Our Pinancial Situation. We recur to this subject again-not this time to present any views of our own or facts of our own gleaning, but to give the impresing correct opinions of the financial situa ion are not to be questioned. From the New York Commercial Advertiser, a most relieble paper in every way, we take the fol-

lowing paragraphs: It urges the imposition of higher duties imports in the following words:
We want, theo, higher dates for a double effect, and most important, to dimension and

Relative to the gold question it says:

"It is our day now to stabilish a tarif, such that henceforth we have come to expert sold, as that we may hereafter buy no more train foreign maleuer than west to them. Of this none with have a right to complaine. Hitherth cockons free how a stranged that we have begul for too much about pay for it. By restability and greatly to come the says of the same about the same and the s lelative to the gold question it savs:

excise duties than are now levied, we amo

"As respects excises on articles of home mirable suggestions from the Philadelphia

The writer asserts that "it is a maxim taxation has been most attentively studied to derive revenue from high taxes on a few important articles." In this respe the present law is defective, for it place low rates on a large list. Many fruitful and proper sources of revenue are not now

taxed at all.

"For forstance, why should not purchase and only of stocks be taxed 2. A day of one per continuous ery framaticion in atoks would entire, in the fit slone, an annual revenue of severa unitions. The is no doubt, too, that several branches of manyfatures can bear, without inconvenience, a considerable increase of the burden now half upon them Mannfacturers have made great fortune in the latwo years; they are protected against forden competition by a rariff which satisfare even the requirements of Mr. Morrill. When the rebellion is purchased with the satisfare opened to them it is the utmost power of their day in employed in the protection of the satisfare of the satisfared for some parts to come.

It has both proposed to increase the income tain. This is the most deagreeable of all duries, but if it to be inside at all there is no reason why at least the large incomes should not pay more than they dnow. The inxuries too, such as inquera wines.

11.

The cost of collecting taxes under the present law is next resorted to and a re-Bulletin further argues that the country is able to pay higher taxes. Money is plenty. Another argument: to levy heavy taxes would cure one of the great evils of the times, extravagance, begause men would then be

left to save the nation from bankrupicy. When our brothers are spiding their blood for the Union on a hundred battle fields.

resolutions on the above subject recentives by Hon. Thomas Williams, member of Congress from the 23d district of this

Resolved, That the existing rebellion be proclamation made by the Festivest 1 the Chicaproclamation made by the Festivest 2 the Chicaand in pursuance of the sufficient 2 the Chicamade in pursuance of the sufficient 2 the Chicamade year, interdicting all commercial interdourse
between their citizens and those of the logal butes is
the attitude of beiligetents, and outside of the Union
as States by construction of law as well as in point
of fact, and have thereby either addicated or forfeit
of their rights to membership therein, the juris
diction and powers of the Government over thet

Charge of the control of

Mentucier. It seems now that the opposition to the ticans of Kentucky now see that the Govthe burdens of this war, and they therefore content themselves with uttering curses upon the Administration and forming a population of the state open and was marked on the onvelope "Examined."

Dawville, March 5, 1864.

day of May next for the purpose of selecting thirty-two delegates to the National Convention to be held at Baltimore on the Tth day of June next, and for the purpose of nominating candidates for electors of President and Vice President of the United

The day of June next, and for the purpose of nominating candidates for electors of President and Vice President of the United States, and also for the purpose of nominating candidates for the offices of Governor, Lieutenant Governor, Secretary of State, Auditor of Public Accounts, Treasurer of State, Superintendent of Public Instruction and one member of Congress for the Sate at large.

"MISTAKEN LENGISKY."—Under this caption the Carlisle Herald siterly complains of the President's pardon of Isaac Firshel, who was found guilty of acting the part of a desepter and spy during Leg's raid into Pennsylvahia last summer, and sentenced to be hung on Friday hast. If all that the Herald says is true, and we can see no reason to doubt it, Fishel, who was pardoned upon the plea of insanity, which the Herald regards as entirely unfounded. It thinks the War Department and the President were imposed upon. Fishel, was a member of the Knights of the Golden Circle.

of the Golden Circle. ed, and will continue to be, not for the reservation of our Republican system, but for its subversion. Is the Post edited by dead men? It would seem so, if the above

dection in salaries is strongly urged. The pedition was purely Presidential in its purpose. Their Richmond allies have gone a trifle further, and find themselves able to announce that the whole war has become a Presidential campaign. Not Florida merely—that is hardly worth mentioning—but the recent movements in Mississippi and Georgia were decided up-n solely with reterence to the Presidency. The Richmond self humor. Samptinary laws are absent and mississimple and the successive process of the proof doubtless improve. The advance on Dalton had the same object with reference to Georgia; "it was a method of stumping the

for the Union on a hundred battle fields, why should not we contribute of our substance to sustain the same great cause?

Condition of the Rebel States.

We have received a contribute of the Rebel States.

We have received a contribute of the Rebel States. We have received a correct copy of the stand such work much longer. The desmolutions on the above subject recentification of the hand of Barranana dition did, it does not venture to give, nor dition did, it does not venture to give, nor has any Robel paper that we have yet seen printed them. They insist that Johnston drove Thomas back from Dalton, and that the vatiant legions of Polt dianomatised Sherman and forced him to retreat. But they were Pyrrhio victories. It is the conquerors who are the greatest suffererate North, says The Examine? may carry on such bloomes indefinitely. "It is not inter lands that are wasted, nor their hower that are robbed and barned down, nor their somen such children who are reassed." houses that are robbed and burned down, not their somenand-bildren who streamed and builted, started and turned our home-cess and naked on the world. Ou the contrary, it is the Confederates who suffer these calemities, and who seem to be sufficiently used of them They complain that re Visions are burned, and cities are sackprevisions are burded, and cities are sacked, and the land everywhere plundered and ravaged, and their, in fact, the Confederacy under such an unkind method of treatment, may be raid to be gone to the dogs. The Examiner omise to but the abvious question: If these are the direful results of campaigns purely political and Presidential, what is tikely to happen when we begin to make war in earnest.

It did not need these irritable admissions of the Bichmond press to prove that the war during the last six weeks, descendors as the selection of SDESTENCE.

of the Richmond press to prove that the ward during the last six weeks, desploy as it has been and checkered by undentable detents, has done great damage to the Rebellion materially, and perhaps not less morally, by exposing the defensive perhaps not less morally, by exposing the defensive perhaps not be should be sufficient of the surface of the relative perhaps not be sufficient of the surface of the surfa wave as or their military position. Dissatisfied as the country has reason to be with much that has been attempted, our very failures nevertheless show how strong waver, and how weak the consmy will prove against rightly directed attacks. We believe, as we have often said in a consent the rebel armies, and by no means in stragging expeditions for the conquest of cotton districts, yet it would be foolish to deny that the enemy themselves admit that their resources have brean weakened and their confidence to some extent impaired by every effort mede against them. Our prespects are surely not any worse than prospects are surely not any worse than NEW ADVERTISEMENTS. Can the rebels tentifully say the same? STOKE SHADES, They see, and conceines wrethfully con-They see, and sometimes wrathfully con-fess, that the imments preponderance of the North in numbers and wealth tells every consists of day more heavily against them; that thoughout of it confissed, the gainty by inbedility on our side and by obstinacy on theirs, the result is nevitable. Of course We don't want to wait for the mathematic

The following cheerful lotter from a private mollment of aleves in Kentucky has spent soldier, who was a prisonerio kichwood from A Lard lessan utary on the mixed of annullar the first of Outshall and I had been annullar the first of Outshall and I had been annullar the first of Outshall annu its force, and that the work of enrolling the first of October until about the first of Edan and drafting that unfortunate class will January, and since than at Danville, regular, proceed with as great rapidity as the Government shall direct. The pro-slave y policy of this city and of Armstrong county, will be read with January and who is well known to many of the people of this city and of Armstrong county, will be read with interest, as affording perhaps as ernment is in served in its determination to make their State bear its just proportion of make the mak

league with the Copperhead Peace party.

The GUTHRIES and PERTICES of Kentucky have all along boasted that they have beretofore filled their quota with white men.

Waiving the question whether Kentucky has ever filled her quota under any call, it is worth while to inquire who the white men.

The GUTHRIES and PERTICES of Kentucky has ever filled her quota under any call, it is worth while to inquire who the white aften were that volunteared to find the solution of the box, northe package of papers and envelopes.

is worth while to Inquire who the white of the White to Inquire who the white of the Union. A Kentucky correspondent of the Cincinnati Gazette shows beyond congroversy that the counties having the fewest slaves sent the most men into the Union armies, and not only most but nearly all the men; while the large slaveholding founties contributed more largely to the Rebel than the Union armies. There is the whole story of Kentucky loyalty! It thourishes only where there are the fewest slaves.
