The subjects of Natural Fanassay.

The subjects of Natural Fanassay.

The transmy were next taken up and shown to be valuable aids to the teacher. A transmigned of the vast subject of Mental Philesphy was absolutely essential te the successful teacher, for the plainest reason in the world, amanly: because the teacher deals entirely with said, and should consequently be thereughly sequainted with the natural laws of thenght. He deplered the want of a text been subject of Mental Philesephy, snitable for cebesly, and thought the day was see far distant when such a beek would be demanded by the teacher. The lecturer incidentally introduced one is contract liberath, namely: that the teacher whe does nest study and labor to improve himself is scholarship and in his profession, not only goes beek, but is an first one possible. The section of his fall contract property when Caracy is said to the condition of Mr. Kalconer's remarks, Prof. Orgood gave a bort exercise on Elocation, after which the remaining time of the Scholarship contracts of the number of the summer of the same fall.

The world and the summariant with the comparatively noble robel, the hall resounded for some minutes with the hall resounded for some

At the conclusion of Mr. Falconer's remarks, Prof. Osgood gave a short exercise on Elecu-tion, after which the same of the conafter which the remaining time of the con session was occupied with the con-ation of miscellaneous business.

been active, and we are not aware of any conbeen active, and we are not sware of any con-siderable surplus of "eil or hand at the Wella or at this point. The river is still closed by the lee. We have but one new well to re-port, the Lleyd well, on the Widow M'Olis-tock Farm; flewing from 75 to 100 barrels per day. The Phillips well is again flowing. The rolling quotations at the Wells are \$454.25 per bhl. Many parties are asking \$4.50 at the Wells, but we have beard of no sales at that siderable surplus of eil on hand at the Wells or at this point. The river is still closed by the lee. We have but one new well to respect that Lieyd well, on the Widow M'Clintock Farm; flewing from 78 to 100 harrels per day. The Phillips well is again flowing. The realing quotations at the Wells are 54a.25 per bell. Many parties are asking \$4.50 at the Wells, but we have heard of no sales at that Rigurs. Ruling price here, \$5a5.25. Price of teaming from wells to Franklin. \$1a2.15. Frice of Larrels, prima new, \$3a3.25. The market closes free with an appward tundency. There is a steady decrease in the amount of the daily production we should estimate the daily production as about 4,000 barrels."

tavarn on Irwin street for the purpose of taking into consideration the propriety of raising e. It was represented that saries of life, rents, wages, not only the necessaries of life, rents, wages, &c. had increased in price, but also hay, oats, corn and other feed for their animals, to gother with the price of shoeing, dray license decent living for them maintain their stock they would necessarily be obliged to increase the rates of drayage. After consideration it was proposed to charge for such harrel of oil the sum of ten cents, which being put to a vote was carried unanimentally. This includes all oil hauled between O'Hars street and the Menongakela wharf. All oil coming from, or carried to points beyond O'Hars street will be charged at an increased rate. The draymen fool sure that the oil men will not demur at the advanced prices, if they will be take into consideration the increased expanse of living.

A ASSESS

1

An Appeal for the Orphan of New York, who has been visiting a number of the leading cities of the cast, for the pursoldiers, has arrived in this city, and anmounces her intention to give a musical and
dramatic entertainment, at Concert Hall, en
Friday evening next, the proceeds of which
ret to be deroted to the object above stated.
The lady comes to us highly recommended by
The lady comes to us highly recommended by rice be devoted to the object above stated. The lady comes to us highly recommended by the wrest, and has letters from the Mayers of New York, Beston, Providence and other clitics, and from Governer Sprague; of Rhod Island. Shovanks among the best readers new hefere the public, and the entertainment will consist of recitations, readings, dues, songs, std. Sho will be arristed by Miss Gerties B. Reers, a vocalist of fine ability. Prof. T. R. Rickwitz will preside at the plane.

Madame Bell also designs waiting upon a number of sur leading citizens, to solicit desastions in aid of a fund of 510,000, now being raised to purchase of suitable homestead for the saylum. We commend the lady and her cause, and bespeak for her a large and appreciative and bespeak for her and bespeak for her a large and appreciative and app

Cleveland and Pittsburgh Railroad Stock.
The New York Commercial Adve

rday, in speaking of the stock market, says :- "The most marked movement of the day in stocks has been the bear enslaught usy. In stocks, and non-the-bear-enstaught upon the Cieveland and Pittaburgh Railroad.
The stack of this company is attacked under-cover of the cloud of litigation long ago raised over its prospects, and persistently kept up by those whe are most initiated into the condition of its affairs, as it wends now seem, for sertainty shows that its vants, proceed and prespective, entities it to rank with the best railrand preparties in the country. We apprehend that the resent advance may have suddenly overtaken some of the parties hitherte mest active in this stock, before they are the prepared thamselves to profit as largely as they thought thamselves entitled to by the fries."

The Young Men's Second Select Solres for or eight deaths occurring daily. The vie the benefit of the Ladies' Aid Society will be given at the Leslie House, New Castle, on next Friday evening, the 29th inst. The procoeds are to be used for a charitable purposa-to aid in the comfort of our brave soldier, in the field. It should be well attended, and those who do not wish to join in the pleasures of "Hipping the light fantatito toe," should had the drand Fromenade Concert, which commended at 8, and continues until 9 clock. Some of the best much over discoursed in New Ocitie, will be heard on this occasion—all the late which concerns the constant of the continues of the Omitie, will be marked and Supper will be served between the hours of 12 and 2 colors. The gentlemen who are making the arrange-ments, will use every exertion to make it a

beneficial as well as a very pleasant party. BURGARY—On Friday night the cast and lims offs of Bickeen, Stewart & Co., No. 589 Liberty streat, was entered by burglars, who have spen the door of the safe, and abstracted them frem \$369.72. Our clitisens should be on the safer, as it is certain that we have received a visit from some of the migratory framentity of prefessional burglars. The best reception that each so given this class of men is a dose of lead, administered in the form of a pill.

Discription.—Mayor Alexander yesterday disputed of the following cases: John Haylor, Mishael Hanney and Henry Hartman were fined two follows each for disorderly conduct fined two dollars each for disorderly conduct—breaking windows, etc., on Obesita and Ohio streats. John definer was fined two dallars for swing disorderly in the Diamond. William Buskens was committed in default of

Altegheny City Teachers' Institute.

This Idistints held its regular semi-annual material in the Sanduaky street school house, on Saturday. After the reading of the minutes, Mr. H. C. Falconer, of the Western Theological Seminary, was introduced and proceeded to deliver a lecture on "The Use of Physical and Mental Philosophy to the Common School Teacher." The lecturer handled his subject with considerable ability, and proceeded to shew the absolute necessity for a knowledge on the part of teachers on the subject of Human Physiology. The ignorance whish exists, even among teachers, of them not even understanding the subject of ventilation even understanding the subject of Wental Philosophy and dast. The subject of Mental Philosophy and cant; the head of the Northern Copperhead, after having brought him into disparaging contrast with the comparatively noble robel, the hall resounded for some minutes with hall resounded for some minutes with hall resounded for some minutes with the latter cheer; after cheer; many of the audience.

respons the session was seen that the consideration of miscellaneous business.

The afternoon assion was spent in discussions, tending to improve and enlighten the leacher.

The Secal Oil Trade.

The Oil City Register contains the following review of the local oil trade:—"There has been a decided improvement in the feeling the past week, and prices ruled firm, with a slight advance. But until the tax question is fully settled we de not look for very heavy transactions. Teaming to the railroads has been active, and we are not aware of any consideration, and we are not aware of any consideration.

THEATRE.—Mr. Henderson has soncluded

done out that the neurs will be liked.

Geory for Funerary.—The February numsissedy decrease in the amount of the daily production. We should estimate the daily production of about 4,000 barrels."

1864. Confederacy. | 1864. PITTSBURGH GAZETTE. ESTABLISHED IN 1786.

TWO DAILY EDITIONS. | TWO WEEKLY EDITIONS. Morning and Evening. Wednesday and Saturday. THE PUBLISHERS desire to acknowledge the favor with which their efforts have peen growned, during the past year, and to ask still further efforts on behalf of the GAZETER, to the end that its sphere of influence may be extended.

It is the purpose of the publishers to

conder the Gazerre worthy of the liberal and increasing patronage which it is now receiving. They fatter themselves that efforts to this end, during the past few years, have not been unavailing, and point with pride and pleasure to the greatly increased circulation which the GAZETTE ans now attained, as evidence that their offorts have been appreciated by an intelligent public. During the approaching year the great

contest for the next Presidency will ocour; the circulation of a sound Union newspaper is the surest and most econom ical method of spreading truth and combating error; it is the most efficient an reliable campaign document. THE TELEGRAPHIC DEPARTMENT

Of the GAZETTE is now a subject of pride to the publishers. With a corps of en ergetic and talented Special Correspondents at the news centres of the day, they are, enabled to give, from day to day, reliable and copious dispatches, which are EXCLUSIVE TO THE GAZETTE, and place are EXCLUSIVE TO THE CARFFIX and pince it on a par with the most enterprising journals of the day, East or West. The same liberal outlay for early and reliable news by Telegraph will be continued, notwithstanding the war and the increased expense therefrom.

MILITARY CORRESPONDENCE, From the Army, by our own Special Correspondents, and from volunteer contributors, shall continue to be a preminent, and interesting feature.

THE COMMERCIAL DEPARTMENT Is conducted by one thoroughly qualified to furnish reliable reports of daily transactions, from actual sales. The quotations of Produce, Cattle, Flour, Groceries, Oils, de, may be rolled upon as the actual prices, from day to day, thus furnishing a most interesting and valuable feature for all classes of readers. No expense is spared in procuring Telegraphic quotations from abroad, in addition to home

reports. THE NEWS DEPARTMENT, During the continuance of the war, must necessarily absorb a good deal of the public attention, and will be made prominent feature of the GAZETTE.

THE EDITORIAL DEPARTMENT, Under the immediate control of the proi prictors, aided by an able corps of assist-ants, will be conducted in that honest ants, will be conducted in that hones carnest, open and candid manner which will commend itself to an intelligen will commend users we as public. The Gazerra is an independent Republican journal, bound to no clique, and controlled by no cubal. It will, in nextment of Ohle, to report to Gen. Foster in and controlled by no cabal. It will, it will, it will, it will, it will, it will it will it will it will be a made.

No demonstrations recently by rebel guerities editorial columns, discuss all public measure and public men, with that free measure and public men, with that free dom which is the prerogative of an untrammeled press—the palladium of a nation's freedom. The GAZETTE will, as heretofore, stand by and support, with what vigor it may, every effort of the President to subdue this gigantic and wicked rebellion, and to re-establish a preparate and an happarable page. To

permanent and an honorable peace.
this end it will strive to promote The Treasury Department is paying out largely to all the creditors of the Gevernment the 5 per cent. legal-tender nates.
