIOUS COMPLAINTS.  
THE citizens of the Union suffer much from disorders of the Liver and Stomach, scarcely any are free from these destructive maladies, hence life wears fast. The fair sex, perhaps the most handsome in the world, up to a certain period when, distressing to say, many lose their teeth and good looks, while yet in the heyday of life, such sad evils may be effectually remedied by continually keeping the blood pure, and the Liver and Stomach in a healthy action, when life will flow smoothly, and resemble plants in a genial climate, where an eternal spring appears to reign. As it regards the preservation of the human frame, and the duration of life, much may be effected, and I say fearlessly, that health and life are prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to purify the blood according to the rules laid down for health, contained in the directions which accompany each box.

**A CASE OF WEAKNESS AND DEBILITY, OF 10 YEARS' STANDING, CURED BY HOLLOWAY'S PILLS.**  
Copy of a Letter from Capt. John Johnson, Astor House, New York, dated Jan. 5th 1854.  
TO PROFESSOR HOLLOWAY, 38, corner of Ann and Nassau Streets, New York. Sir,—It is with the most heartfelt pleasure I have to inform you that I have been restored to health, and strength by taking your Pills. For the last ten years, I suffered from a derangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my ship, never expecting to go to sea any more, as I had tried every remedy that was recommended to me, but all to no purpose; and had given myself up to despair, when I was at last recommended to take your Pills. After using them for three months, the result is that I am now in better health than I have been for several years past, and indeed as well as ever I was in my life. I am quite at liberty to make this known for the benefit of others.  
I remain, Sir, yours respectfully,  
(Signed) JOHN JOHNSON.

Pulvermacher's Electric Chains were first used in France, three years since, for the cure of **Nervous Diseases**, and after being submitted to the most thorough trial, in every hospital in Paris, by the most learned professors in that city, they were recommended to the Government of France, who granted a patent for the discovery. During the years 1851-2, they were introduced in Germany, Austria, Prussia and England, and one year since, introduced and patented by the United States Government.

whenever applied, and by their recommendation and influence, they were introduced into the different hospitals of New York, and are now in daily use in those institutions, in the treatment and cure of the above named diseases.  
No Other Mechanical Agent, in the world, can produce so many well authenticated certificates of cure, from scientific Physicians and intelligent Patients, as may be found in each pamphlet, which may be obtained gratis at the Drug Store of S. H. BUEHLER, who is the sole Agent for Gettysburg, and who will explain the manner of use to all who may apply.

In the city of New York, at the General Office, 568 Broadway, there are being sold daily, from forty to fifty CHAINS, and the sale and demand in Boston is as great in proportion to the population, although they have only been introduced three months!  
The CHAINS are easily worn, and are equally applicable to all classes of persons, the child as well as the adult, and are always ready for use—never get out of repair, and are as much an article of ornament, as they are a valuable means of cure. CAUTION.—Ladies who are enciente are requested not to wear them.  
The prices of the Chains are \$3 and \$5. 18 and 20 Links, and can be sent by mail to any part of the State, by addressing S. H. BUEHLER, only Agent for Gettysburg.
