

Communicated. The Farmers' and Mechanics' Savings Institution of Adams County.

Pursuant to the call published in the papers of the borough, a number of citizens from town and country met at McConaughy's Hall on Saturday, 4th of April, at 10 o'clock A. M. The meeting organized by electing President, John Brough, Esq. V. Presidents, Wm. Culp & A. Heintzelman. Secrs., S. Durbarow and Chas. Horner.

The meeting then proceeded to the signing of the Constitution, and subscribing to the joint funds. An amount exceeding \$10,000 was subscribed for the first year, to be paid in as the business of the Institution requires.

At 2 o'clock, P. M., the members met and proceeded to the election of Officers for the ensuing year—Charles Horner and E. G. Falmestock being appointed to act as Tellers, and the voting being by ballot. It resulted as follows: Directors—George Throno, John Brough, Samuel Durbarow, B. E. Horner, Andrew Heintzelman, David McCreary, William Culp, George Arnold, Jacob Musselman, John Horner, D. McConaughy, John Mickle, John Throno.

The meeting then adjourned, after adopting a Resolution that the proceedings be published in the papers of the County. The Board of Directors then met, and proceeded to organize by electing GEORGE THRONO, President. GEORGE ARNOLD, Secretary and Treasurer.

The Office to be in the building of George Arnold, in the South West Corner of the Public Square, and to be opened on Saturday the 11th of April, at 9 A. M., to which time the Board adjourned to meet again.

From China—70,000 Men Killed! Macao, Jan. 29.—All foreign business is not only suspended, but entirely at an end, both here, at Hong Kong and at Canton. Since my last letter, the greater part of the Western suburbs of the latter city, in which were situated nearly all the warehouses, shops, &c., concerned in foreign trade, have been consumed. The Chinese compute their losses in houses, goods, shops, &c., at over 4000 buildings, up to the present time and in merchandise, and the value of the above property, they state their losses at \$10,000,000, which is probably near from the truth.

Walker's Great Battle.—Another Version.—The New York Sun has a letter dated Rivas, March 16, signed by Capt. A. T. S. Anderson, giving a different version of the Walker "victory" from that already made public. After noticing Walker's attack on the enemy at St. George and the successful manner in which he is said to have driven them from that place, he proceeds: "Now came the day of war. Our little army of not exceeding three hundred and fifty men, all told, were surrounded by the enemy, numbering 2,500 or 3,000. We were completely hemmed in, but had gained our point in drawing them out of the place. All communication with Rivas was cut off and we were without provisions, having taken none with us, the distance from one place to the other being only three miles.

Village of Women.—The Augsburg Gazette affirms that the village of Madama, which is about sixty-nine English miles from Rusebuck, in Wallachia, has been inhabited solely by women for the last thirty years. At one period the female population was two hundred. The ladies are not warriors like the Amazons of old, but have avoided all intercourse with men, and drive from their territory all who appear with matrimonial intentions.

Hoops Denounced in the Bible.—The following is an extract from Isaiah iii. 18: "In that day the Lord will take away the bravery of their tinkling ornaments about their feet, and their combs, and their round tire like the moon."

MAKE A BEGINNING! Save!—Remember in all things, that if you do not begin you will never come to an end. The first weed pulled up in the garden, the first seed sown in the ground, the first dime put in the Savings Institution, are all important things; they make a beginning, and thereby a hope, a promise, a pledge, an assurance that you are in earnest with what you have undertaken.

THE POLICY OF THE NEW ADMINISTRATION.—Mr. Buchanan, in his inaugural address on Wednesday, intimated what would be the policy of the incoming administration. The Ostend Circular doctrines got the cold shoulder, and the new President intimated that it would be his constant effort to encourage his fellow citizens to consult their own interests by getting their garments at the brown stone clothing hall of Rockhill & Wilson, Nos. 203 and 207 Chestnut street, Philadelphia.

ON THE BALD HEAD.—We invite the attention of those who are bald headed, and those who are afraid of becoming so, to the advertisement of Prof. Wood's Hair Restorative, in to-day's paper. We are not in the habit of puffing every quack nostrum that is advertised in our paper, but we feel four days, when we concur in an article that is good, to let the people know it. We have no fears of having soon to "sneak under bare poles," and therefore have not used the Restorative, but think, if the certificates of honest men can be relied upon, that it must be a first-rate article. Try it, ye whose natural wigs need rejuvenation.—Rockville Republican. April 6, 2w.

There is an article selling throughout the country that has attained the widest celebrity ever known as a remedy for Liver Complaints. We have reference to Dr. Sanford's Invigorator, or Liver Remedy, that has performed cures almost too great to believe, were it not for the undoubted evidence that accompany the testimonials. It is, in truth, the greatest remedy known for Dyspepsia, Jaundice, or a general debility that so often baffles the skill of our most eminent physicians.

Dr. Sanford has been for a long time one of the eminent physicians of New York, and it is said, most of his cases were treated with the Invigorator with such invariable success that he has been induced to offer it as a family medicine, and let the world have the benefit of his discovery.—If those who are troubled with debility, headache, languor, or slow, lingering fever will try a bottle, we think they might save physicians' bills, and days, perhaps years of suffering.

A. D. Buehler, Agent for Gettysburg; Wm. Berlin, Hagerstown; and Charles E. Henry, Abbotstown. April 6, 1m.

HOVSA'S INK, made in Philadelphia, is a great comfort to editors, and we suspect even greater to compositors, seeing that its fluidity leaves no excuse for bad or charged writing—the great foe of typesetters.

It is really quite a pleasure to write with such ink, especially with a good steel pen, for which mainly it is prepared.—New York American. We cordially add our testimony to that of the Editor of the American, in favor of HOVSA'S INK. It is all that can be desired.—New York Courier and Enquirer. HOVSA'S INK, is a beautiful article, well calculated for metal pens, as it does not corrode them.—Brother Jonathan, New York.

HOLLOWAY'S PILLS.—General debility, low spirits, and nervous irritation, are the inevitable consequences of indigestion. Renovate the stomach, clear the bowels, and regulate the secretions with these wonder-working Pills, and the strength returns, the depression ceases, the nerves become calm. This is not theory, but practical truth, and the constant admission of all medical men who have ever witnessed the effects of the remedy. In this country, dyspepsia has heretofore been a common complaint, that it might almost be termed a "national infirmity." If, however, dyspepsia, generally, are wise enough to resort to this remedy, the disease will soon become a rarity.

Hoer's Liquid Hair Dye.

THIS HAIR DYE needs only a trial to satisfy all of its perfection as a dye, and the following testimonial from that eminent Analytical Chemist, Professor Booth, of the U. S. Mint, will only confirm what thousands have previously borne testimony to. "LABORATORY FOR PRACTICAL CHEMISTRY, ST. STEPHEN'S PLACE, Philadelphia, Feb. 17th, 1857. "Being well acquainted with the substances composing Hoer's Liquid Hair Dye, I am satisfied by following the simple directions given for its use, it will not injure the Hair or Skin, but will give a natural and durable color to the Hair."

JAMES C. BOOTH, Analytical Chemist. HOER'S WRITING INKS, including Hoer's Fluid, and Hoer's Liable Inks, are too well known and introduced to require any additional testimony of their character. The sales have been increasing since their first introduction, giving evidence that the articles truly possess that intrinsic merit claimed at first for them by the Manufacturer.

Orders, addressed to the Manufacturer, No. 416 RACE street above FOURTH, (old No. 145,) Philadelphia, will receive prompt attention by JOSEPH E. HOVER, Manufacturer. April 13, 1857. 1y
