Holloway's Ointment. THE GRAND EXTERNAL REMEDY. By the aid of a microscope, we see miltions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflammation of the Lunge, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

Erysipelas, Salt Rheum & Scorbutic Humors. No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula, or Erysipelas, can long withstand its influence. Cotton Sheetings.—Staple Housekeeping The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds & Ulcers. Some of the most scientific surgeons mow rely solely on the use of this wonderful Oilnitment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Prof. Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to he used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas. These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected. and by otherwise following the printed directions around each pot.
