Recovering.—Hon. J. Glancy Jones and Hon. W. L. Dewart, both M. C.'s from Pennsylvania, have nearly recovered from the National Hotel sickness. Mr. D. is on a visit to Washington, and Mr. Jones is soon expected there.

☞According to the message of Gov. Young, the population of Utah territory now numbers upwards of ninety-five thousand.

☞The Savannah Republican intimates that poor beef is 20 cents per pound in that city, and other "feed" in proportion.

☞A prime article of beef is selling in the Wilmington (N. C.) market for 25 cents per pound.

☞It has become an established fact that Dr. Sanford's Invigorator will cure Liver Complaint, Jaundice and General Debility. Many people, personally known to us, whose word cannot be doubted, have given their certificates to prove this, and with such a mass of evidence who can doubt.

It is truly the invalid's friend, and will give relief when all other remedies fail, and in some instances that have come under our observation it seemed the means of snatching its victim from the grave. We wish all our readers who need medicine would try one bottle, for it will surely give relief.

☞Wood's Hair Dye.—This admirable article is rapidly improving the hair. No article of a similar kind, now before the public, enjoys a better reputation as a restorative and invigorating hair tonic. Its peculiar chemical qualities have a beneficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a coarse and dry nature. It has, also, we understand, a tendency to preserve the youthful color and appearance of the hair, and destroying or counteracting the effects of age. With such recommendations in its favor, we hardly perceive how any lady or gentleman should be without so valuable an adjunct to their toilet. The article may be had of the Druggists throughout the country.—Missouri Democrat. May 4. 2w

SOLD BY ALL DRUGGISTS.

☞Make a Beginning Sake!—Remember in all things, that if you do not begin you will never come to an end. The first weed pulled up in the garden, the first seed set in the ground, the FIRST DIME DEPOSITED IN THE SAVINGS INSTITUTION, are all important things; they make a beginning, and thereby a hope, a promise, a pledge, an assurance that you are in earnest with what you have undertaken. How many a poor, idle, dolent, worthless spendthrift is now creeping or scratching his way through the world, who might have held up his head and prospered, if he had only commenced to save—if he had only made a beginning with A FIRST DIME IN THE SAVINGS INSTITUTION.

☞Fifty Years Hence.—Bishop Clark, in a recent lecture on this subject, said, "Fifty years hence, the newly married pair will step into an emporium for the sale of houses, look over the patterns, select one to suit their tastes and means, order it, and it will be sent home in the morning, put together, and occupied at night; but fifty years hence they will find no better garments than those now sold by Rockhill and Wilson, at the Brown Stone Clothing Hall, Nos. 26 and 28 Chesnut street, Philadelphia.

☞Holloway's Pills.—Coughs, colds, influenza, and such like affections are always more or less associated with irregularities of the secretions. The stomach, the bowels, and the liver, cannot be in a healthy condition while the lungs and the air passages leading to them are obstructed, and invalid states of the respiratory organs, the effect of the Pills is highly salutary. As an outward application for sore throat, croup, asthma, and bronchitis, Holloway's Ointment is invaluable. It soon relieves the irritation of the mucous membrance of the trachea and the bronchial tubes, and removes that choking sensation so alarming in croupous asthma.
