

A SHANGHAI TWENTY-NINE DAYS IN A WELL... A correspondent of the Virginia Sentinel, writing from Fauquier county, tells a story of a Shanghai pullet that fell through the covering into an unfinished well, seventy feet deep. It was not considered worth while to look after it, but after the lapse of twenty-nine days, the covering being removed, it was discovered yet alive. A boy was then lowered by a rope, and noddily rescued from imprisonment in her dungeon, where for so long a time she had been without food or water.

PROLIFIC—A negro woman called Sally, belonging to Mr. Gridler, near Napoleon, Arkansas, gave birth a few days since to five children—three girls and two boys.

CHOLERA—This disease appears to be still raging at Pernambuco. For the four days ending the 1st of March, the board of health reported 238 deaths.

The medical fee of the Empress Eugenie's accoucher, it is said, will be 500,000 francs. His father received £10,000 for his attendance upon the Empress Maria Louise, at the birth of the King of Rome.

EVERY READER will please notice the advertisement of MR. SEARS' PICTORIAL FAMILY BIBLE, and send for the Printed Catalogue of all our Illustrated Works. Any person wishing to work in this direction will receive a copy of the Publisher's Book, for which he will receive sample copies of the various works, (at wholesale prices) carefully boxed, insured, and directed, affording a very liberal percentage to the agent for his trouble. Who those who will soon be able to ascertain the most saleable and most accordingly. Address (post paid) ROBERT SEARS, Publisher, 181 William Street, New York.

HOLLOWAY'S PILLS, a certain antidote for Dropsical Swellings—Mrs. Elizabeth Henderson, of Natchez, Mississippi, aged 43, suffered intensely last fall from a general decline of health, her feet and legs began to swell, strongly indicating dropsy, and she became so much worse in the course of a few weeks that she was totally confined to her bed. At last, her death was hourly looked forward to by her husband; he made up his mind, as every thing else had failed, to try the effect of Holloway's Pills, which his wife commenced using after four weeks perseverance with them, she was completely cured, having by means of this medicine safely passed that dangerous period of woman's existence. These Pills are also a wonderful medicine for young females with obstructions in their system.

Mrs. PARTON'S OF FRANKFORD—There came a certain cold, sore and trimly dressed, "so-called" hair-dresser, who had just returned from his interesting sojourn in "Paris," and who, like Mr. Spokeshire defers to that telegraphic, it is to old Zerk's Lord's son James, who was with him in the city. Who those who will soon be able to ascertain the most saleable and most accordingly. Address (post paid) ROBERT SEARS, Publisher, 181 William Street, New York.
