

The Railroad Riots at Erie.

BUFFALO, April 26.—A despatch from Erie, Pa., states that a mob assembled there last night and destroyed the office of the Conditional newspaper, which had advocated the railroad interests and defended the action of the Pennsylvania Legislature in passing the act restoring the charter of the Erie and North Pennsylvania Railroad Company.

Dreadful Collision.—A Steamer Sunk.—Supposed Loss of Eighty-eight Persons.—The iron screw steamer Minho, of Barcelona, Captain G. Marquillas, which was on her way from Barcelona, Valencia, and Malaga, to Cadiz and Liverpool, came in collision on the 28th March, off Tarifa, with the British sailing transport Minden, which left Gibraltar the previous day. The steamer, which was going at the rate of ten knots an hour, sank in five minutes after she struck, and eighty-eight persons, it is feared, met a watery grave. Captain Marquillas is supposed to have gone down with the vessel. There were on board the steamer 115 persons, including the crew. Twenty-one only have been saved, of whom 17 belong to the crew. They were picked up and brought into Gibraltar by the Minden.

Withdrawal.—In the Massachusetts House of Representatives, on Wednesday, Mr. Fisher, from the joint Special Committee on the several petitions praying for aid for Kansas, by raising a regiment of volunteers, &c., reported leave to withdraw, and the report was accepted.

HOLLOWAY'S OINTMENT AND PILLS.—Extraordinary Cure of a Bad Breast.—The wife of Mrs. Arthur Burn, of New Orleans, Louisiana, was, after the birth of their last child, a constant sufferer with a bad breast, there were several holes in it, and despite of the various remedies tried, her husband could not get anything to ease it. After every other remedy had failed to benefit the sufferer, she had recourse to Holloway's Ointment and Pills, which, as a matter of course, quickly caused an improvement in the appearance of the affected parts, and by perseverance with these two remedies for a few weeks, she was completely cured. This wonderful Ointment will also readily cure all diseases of the skin.

Mrs. PATRICKSON ON STAMMERS.—There came a certain lord, most and tried, dressed, red like. His mother immediately interrupted her interesting son.—"I know you, Mr. Spoke, there are defects in that telegraphic. It is to old Zekial Lord's son James, who was a wild crowd and stuck up after he got that nice chestnut and span brand new suit at Rockhill & Wilson's, 111 Chesnut street, corner of Franklin Place." The replied that he had heard of the telegraphic, but he was "up" for a "new rig," himself, whenever it met the views of the government.

A FARM WITHIN THE REACH

Of Every Man! 27,000 ACRES of good FARM and COAL LAND in Elk county, Benning township, Pennsylvania, for sale, giving a Farm of 25 Acres for \$200, payable in instalments of \$1 per week, or at the same rate monthly. Farms of 50, 75, 100, or more acres adjoining in proportion. Each Farm fronts upon a road thirty feet in width. The Soil is a rich limestone loam, and especially adapted to cultivation, as it is neither hilly nor stony, but gently rolling or fine table land. Around and through this property there are already some 20,000 acres under cultivation, and its fertility has been established from the crops produced. Upon this subject it is easy to be fully satisfied. There is a ready cash market for produce which is much better than trade. It is the Cheapest, as land of a similar quality is selling at much higher prices adjoining, and especially such as contains coal. The Coal.—This in particular is the Coal District, several veins underlying the whole property, and the attention of miners, and those acquainted with coal lands, is specially called to it. It has the advantage of being the nearest to the great lake market, with which it will be connected by the Sunbury and Erie Railroad now under contract and in course of completion from Erie to Ridgeway, with descending grade the whole way. The soil over bituminous coal is the best, for instance England and other countries. The price per acre is trifling for the coal alone, as it will certainly, in so favorable a location within a short time pay largely. This is important as an immense coal trade will soon open. Four coal companies have already been started to work mines in the vicinity, and there are now fifteen openings around St. Mary's. The Timber. Stockholders also receive.—There is no reservation whatever either of timber or coal. It is very valuable, and will pay for a great part of the land. On account of the excellence of streams there are fine opportunities for mills. For Health, the location is much recommended by Physicians. The chills and fevers are unknown, also pulmonary complaints, being protected from the north east winds by the Alleghenies. The water is pure and amongst the best, the land abounding in fine springs. Four Railroads will shortly be completed, connecting it by a direct communication with New York, Philadelphia, Pittsburgh, Erie, Buffalo, and all the cities on the Lakes. They are the Sunbury and Erie, the Allegheny Valley, the Pittsburgh and Buffalo, and the Venango. Energetic exertions are also being made for the building of the Tyrone and Clearfield, which also passes through this property. The effect of this upon trade, and general development, as well as the coal, may be imagined. The large and flourishing town of St. Mary's is in the centre of the tract, numbering near 3,000 inhabitants. It has Hotels, good public schools, saw and grist mills, stores, well stocked and every thing desired. There are 235 half acre lots in the town of St. Mary's, which will be sold and the proceeds equally divided amongst those who buy farms. Ridgeway, the county seat, where an extensive business is done, adjoins the tract on the west. The whole district is intersected by good turnpike, and other roads. This is a rare opportunity offered to those who wish to farm or have a good investment for the future. By making proper inquiries, and considering the advantages of good soil, an abundance of coal, healthfulness of climate, Railroad facilities, and its location, a correct judgment may be formed of its present advantages and ultimate increase. By writing to the office directions will be given to those who wish to visit the land. A system of excursions will shortly be adopted. There is an excellent opening for various branches of mechanical business, especially tanneries, wheelwrights, axe handle makers, shoemakers, carpenters and others. Farms can be bought by enclosing the first instalment. Ladies can hold shares in their own right. Title unquestionably good, and warrantee deeds given. Address or apply to Samuel W. Cattell, Sec'y, 135 Walnut st. between Fourth and Fifth streets, Philadelphia. References: Henry M. Watts, Esq., 148, Walnut st., Phila. John C. Cresson, Esq., President of Phila. Borough Council of St. Mary's to the Public. This is to certify that, having been over the tract owned by the Ridgeway Farm and Coal Company, and given it a thorough examination, we find the representations of that Company to be correct. We find the soil to be the most fertile—the Coal and Iron Ore to lie in inexhaustible quantities, through the whole district—the Farms in excellent order, and the intelligence and prosperity of the people to be of the most gratifying character. We know that there is no healthier location in the State, and we consider it a most desirable place of settlement. We make this declaration, as we believe there may be many persons who are unacquainted with these lands, and we are satisfied, from our knowledge of the subject, that information upon it will be a public benefit. Jacob F. Shafer, Elk co. Surveyor, St. Mary's, Elk county. Chas. Luhr, Pres't of the Borough of St. Mary's, John Beech, member of the Borough Council, St. Mary's. Chas. This is to certify that the above five gentlemen are at present the Acting Members of the Town Council of St. Mary's, Elk county, and that the above is their hand and signature. In testimony whereof I have subscribed my name, and caused the Seal of Office to be attached thereto; and I fully concur in the above recommendation.
