Emanelpation

Use attention has been called to attent has been called to at freedings (one thousand freedunes of the distance of the rebel property to be conditive to mean and the first of schools, subject to revision by the Escretary of the Tressury, and the Cemmission is empowered to lease the lands in their possession, and a receiver of the revenue from such property is to be appointed, with a sale arry not exceeding three thousand dollers. The Commissioner is required to hirs out or apprentice to mechanical trades freedmen and their families, and provide them with food, cletking and abelier, and they shall have the same rights and civil and military courts as civil and the distance of the distance of

The Commissioner as required to mechanical trades freedman and special to mechanical trades freedman and special trades from the superior of the control of

An interesting letter from General Sherman,
An interesting letter from General Sherman to the chairman of a meeting of the
I have just seen a letter from the son of citizens of Warren county, Mississippi, will your former paster. He has just been or-counter published. The meeting asked not dained over a church in Athana, Ga. He poblished. The meeting asked not only for protection at the hands of the mil- says at the seminary he was called ofce only for protection at the hands of the military authorities, but for sustenance also. General Sherman replied that he knew of mo nation but ours which had ever undertaken to feed the inhabitants of an insurgent district. "If you know of any," writes General Sherman, "I will thank you for a copy of the history which records them." The General Isys down several propositions. First—That the degree of protection accorded to white inhabitants will depend much upon their own conduct. Second—The task of providing for the negro population falls upon the government, so by act of war it succeeds to the "title of master. The General argues and go on with farming operations, "not or a large scale," for "no one can see far enough into the future to any who will reap whityou sow." He says to make the model for a statue of Dante has arrived at Florence. The state of will reap government, so by act of war it succeeds to the "title of master. The General lays and go on with farming operations, "not or a large scale," for "no one can see far enough into the future to any who will reap whityou sow." He says to make the model for a statue of Dante has arrived at Florence. The state of wild they be seen to a large and the model for a statue of Succeeding to the model of \$600. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and it was prices. The meanest calicoes of the "war that the property it has folly a pair of gloves, which and of \$60. There was a pair of gloves, which and of \$60. There was a pair of gloves, which and the model for a statue of Succeeding to the was a pair of gloves, which and of \$60. There was a pair of gloves, which and the model for a statue of Succeeding to the five the statue was a pair of gloves, which and the model for a statue of the "florence. T thorities, but for sustenance also.

wasson must be a very pleasant residence for a tinid man, secording to the Virginia City Bullesn, which says "On Esturday night last we saw around the store at the theatre, warning themselves, no less than five men who had each killed a man within the past five months."

with a load of coffee, not for our consumption, but to be converted as above into articles of greater necessity.

As Rastern company has purchased the store it the theatre, warning themselves, no less than five men who had each killed a mining and transporting the produce.

He issil statue of Dante has arrived at Florence.

The statue of Dante has arrived at Florence.

The statue will stand in one of the public squarea. Signor Pazzi is the arrist. He care has made the model for a statue of Savonarela, and it is rumored that the statue of the "arch-brestic," may be erected in Florence. Great improvements are going on in various parts of the city.

NEARLY eighteen hundred recruits for In-diana regiments arrived in Indianapolis last week. Tuese are said to be five thousand two hun-dred Nova Scotians in the federal army.
