It is proposed to add a "Housekeepers' Department, for the disposal of such articles as the farming community may contribute, — butter, eggs, poultry, &c. We are told that several farmers have already expressed an intention to contribute to it, and many others no doubt will.

**SALE OF WOOD.**  
Mr. JOSEPH WEIBLE sold at public sale, on Friday last, the timber standing on a tract of woodland, (divided into one acre lots,) being a part of the "Stallsmith farm," on the York Turnpike, 14 miles east of this place, at the following prices: No. 1, at \$50, Henry Rupp purchaser; No. 2, \$60, same purchaser; No. 3, \$60, G. C. Strickhouser and S. Powers purchaser; No. 4, \$54.50, John Weible purchaser; No. 5, \$49, same purchaser; No. 6, \$48, 25, same purchaser; No. 7, \$50, A. B. Kurtz and J. A field of nearly all cleared land, immediately west of the woodland, containing about 14 acres, brought \$30 per acre—David Shafer purchaser.

**THANKSGIVING.**  
Thursday next has been set apart by the Governor of this State as a day of general thanksgiving. We suppose that there will be services in several of the churches, and that business will be suspended for the day.

**CHANGE OF HOUR.**  
The Afternoon Train over the Hanover Branch Railroad leaves the Station, at that place, at 1.40 P. M., instead of 2.

At the annual meeting of the Union Association of Sabbath School Teachers, on Monday evening last, Rev. R. HILL was elected President for the year, R. G. MCCREARY, Esq., Vice President, and Mr. T. W. L. DOSH Secretary. The association meets the second Monday evening in each month, alternating in the different churches connected with it.

In returning from the Railroad meeting at Middletown, on Thursday evening, our party was invited to "stop in" by Mr. ALEXANDER KOSSER, (an earnest advocate of the railroad project,) which invitation was accepted. After an hour's enjoyment of good old-fashioned hospitality, we took our leave, with many thanks to Mr. K. and his estimable lady. May they live long to enjoy the comforts of so delightful a home.

Rev. REUBEN HILL will deliver an address before the Young Men's Lyceum, on Saturday evening, the 1st of December next.

**SINGULAR RAILROAD ACCIDENT.—**TRAIN OF CARS UPSET BY A GUST OF WIND.—TWO LIVES LOST.—New York, Nov. 13.—Last night the Express train from Albany, on the Harlem Railroad, (with the exception of the engine and tender,) was thrown off the track near Boston Four Corners, all the cars turning bottom up. Mr. Rathbone, a paper manufacturer at Boston Corners, and John Gaylor, a brakeman, were killed, and upwards of a dozen passengers were injured. The accident is attributed to a sudden gust of wind which caused the cars to turn over.

**DISTRESSING OCCURRENCE.—**TWO MEN KILLED.—Rome, N. Y., Nov. 12.—A most distressing occurrence took place to-day at Newville, a small village about a mile and a half from this place.—On the road towards Utica the steam saw mill, situated on the hills of that place, blew up about nine o'clock in the morning, killing two persons instantly. One of the killed was Henry S. Roberts, son of Judge Roberts, of this village. The other one killed was the fireman, whose name we have not been able to ascertain.

**SINGULAR CASE OF CATAPLEXY.—**A Mrs. Kendrick, of Tazewell county, Va., after an illness of several weeks, apparently died, recently, and preparations were made for her interment. While some persons were preparing her shroud, however, they were amazed to hear the seeming corpse, in a faint voice, ask for food. She had been under the influence of a cataleptic attack, which, fortunately, passed off in time to prevent the burial of her body.

**SPIRITUALISM AT FAULT.**—There was a very large meeting at the Hall, in Cincinnati, Ohio, last Friday evening, to witness an attempt to move a table without touching it, by a spirit-rapping medium, named Wilson, for the sum of \$1,000, offered in case of success, by Professor Spencer, who is delivering lectures against spiritualism. Of course it was a dead failure, the medium being unable to affect the table in any way.

**A WHOLE FAMILY SWEEP AWAY.**—The Pittsburg Post tells of a family, consisting of a husband, a wife, and three children, who left Pittsburg last spring for Iowa. On Monday the father returned, having in the brief time elapsed buried his wife and all his children, who had died in their western home of typhoid fever.

**THE ERIS RAILROAD.**—The Governor of Pennsylvania has at length signed the Erie Railroad bill, generally known as Thompson's bill. This fact has had a tendency to depress in this market the prices of the Cleveland and Toledo and Michigan Southern stocks, as it is feared the winter business may be interrupted by fresh disturbances at Erie. We understand, however, that the question will be carried up to the highest court, and meanwhile arrangements are made to prevent any interruption of business.—New York Tribune.

**Riots, Bloodshed and Murder at New Orleans.—**The ballot-box destroyed by Know-Nothings. The Picayune reports several riots and outbreaks, which commenced in the eighteenth precinct, where Maj. Henry Blaise was shot and badly wounded, and E. D. White badly beaten. Subsequently E. Feiler, a Frenchman, was shot dead, as was also Dr. Sherer, an apothecary. Several others were severely wounded. The Picayune adds:

Towards 11 o'clock, P. M., a party of men, broke into the ninth precinct and destroyed the ballot-box, with its contents. There is said to have been a democratic majority of 60 or 70 in this precinct.

At midnight a crowd—probably the same one that destroyed the ballot-box in the ninth precinct—forced their way into the engine-house where the inspectors of the seventh precinct were engaged in counting the votes. They at once forced the inspectors and clerks to flee, when they seized on the ballot-box and utterly demolished both it and the ballots. There were, in this precinct, 894 votes cast, and, previous to the destruction of the box, it had been ascertained that the democratic majority on the State ticket was 213.

**Disgraceful Mob in Maine.**  
An attempt to lay the corner-stone of a Catholic church in Bath, Me., on Sunday week, was broken in upon by a gang of rowdies and prevented. We find the following account of the affair in the Bath Tribune:

On Sunday, as the Catholics attempted to hold religious services appropriate to laying the corner-stone of a new church, a large concourse assembled to witness the exercises, which were prevented by rowdism of the lowest sort, and violence.—During the forenoon a wooden cross which had been erected was forcibly pulled down. Early in the afternoon an American flag was raised amid the cheering of a considerable number of persons, who showed themselves hostile to the exercises and the occasion. Mr. Russell, acting mayor, pulled the flag down amid shouts of "hustle him out!" and hisses. But on his leaving it was again put up.

A rush was made for the corner-stone, which had been previously laid, and several attempts made to remove it from its setting, which was prevented, as we learn, by the exertions of Marshal Walker and Mr. Constable Leach, who kept the crowd at bay. There was much bad talk, shouting, fighting, &c. The Catholics, finding they would be opposed in their exercises, quietly withdrew and left the lawless mob in possession of the field. No attempt that we hear of was made to arrest any of the disturbers of the peace up to 4 o'clock. At about 5 o'clock, the crowd having accomplished their objects, and prevented the religious exercises, gradually dispersed. Seeing the temper of the people, the bishop sent word to his parish that the exercises would not be held. Some injury was done to private property, and nuisances committed of which it is not decent to speak. We blush to think that in this city of churches and law and order the Sabbath should be broken by such scenes of lawlessness and violence. We are mortified that a few low and irresponsible persons should be permitted to again blacken the character of our city.

**Consistent.**  
ALL THE DEMOCRACY.—At a recent meeting of Know-Nothings, held at Crownsville, Anne Arundel county, at which were present Milton Whitney, the Know Nothing candidate for State's Attorney of this city, and several others of like kidney, the editor of the Annapolis Gazette, who is also a candidate of the same party for the post of Attorney, made a set speech in which he described the principles of the Know-Nothing (American) party to be "opposition to the damned Dirty Dutch and Irish." When called to account for using such vulgar and profane language on the hustings, his attempt at explanation only confounded him the more—he said "THAT MEN WHO ADVOCATED DOCTRINES ADVERSE TO THE DOCTRINES OF HIS PARTY, WERE WORSE THAN FOREIGNERS," that is to say, the men who advocated the continuance of the rights secured, by the Constitution and laws, to the adopted citizens were worse than the "DAMNED DIRTY DUTCH AND IRISH."

Another of the KNOW NOTHING speakers (a certain Mr. Robey, in trying to excuse himself as a turn coat, said "HE HAD TO ADMIT THAT TWO YEARS AGO HE HAD VOTED FOR THE DAMNED LOCOFUCO CANDIDATE FOR MAYOR OF BALTIMORE CITY." This is Know-Nothing decency and selectivity. We leave the party which selects such candidates, to the just scorn of an insulted community.—Baltimore Republican.

**Why is it?**  
Not a word has been said by the honest telegraph operators about the cold-blooded assassination of young Burke in the Democratic procession on Thursday night. Why is it? Had a Know-Nothing been thus shot down by "a foreigner," we should have the "horrible outrage" sent upon the wires from one end of the country to the other, and the whole Know Nothing army would be in commotion. But when bigoted Know-Nothings shoot down a peaceable American citizen because he is a Democrat, the watchmen say it is all right—they ought to be shot—and the honest telegraph agents never hint that such a thing has taken place.—Baltimore Republican.

**New and Dangerous Counterfeit.**  
Several persons have been arrested in Philadelphia, for attempting to pass counterfeit \$5 notes on the Mechanics' Bank of Philadelphia. These spurious notes are so well executed as to be liable to deceive even the best judges of paper money; but may be detected by two or three imperfections about them. Most prominent among these defects is the margin. In the genuine notes a fine line runs beneath the border very close to the latter. This line is drawn with mathematical precision, and is very close to the border. In the imitation, not precisely straight. The vignette in the spurious note is slightly blurred, as in the word "Bank," where it occurs in German text in the body of the note. In the genuine note, in the view of the banking house at the end of the plate, there is a fine line which runs along on a line with the caps of the column immediately under the architecture. This line is blurred over in the counterfeit or it is entirely wanting.

The best idea of weight was given by an Indian who, when asked how much he weighed replied: "As I am I weigh one hundred and fifty pounds, but when I am mad I weigh a ton."

The Washington Monument, the corner stone of which was laid on the fourth of July, 1848, has been raised to the height of 152 feet, at an expense of \$230,000. The original estimate of the cost of the whole work was \$1,222,000.

A German writer, Boerne, compares the different stages in the lives of women to milk, butter and cheese. "A girl," he says, "is like milk, a woman like butter, and an old woman like cheese—all three may be excellent in their kind."

A LONG WET SPELL.—A correspondent at New Castle, Ind., says they have had a wet spell four months, without a week at any one time of dry weather, yet corn is remarkably good.

**MASSACHUSETTS LEGISLATURE.**—Of the forty members of the Senate last year only eleven are re-elected, the only one from Suffolk being David Warren. Of over four hundred members of the House last year, only thirty-eight have been re-elected. In addition, Hiram Brown, the only democratic member of the last year's House, has been promoted to a seat in the Senate from Hampden county.—Boston Trav.

**ONE OF THE KNOW NOTHING EDITORS.**—A Know Nothing editor in Hudson, New York, had his vote successfully challenged because he was not a naturalized citizen. The most malignant nativists are often foreign born, or the immediate descendants of foreigners.

The Supreme Court of Indiana has decided the prohibitory liquor law unconstitutional.

HOLLOWAY'S OINTMENT AND PILLS, the best Remedy for the Union for Diseases of the Skin.—The youngest son of Mr. Edward Wright, of Aberdeen, Mississippi, had the misfortune to be afflicted with a most malignant disease of the skin, which rendered the child a life one of misery and suffering. As the mother had tried every remedy likely to benefit him without receiving the desired result, she finally turned to Holloway's Ointment and Pills, which she procured from the Dispensary of the same name, and to her surprise and joy, the child was cured in a few days, and the mother was enabled to resume her ordinary duties.

MRS. PATRICKSON OF SHAKESPEARE.—There came a certain lord, neat and trimly dressed, read like, his mother immediately interrupted her interesting son.—"I know," said she, "I know by Mr. Shakespeare's letters to his father, that it is in old Zekiel Lord's son James, who was a wild proud and stuck up after he got that nice spike-and-span brand new suit at Rockhill & Wilson's, 111 Chestnut street, corner of Franklin Place." He replied that he had heard of the "crab," and that he was "in" for a "crab" of his own, whenever it met the views of the goddess.
