**New Segar & Tobacco MANUFACTORY.**  
**SAMUEL FABER, Jr.,** would respectfully inform the citizens of the town and county, that he has opened a Segar and Tobacco manufactory, in Baltimore street, next door to Forney's Drug Store, Gettysburg, where he will constantly keep on hand a large variety of **SEGARS,** of the finest flavor, and at the lowest living prices. Of **CHEWING TOBACCO** he has the choicest kinds—also a capital article of **SNEEF**—all of which he offers as low as the lowest. He only asks a trial, convinced that he can gratify every taste. He hopes, by strict attention to business and a desire to please, to merit and receive a share of public patronage.

**New Principle! No Poison!**  
**Rhodes' Fever and Ague Cure,**  
OR, **ANTI-DOTE TO MALARIA,**  
FOR the Prevention and Cure of **FEVER and AGUE, or CHILL FEVER; DUMB AGUE, and other INTERMITTENT and REMITTENT FEVERS;** also of **BILIOUS FEVERS,** accompanied by **TYPHOID SYMPTOMS; TYPHOUS FEVER, YELLOW FEVER, SHIP and JAIL FEVER, GENERAL DEBILITY, NIGHT SWEATS,** and all other forms of disease which have a common origin in Malaria or Miasmata.  
This subtle atmospheric poison, which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists,—north, south, east, or west,—and will every where yield to this newly discovered **ANTI-DOTE,** which neutralizes the poison, completely purifies the system, and thus entirely removes all the cause of disease.  
The proprietor distinctly claims these extraordinary results for its use:  
It will protect any resident or traveller, even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasmata.  
It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years, so that they need never to have another chill, by continuing its use according to directions.  
It will immediately relieve all the distressing results of bilious or ague diseases, such as general debility, night sweats, etc.—The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected. And as a proof that it is also  
**WORTHY OF PUBLIC CONFIDENCE,**  
Because of its  
*Singular and Entire Harmlessness,*  
The following certificate from one of the most celebrated chemists in the United States is attached to every bottle:  
New York, June 11, 1855.  
"I have made a chemical examination of 'RHODES' FEVER and AGUE CURE,' or 'ANTI-DOTE TO MALARIA,' and have tested it for Arsenic, Mercury, Quinine, and Strychnine, but have not found a particle of either in it, nor have I found any substance in its composition that would prove injurious to the constitution."  
**JAS. R. CHILTON, M. D., Chemist.**  
This allows of  
**FREE USE AS A PREVENTIVE,**  
by which all persons may thus be sure of entire freedom from the above named diseases, no matter how sickly the season or swampy the locality.  
**PROOFS OF EFFICACY** are frequently published, and the confidence of the public is asked only in proportion to its actual merit wherever introduced and used. These only are relied upon to prove its worth.  
One or two bottles will answer for ordinary cases; some may require more. Directions in German, French and Spanish, accompany each bottle. Price one dollar.
