

A COLUMN OF NEWS.

The Success of Walker—Confirmation of the Victory—Great Slughter of the Costa Ricans—Latter's Stolen.

New York, April 5.—Private letters have been received in this city from Gen. Henningsen, in his own hand writing, addressed to persons in this city, dated Rivas, March 19th, confirming every essential fact brought by the steamer Texas, in relation to the recent victory of Walker's troops over the Costa Ricans and their allies.

The battle lasted ten hours and was desperately fought on both sides. It ended in the utter defeat and rout of the enemy.

Gen. Henningsen writes further that he is confident that in a few weeks Walker will entirely clear the country of the Costa Ricans, who are greatly discomfited and depressed by their defeat.

This intelligence was brought by express from Rivas to San Juan del Sur to meet the Grizaba, by which vessel it came via Panama to New York. Several other letters and dispatches addressed to persons in this city have been stolen or abstracted during the passage, either on land or sea. A clue has been discovered as to the depreidators and the police are on the track of the perpetrators.

The news received via Wilmington was manufactured in that city, and of course is totally untrue.

A Young and Beautiful Wife Murdered in Louisville.

LOUISVILLE, Ky., April 4.—Our community is much excited in consequence of the discovery of a most cruel murder, which appears to have been committed on Thursday night. The name of the person murdered is Mary Travers, a beautiful and accomplished girl of only 24 years of age, who had been married but about eight months. Her husband, who is supposed to have committed the horrid deed, was found lying beside the dead body of his wife in bed. He had attempted to commit suicide by cutting his throat, but his injuries are not believed to be serious.

Still Another Tragedy—A Father and Daughter Shot.

LOUISVILLE, April 4.—Intelligence has been received here of a startling tragedy which occurred at Washington, in this State, yesterday. A man named Baker, a resident of that town, armed himself, and deliberately took the life of his daughter, after which he placed the death-weapon to his own breast and shot himself. No cause has been assigned as yet for this dreadful tragedy.

Vigilance Committee in Nebraska.

St. Louis, April 4.—The officers of the steamer St. Mary, from Council Bluffs, report that four men were shot at Platt's Mouth, Nebraska, on March 19, by order of a vigilance committee.—Five others had been banished from the territory and forbidden to return under pain of death. The offense committed was "claim jumping."

New Orleans, April 4.—It is reported here that Santa Anna has numerous emissaries at work in Mexico furthering his intrigues.

The recent Nicaragua news was received here with great joy.

Anti-Slavery Excitement in Jamaica.—The inhabitants of Jamaica have got up a very respectable anti-slavery excitement, such as Boston would take delight in. The Jamaica planters, finding that they cannot compete with the Cuban planters, attribute the cause to the slave trade between Africa and Cuba; whereupon they ask that the government of Great Britain shall blockade the Cuban coast, so that the African slave trade shall be suppressed.

Some of the Jamaica people think that the coffee system is quite as bad as the slave trade, and the world at large interested in neither system, will probably unite in condemning them both.

Running off with a Telegraph Line.—A locomotive between St. Louis and Springfield, a day or two ago, got attached to the wire of the telegraph line, which a storm of wind had thrown down, and away it went on its course, tearing down the poles for a distance of two miles, and keeping up a most tremendous crash and clatter, as one after another came tumbling down and were added to the queer routine of the train.—The locomotive arrived in town in good time, and the engineer then first discovered that he had the lightning line behind him.

Death of a Prayer.—While Mr. Davis was at prayer on Thursday morning, at the residence of his son-in-law, Mr. Robert Peel, of Norfolk county, a chimney caught fire, which caused an alarm of fire to be given. Mr. Davis started up, but before he could get to the door, he was struck by a sudden shock to the heart, with which he had been afflicted for some time. He was an elderly gentleman, and very much respected.

Writing on a Rail.—Warrants have been issued at East Deer township, Allegheny county, Pa., for the arrest of six young men, charged with riding the school master's rail, and on a rail. It appears that the school master refused the use of his school house for the purpose of holding singing schools, which gave the young ladies great offense. So great is the excitement that the young ladies have selected themselves to defend their rights.

Wagoner, the author of the Newcastle Park, has been committed to prison, notwithstanding reports that he would not be prosecuted.

Death of a Boy.—The Government—Gold Brown, the distinguished author of the "Grammar of English Grammar," died at Lynn, Mass., on the 31st ult., in the 50th year of his age.

When is charity like a top? When it begins to buzz.
