spuries and delaterious steff. We defy any perest to match the teste or character of our goods. Any person protending to sell Frantation Bitters by the control of the self and person in bulk, is an imposter. We sell only in our log cabin boille. Any person intuiting this bottle, or selling any other material therain, whether celled Flantation Bitters or not, is a criminal under the U. S. Law, and will be so presented by us. We already have our eye or two parties re-filling our boilter, a., who will succeed it petiting themselves into close quarters. The demand for Drake's Plantation Bitters from ladies, clergymen, merchants, &c., is perfectly intractible. The simple trial of a bottle is the evidence we orsent of their worth and superfority. They are sell by all respectable druggists, grocers, physicians, hotels, steamboan and country stores.
