This refates the belief current in some quar-ters that be had gone south to advise with Bragg. Our army lay in line of battle all day yos-terday, but Loe declined to accept the issue of an engagement. Gen. Kilpatrick eccupied Pony Mountain ycatorday alternoon. Last night he discor-ered a large area of camp fires south of the Rapidan, between Raccoon Ford and Rapidan Station on the Railread. No fires of magni-tude were discovered in and around Culpep-per. This leads to the inference that Lee has declined to risk a general engagement in the open field and withdrawn his forces except a rear guard to his former strong position. All the scidence tends to prove that Gen. ing him to believe it was his intention to move down the neck opposite Frederickburg, thus inducing the latter to weaken his front here to strengthen that pofit.
