Farm Lands for Sale!

The Illinois Central Railroad Company

IS NOW PREPARED TO SELL Over Two Millions of Acres OF FARMING LANDS,

IN TRACTS OF 40 ACRES AND UPWARDS, ON LONG CREDITS AND AT LOW RATES OF INTEREST. FAMIESE lands were granted by the Govern- ly selected stock of all business cutrusted to him. He Railroad, and include some of the richest and Chicago, on the North-East, to Carro at the South, and from thence to Galena and Dunleith, in the North-west extreme of the State, and as all the lands lie within fifteen miles on each side of this Boad, ready and cheap means are afforded by it for transporting the products of the lands to any of these points and from thence to Eastern and Southern markets. Moreover, the rapid growth of flourishing towns and villages along the line, and the great increase in population by immigration, etc., afford a substantial and growing home-demand for farm

The soil is a dark, rich mould, from one to five feet in depth, is gently rolling and peculiarparticularly in reference to the formation and | (Office removed to one door. West of Buehler's ly fitted for grazing cattle and sheep, or the

cultivation of Wheat, Indian corn, etc. 'Reonomy in cultivating and great productiveness are the well known characteristics of

in Iowa, Illinois and other Western States Wheat sown on the newly-turned sod is sure to yield very LARGE PROFITS. A man with a plow and two yoke of oxen will break one and a half to two acres per day. Contracts can be made for breaking, ready for corn or wheat, at from \$2 to 2.50 per acre. By judicious manthe collection of claims for Bounty Lands agement, the land may be plowed and fenced under the late act of Congress. Those who the first, and under a men state of Contriva-

Corn, grain, cattle, etc., will be forwarded at reasonable rates to Chicago, for the Eastern market, and to Cairo for the Southern. The larger yield on the cheap lands of lilmois over the high priced land, in the Eastern and Middle States, is known to be much more than sufficient to pay the difference of transportation

to the Eastern market. .. Bituminous coal is mined at several points ilong the Road, and is a cheap and desirable everything in our line of business. We have | 2 ran church, is Chambersburg street, and fuel. It can be delivered at several points along the Boad at \$1.50 to \$4.00 per ton; Wood can be had at the same rates per oord. Those who think of settling in Iowa or Minnesota, should bear in mind, that lands there, of any value, along the water courses and for many miles inland, have been disposed of:that for those located in the interior, there are no conveniences for transporting the produce to market. Railroads not having been intro-Anced there. That to send the produce of these lands, one or two handred miles by wagon to market, would cost much more than the expense of cultivating them; and hence, Government lands thus situated, at \$1.25 per acre, the material of every bone, muscle, gland are not so good investments as the land of this

The same remarks hold good in relation to ease, and thus radically curing the malady, and every hundred miles the produce of those expenses of transportation, which must be horne by the settlers, in the reduced price of Holloway's Pills are equally efficacions in their products; and to that extent precisely complaints common to the whole human race, are the incomes from their farms, and of course 15 Superior Parlor Clocks, at \$8 each, and in disorders peculiar to certain climates on their investments, annually and every year 50 do Gothic ...

The great fertility of the lands now offered for sale by this company, and their consequent yield over mose of the Eistern and Middle States, is much more than sufficient to pay the difference in the cost of transportation, especially in view of the facilities furnished by this operations of which are not interrupted by the

ow water of summer, or the first of winter. Price 204 Terms of Payment. The price will vary from \$5 to \$25, according to location, quality, etc. Contracts for Deeds may be made during the year 1856, stipulating the parchase money to be paid in five All irregularities and ailments incident to annual installments. The first to become due the delicate and sensitive organs of the sex are in two years from the date of contract, and the They will make up garments of every de- removed or prevented by a few doses of these others annually thereafter. The last payment

To Interest will be charged at only THREE per cent per annum. As a security to the The London "Langet," the London "Medi- performance of the contract, the first two years' ING, in the best manner, which they will sell cal Review," and the most eminent of the fas- interest must be paid in advance, and it must Talnia, Oils, and Executives.
