BENEROTE EERIEESE I'VE ANTINASTI-T. H. ANTINAST MATT WAT A Sole of the States . " ANI 442 LOUNT. PROPOSALS. FOR SALE-FOR RENT. DROPOSALS FOR FORAGE. Chill QUARTERNASTER's OFFICE, the D.S. Quartern

Washington, D. C., Baitimero, Md., Atexanuras Au-fort Monroe, Va., or eithor of these places, with HAY, CORN, OAYS and STEAW. Bids will be received for the deluwing of 5,000 bush of corn or cats, and 40 tonr of hay or staw, and up wards. Bidders must staw at which of the above bame-rounds they request to make delustrate, and the rate there are gowned when an an environment of the a wave of the area officer or or and the area of the ar It cures CATARBE, and restores the Eyesight.

o be completed. The price must be written out in words on the bids. Corn to be put up in good stout sacks, of about two yashels each. Unta in like sacks, of about three yashels each. The sacks to be furnished without ex-ma charge to the Government. The hay and straw

in be securely lated. The particular kind or description of osts, corn hay, or straw proposed to be delivered, must be stated in the proposal. In the satisfies offered under the bids herein in rited will be subject to a rigid inspection by the Government Inspector, before being accepted. It penstrates to the very set of this terrible dis-esse, and exterminates (t, root and branch, forware, Dr. GOODALES is the first and only parson who ever told the world what Catarch really was-where it commenced-and what would cure, it. Over thirty years age, Dr. GOUDALE toldiy struck out from the fallscions theory, and mode of treatment of this is ablemin majady, as lid down in "Situadard Hedical Works" and teachings, is dis-cover its irus cause. Joseffity, and to device a perma-

All the stricted ordered many the black merel in-rited will be subject to a right inpection by the Government Impector, have in the black merel in-lower reproduct the strict inpection of the lower reproduct the strict inpection of the lower reproduct the strict inpection of the been delivered and accepted. The black will be required to accompany his pro-posed with a guaranty, signed by two responsible persons, that in case his bld is accompany his pro-posed with a guaranty, signed by two responsible for the same with good and emficient survite, in a sum equal to the amount of the contract, to deliver the forge proposed in conformity will all der should this divertisement, and in cast, they to make good the difference of the order of mal bidder and the difference of a U.S. District Atrumes, Collector of Contoms, or any other offices under the how this effect. All bidders will be doir notified of the scorptance of this states Government, or reposable person how this office. All bidders will be doir notified of the scorptance of the state Government, or forgenable person how to this office. All bidders will be doir notified of the scorptance or rejection of their proposal. "Standard Medical Works" and teachings, to dis over its frue cause, locality, and to devise a perma-nant cure for it. Entire surcess has crowned hi efforts and he has now spont a life time in batiling with this fill disease, exploring its secret am and making known to the worki the fact that Ga-tarrh, which has, for years, defied the skill and research of modical men and authors in this country

and in Europe, can now be curst, with the same uniform e-righty that morning follows night. Thomsands who have tried every known cure in vain

V Washington, D. O., Marob 41b, 1854. mb7:1 or them. I used to buy and take whatever I could hear of or read of in circulars and pemphists the full in my way, but Locald Eot get cured ; sometimes

they would do me some good for a little while, but (Successors to A. S. M. Horgan,)

Inty would do no buint guint a shad as war. afterwards they would rolump again as bad as war. I also applied to inv Dortors, who visited me at my house and gays me some malleline, but it would not doy I could not gaignil. Over a year ago I got an deverthemoust of your. Audday's filood Searchor, made by yourself. When you gold it to me you told DEALERS IN AND SHIPPERS OF

mano by journal. They journed at that my while to me oue both the would not cure me, and that my while jotran would have to be reneved by the medicine before I got will. Thought one both is and took it home with me, and used it according to your direc-tions. I then called to see you spale, when you add I could use strotef much benefit from one both. The bought it, one both at a time, mult I had used for the strote much benefit from one both. The bought it, one both at a time, mult I had used for the strote much benefit from the both I was satirely would of the Files, which had tertured me for it would read at a set and there is no sports for twenty years. In other respect my health is ini-proved, and I and as will as could be crowered for one of my age, being sity years past. I have been well now foreits months, and there is no sportsher of a return of the diseas. T can do my khad of farming work now without the Files coulding down and horting mas. Trave likeh hay, they would, fift, or do sult had if work which before used in hurt in. When I Kind out your Bloof Searcher I here in taking it until I got entitely would be number in y duty to make any test how you first one without in the first which got spitch you. T consider it my duty to make you have to may be multing as I was, and do not know the value of your making. Term me one bottle would not cure me, and that my whol
