Bittsburgh Gazette. FRIDAY MORNING CITY AND SUBURBAN. SPOPFICIAL PAPER. 54 Interesting Services. The annual missionary demonstration of the Liberty Street M. E. Church, corner of Liberty and Hay streets, Rev. W. A. Davidson, pasture took place on Sunday, the 7th inst Prof. Misany, of Branstown, Ill., being in sermon at half-past ten o'clock. Immediately waited upon the congregation, and received a ptions and cash, the afterneon the Bunday School held its anniversary exercises, Mr. Edward Heazelton proreseared in contary, section and its anniverse that a supersection of the classes reported nearly seven building. The classes reported nearly seven building. The classes reported nearly seven building of the classes were constituted life-members of the Parents Missionary Society. Propositions were them timed to raise by subcription a sum to admonth in Africa a native boy, who at his basilism should be named Abraham Lincoln; one in India, to be called after the veteran superintendent of the School, Edward Heading and one in China, in honor of the parter of the shunch, Wm. A. Davidson. One hundred dollars was contributed for each, in hissest of one dollar, as fast as the name of the shared own. This funcased the contributions of the school to one thousand dollars. The brief but slopens a address of Prac. Titiany, like his sermon, was all that the meet singuine could dealer, and will long the sensition of the classes of Mr. W. F. Beiging, under the lead of Mr. W. F. Beiging, under the lead of Mr. W. F. Beiging, under the lead of Mr. W. F. Beiging, ander the lead of Mr. W. F. Beiging, ander the lead of Mr. W. F. Beiging, ander was over thirteen andered Robert McKight \$100 David Miller An Interesting Souvenir. which provides the control of the co We are glad to learn that he is improving.

ment.

A. Having ascartained the quotas of the sub-districts, obtain from the returns in the Acting Assistant Frowat Karshai General's office the number of volunteers furnished by each district from the draft to January 31,1564.

5. Deduct from the quota of each sub-district the number of Volunteers furnished securations. the remainder of the quote, after definiting the vol-uniters. This gives the quote of each sub-district on January 31, 1804, which must be determined and an-sounced at ence. It is a sub-district on the quote thus obtained all voluniteers who calls from any sub-district between February I and February 29, 1804. The singing, under the lead of Mr. W. J.
Besider, added very greatly to the "attent of
the escaled" The entry sum sacred morningend afternoon, was over thress and adverted to the State of the Markeller and injust, each of the Markeller and injust, each of the Markeller and injust, each of the Markeller and injust the markeller and injusted in the Markeller and injustified and in thought, to a full house. The native boy he brought from India to be adneated, as near deducted. The property of the congregation. Buch had been the liberality of the congregation in the souring and aftereous, that the pastor, whe had the general supervision, devoted the evening service to rating the assement on the sharpeof case kundred dollars for the support of the supersite to rating the assement on the sharpeof case kundred dollars for the support of the supersite that the substitution of the amount was secured in the sainteets, which has since been considerably arguinted. The congregation feels highly gratified at the results of the day, insamine as the contributions exceeded their most sanguins apportations. Banky Fund, Second Ward, Allegheny The following subscriptions to the bount; feed of the Second Ward, Allegheny, has 30 Total ..... made the recipient of a very valuable and interesting present by a few of his personal friends. The gift is a snuff-box of solid gold, sent by a few of his personal friends. The gift is a nutribux of solid gold, very large and massive, and finished in the finest style. It has a historic interest, however, far beyond its intrinsic value, having at one time belonged to the unfortunate Louis XVI, King of France, by whom it was presented to the late Father Magnier, for many years the respected paster of the Catholic congregation at Pittshurgh. On the lid is a well exceeded thisness of its royal donor, but, beyond this, there is nothing very ornamatal cabeat it. It is worth some \$500 perhaps, but in view of the associations and the dream-thinges under which he received it, the reverbinges under which he received it, the rever-The Fourth United Presbyterian Church of legheny City, on the corner of Beaver street ted to the service of Aimighty God on next tad to the service of Almighty God on next Rabbath, the Sist inst. There will be three services during the day. In the morning, at half past 10 o'clock, a sermon will be preached by the Rev. Charles A. Dickey, the pastor of the congregation; in the atternoon, at three o'clock, the Rev. J. T. McClure, of Wheeling, will preach and in the evaning, at 7 o'clock, the Rev. John T. Pressly, D. D., of Allegheny, will deliver the concluding discourse. A collection to go to the church fund will be taken up after each service. The public will be welcomed to sexts. THE COURSE OF SATURDAY NIGHT.—The PITABURGH and COMMITTEE Railroad, sold their sand liberative, will rule an arter train for the "accommodation of residents along their read, who wish to attend the grand concert of "Te Olden Time," which is to come of on Saturday night, at Concert Hall. The train will leave the depot immediately after the Concert, and will not be run on "Ye Olden Time Table." The train will run as far as Braddocks.

THE REPERLION RECORD, PART XL.—This monthly part of this most valuable Record of 

principals or substitutes, and the payment of commutations, so that those which failed to commutations, so that those which failed to do more now, and these which did not fail then, have less men those which did not fail then, have less men those which did not fail then, have less men to furnish now, whether in the character of the furnish now, and the b. January 31,1864.

5. Deduct from the quots of each sub-district the sunber of yourneers thus ascertained.

5. Determine in like manner the number of men soldier.

5. Determine in like manner the number of men sold on, or, furnished substitutes, and deduct that from the remainder of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, and the direct set of the quots, and the direct set of the quots, after deadning the set of the quots, after deadning the set of variety of the quots, after deadning the set of variety of the quots, and the direct set of the quots, and the direct the quota from any runy re, where received from Messre. of New York, a Democratic member of the Ways and Means Committee, President of the Board of Tirokers, and supposed to know something about finances and gold, followed Mr. Brooks, warmly defending the Treasury Department proposition, promouncing the bill precisely what was and declaring that it would which they began their tunnel. When the working party had got a considerable distance under ground it was found difficult to haul the dirt back by hand, a splittoon which had been Treasury Department proposition, pro-nouncing the bill precisely what was wanting, and declaring that it would urnished the officers in one of the rooms, was furnished the officers in one of the rooms, was made to serve the purpose of a cart, they had a string attached to it, and was run in the tra-nel and drawn eut, and the dirt deposited under straw. But after hard work and digbe the most effective thing that could be done to cheek gold speculation, and put down its fictitious price.

Mr. Garfield gave some statistics which

authoritatively dealed it.

Bernando Wood followed in a line of safe party supposed to dig prevailing belief is that the bill will pass both

The report of the Conference on conscription was presented to-day. The following is a fuller synopsis than that sent last night: Exfield or honorably discharged, and persons

against the railroad, last night, in the vicinity
of Shell Mound, being frightened by the ap-

perance of resistance, they ran away withgent doing anything.

Gen. Steadman has assumed command of a
port at Chntancoga.

Gov. Brown, of Georgis, has ordered all
the sast side of the Chatahootcha river, under
pain of having all their property confiscated.

Bergannt Strickler and private Henry Glady,
of Co. A, 25th Ohio, long confined in Libby
pelbon, came into our lines to-day. They were
daptured at Chickamanga, and ascaped while
being transferred from Richmond to Danvillia,
and have been there since the 14th of November, endeavoring to make their way
through the rebel lines. They have just
through Western North Carolina.

They report an intense Union feeling all
through Western North Carolina.

They report an intense Union feeling all
