The Battle at Richmond, Va.—The Rebels Decidedly Beaten.
The attempt of the rebel army to approach Vicksburg and open communications with the beleaguered city from the west bank of the Mississippi, has been met and foiled in several recent encounters. We had an opportunity in which the rebels were completely routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

On the 18th, the rebel General Anderson, with a division of his command, consisting of Major-General Dick Taylor, marched from Richmond toward the Mississippi. He was met by the Federal forces, and a battle was fought on the 18th. The rebels were completely routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

The Invasion of Pennsylvania—The Rebels in the Cumberland Valley.
A correspondent of the Philadelphia writes from Carlisle, on Tuesday, the 23rd inst., an account of a trip he made from Harrisburg to Chambersburg, on Monday afternoon, the 22nd inst. The first news that greeted my ears was that our cavalry had a skirmish with the rebels on the 21st inst. near Carlisle. The rebels were routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

From Vicksburg—How the Siege is Conducted.
A correspondent at Vicksburg, writing of the battle on the following novel way of conducting it. We were approaching the fort by way of the road running along the ridge, and the rebels were posted on the ridge. The rebels were routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

Polish Herotism.
A paper just published by the national government of Lithuania, states that a detachment of Lithuanian soldiers, under the command of Vincent Krutis, had for the last few weeks, occupied the district of Vilnius, proclaiming everywhere the decree of the national government which secured to the people the right of self-determination. The Lithuanians were routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

The Pirate Alabama.
A correspondent of the Boston Herald writes from Newburyport, under date of June 22d: I have seen Capt. Bailey, of the schooner Amalia, which arrived here Saturday last. He says that the schooner was captured by the Federal forces, and the crew was taken to Newburyport. The pirates were routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.

Who Were "Among the Dead?"
The name "Among the Dead," which appears on the pages of the Cincinnati Gazette, is the name of a book written by a young man who was killed in the battle of Vicksburg. The book is a collection of letters and other documents found on the battlefield. The pirates were routed and drove them a considerable distance with great loss. We find another encounter described in a special dispatch to the Cincinnati Gazette, June 18.
