AS TLOQUENT LETTER from Gov. CURT to the President of the Pittaburgh Subsi

To how many millions is this life a more seed to receive the President of the Pittsburgh Substrate with found in our loss columns this movening.

If THER are any of our readers who this that the teachings of Copperheadism do not not be hill side free from ange, and the thing of the president of the Pittsburgh Substrate who has the the teachings of Copperheadism do not not be hill side free from ange, all the training of the president of the Pittsburgh For had the unblushing and in the same of the angest of the president of the pittsburgh For had the unblushing and the leader of the robeling and the leaders of Abolitonian are elike gainty of our country a groubber—meaning the present war. Does the Few remarker that a distinguished leader of its own states of the present war. Another sewing woman receive for party—Alaxappe II. Sprayman, now Vice President of Jerry Pavit's Confederacy, and the abletion in January, 1801, frankly me in and shy refute the charge that the South had been good of ranned, or ranned, or ranned to receive for the abletion of the charge it is now so stately and are vomed with refute into or of the charge it is now so stately and are vomed with refute into or of the charge it is now so stately and are vomed with refute into or of the charge it is now so stately and are vomed with refute into or of the charge it is now so stately and are vomed with refute into or of the charge it is now so stately and are vomed with refute in the place of the world with the state of the world with t

moment what reason you can give that will seen ratify you selves in enhume moments—what reasons you can give to your fellow sufferers in the calamity that it will bring upon us? What reasons on you give to the nation of the earth to justify it? They will be the cale and deliberate judges in the case—and to what cause of one overt act can you have or point on which to rest the plea of justification? What right has the North assailed? What interest of the Sunth has been withhold? Can either of you to day name on Governmental act of wrong, deliberately and purposely done by the Government at Washington, of which the South has a right to complate? I challenge the answer where it washington, of which the South has a right to complate? I challenge the answer where it washington, of which the South has a right to complate? I challenge the answer where it washington of which the South has a right to complate? I challenge the answer where it washington of which we have lived for more than three quarters of sentury—in which we have gained our wealth our standing as a nation, our denseties after the self-th and indifference and heard teapring of the complate of the cale of the complate of the cale such a Government as this, under while a continuous than three quarters of a century—in which we have gained our wealth, our standing as a nation, our domestic safery—while the elements of peril are around us, with peace and tratiquity accompanied with unbounded prosperity and rights unassailed—is the hight of manners, tolly, and wicked ners, to which I can neither lend my sanction have my value."

bave lived for more than three quarters of enterty—in which we have gained our wealth our standing as a nation, our domestic native—while the elements of partial are around us with peace and tranquitty accompanied with nabounded property and rights unascaled—is the hight of manners, to when I can untite lead my sanction nor my rote.

The Post, he ever, is not satisfied with one misrepresentation, but in the same article prints half a decen observe, one of which reads thus: "Abolitionism prevented a settlement of our troubles by the Peace Convention which assembled in Washington three years ago." As this charge may be repeated during the campaign, we here take the opportunity to nall it to the counter as base coin:—

The Peace Conference, which met in February, 1891, appointed a Committee on Propositions and Resolutions, which in detime reported a proposed amendment to the Constitution, embodied in a new article of seven sections, to be called the thirteenth. This stricle was so wholly in the interest of the Convention, upon consultation, proposed a substitute in the Republican members of the Convention, upon consultation, proposed a substitution the Republican members of the Convention recognized and deployed the divisions and distractions of the contrary, but denied that any existing alternations or dissensions justified—rovolution, of were such as could not be overcome by the country, but denied that any existing alternations or dissensions justified—rovolution, of were such as could not be overcome by the country, but denied that any existing alternations or dissensions justified—rovolution, of were such as could not be overcome by the country, but denied that any existing alternations or dissensions and distractions of the convention recognized and deployed the divisions and distractions of the convention recognized as a proposed a substitute in the Form of a preamble and resolutions. The preamble declared that the Convention recognized and deployed the divisions and distractions of the convention recognize or were such as could not be overcome by the riotism honor and interest of the country: that the Constitution, expressing the combined wisdom of the founders of the Commined wisdom of the following still adequate to every emergency, and entitled to the support of every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizen; that if, however, any continued with the following still adequate to every good citizens; the foll Market (1921) are easily of the control of the cont portion of the people believed that they ought to have their rights more exactly de-
