FROM WASHINGTON.

Special Dispatch to the Pittsburgh Gazette.

WASHINGTON, Nov. 20, 1863.

Rev. Isaac W. Moore, Indiana Military

Agent, has just returned from Fort...

and City Point, where he went under...

instructions from Gen. Morton, to make...

arrangements to furnish clothing and provisions...

for Indiana soldiers in rebel prisons. He...

took with him 800 miles of clothing, together...

with stores which were delivered to City...

Point, where they were accepted by the...

authorities, with the assurance that they...

should reach their destination. He and...

Gen. Morton leaves for Baltimore to-morrow...

for City Point, with \$1,000 worth of provisions...

and stores, in addition to those already...

sent. The following is the correspondence between...

Monfort and Commissioner Ould:

FORREST, Nov. 12, 1863.

Dear Sir: I enclose herewith a dispatch...

from the Hon. Secy. of War, in relation to...

the matter of the rebel prisoners in...

Indiana, making inquiry in regard to the...

probability of supplying our prisoners of...

war with provisions, etc. It is the wish...

of the Hon. Secy. of War, that you should...

be authorized to make such arrangements...

as may be deemed proper, under such...

instructions as you may receive from the...

Hon. Secy. of War. I am, Sir, very...

Special Dispatch to the Pittsburgh Gazette.

GREENSBORO, Nov. 19, 1863.

This was a great day for the nation. The...

burial place of the glorious defenders of...

the cause of the nation, was splendidly...

dedicated to valor, to patriotism and to...

freedom. The people here were coming all...

the way, and some days since the town was...

overlooked, so that the horses were compelled...

to sleep on the doors of private houses. The...

demonstration of the military, and of high...

officials, and citizens in the procession, was...

superior to anything of the kind ever...

before in this country. Ward H. Lamon,...

Marshal of Washington, was the Chief...

Marshal to-day, assisted by some series of...

his duties according to the order that...

was given by the Hon. Secy. of War,...

and the Hon. Secy. of War, in relation to...

the matter of the rebel prisoners in...

Indiana, making inquiry in regard to the...

probability of supplying our prisoners of...

war with provisions, etc. It is the wish...

of the Hon. Secy. of War, that you should...

be authorized to make such arrangements...

as may be deemed proper, under such...

instructions as you may receive from the...

Hon. Secy. of War. I am, Sir, very...

respectfully, your obedient servant,

FORREST, Nov. 12, 1863.
