Farm Lands for Sale !

IS NOW PREPARED TO SELL.

Over Two Millions of Acres OF FARMING LANDS,

IN TRACTS OF 40 ACRES AND UPWARDS, ON LONG CREDITS AND AT LOW RATES OF INTEREST. FENHESE lands were granted by the Govern-1 ment, to aid in the construction of this Railroad, and include some of the richest and most fertile Prairies in the State, interspersed here and there with magnificent groves of oak and other timber. The Road extends from Chicago, on the North-East, to Chiro at the South, and from thence to Galena and Dunleith. in the North-west extreme of the State, and as all the lands lie within fifteen miles on each side of this Road, ready and cheap means are tend to offer to the public a large and general afforded by it for transporting the products of the lands to any of these points and from thence to Eastern and Southern markets. Moreover, the rapid growth of flourishing towns and villages along the line, and the great increase in population by immigration, etc., afford a substantial and growing home-demand for farm profluce.

The soil is a dark, rich mould, from one to five feet in depth, is gently rolling and peculiar-

Economy in cultivating and great productiveness are the well known characteristics of Shoe-makers, Saddlers, and the public gener- Illinois lands. Trees are not required to be ally. Our stock having been selected with cut down, stamps grabbed, or stone picked off, great care and purchased for each, we guaran- as is generally the case in cultivating new land tee (for the ready money.) to dispose of any in the older States. The first crop of Indian part of it on as reasonable 'terms as they can corn, planted on the newly broken sod, usually repays the cost of plowing and fencing."

Wheat sown on the newly-turned sod is sure to yield very LARGE PROFITS. A man with a tavor, as we are determined to establish a char- plow and two yoke of oxen will break one and acter for selling Goods at low prices and doing a half to two acres per day. Contracts can be made for breaking, ready for corn or wheat, at from \$2 to 2,50 per acre. By judicious management, the land may be plowed and fenced the first, and under a mon STATE OF CULTIVA-TION the second year.

Corn. grain, cattle, etc., will be forwarded at reasonable rates to Chicago, for the Eastern market, and to Cairo for the Southern. The larger yield on the cheap lands of Illinois over the high-priced lands in the Eastern and Middle States, is known to be much more than sufficient to pay the difference of transportation to the Eastern market.

done, adjoins the tract on the west. The whole Bituminous coal is mined at several points district is intersected by good turnpike, and along the Road, and is a cheap and desirable other roads. fuel. It can be delivered at several points who wish to farm or have a good investment. for the fature. By making proper inquiries, Those who think of settling in Iowa or Min-

nesota, should bear in mind, that lands there, an abundance of coal, healthfulness of climate, and considering the advantages of good soil, of any value, along the water courses and for Railroad facilities, and its location, a correct many miles inland, have been disposed of :- Judgment may be formed of its present advantages and ultimate increase. no conveniences for transporting the produce By writing to the office directions will be to market, Railroads not having been introgiven to those who wish to visit the land: A duced there: That to send the produce of these system of excursions will shortly be adopted. lands, one or two hundred miles by wagon to There is an excellent opening for various. market, would cost much more than the exbranches of mechanical business, especially lions of little openings on the surface of our assortment in their line. A FARM WITHIN THE REACH Of Every Man :

township, Pennsylvania, for sale, giving a Earin of 25 Acces for \$200, payable, in installments of \$1 per week, or at the same rate monthly. Farms of 50, 75, 100. or more acres adjoining in proportion. Each Farm front's upon a road thirty feat in width.

The Suil is a rich limestone loam, and es. pecially adapted to cultivation, as it is neither hilly nor stony, but gently rolling or fine table and Clothing made to order, which I will sell land. Around and through this property there are already some 20.000 acres under cuitivation, and its fertility has been established from the crops produced. Upon this subject it is easy to be fully satisfied. There is a ready cash market for produce which is much better, than trade. ... It is the Cheapest, as land of a similar quality is

selling at much higher prices adjoining, and

The Coal.-This in particular is the Coal

District, several veins underlaying the whole

property, and the attention of miners, and

those acquainted with coal lands, is specially

called to it. It has the advantage of being the

neurest to the great lake market, with which

it will be connected by the Sunbury and Erie

Railroad now under contract and in course of

completion from Erie to Ridgeway, with de-

scending grade the whole way. The soil over

bituminous coal is the best, for instance Eng-

land and other countries. The price per acre

is triffing for the coal alone, as it will certain-

ly, in so favorable a locations within a short

time pay largely. This is important as an

immense coal trade will soon open. Four coal

companies have already been started to work

mines in the vicinity, and there are now fifteen

The Timber. Stockholders also receive .----

There is no reservation whatever either of tim-

ber or coul. It is very valuable, and will pay

for a great part of the land. On account of the

excellence of streams there are fine opportuni-

ed by Physicians. The chills and fevers are

unknown, also palmonary complaints, being

protected from the north cast winds by the Al-

leghenies. The water is pure and amongst

the best, the land abounding in fine springs. Four Railrouds will shortly be completed,

connecting it by a direct communication with

New York, Philadelphia, Pittsburg, Erie,

Buffalo, and all the cities on the Lakes. They

are the Sunbury and Erie, the Allegheny Val-

ley, the Pittsburg and Buffalo. and the Venan-

go. Energetic exertions are also being made

for the building of the Tyrone and Clearfield.
