During the years 1851-2, they were introduced in Germany, Austria, Prussia and England, and one year since, introduced and patented by the United States Government.

**Holloway's Ointment.**  
Citizens of the Union—  
YOU have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known to you, and already it has obtained more celebrity than any other medicine in so short a period.

**ASTONISHING CURE OF SORE LEGS, AFTER NINE YEARS' STANDING.**  
Copy of a Letter from Mr. J. W. Langley, of Hantville, York Co., North Carolina, dated Nov. 1st, 1853.  
**READ HIS OWN WORDS.**  
To PROFESSOR HOLLOWAY: Sir,—It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned to despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends.  
(Signed) J. W. LANGLEY.
