## The Government and the Banks.

On Monday evening of last week the Chi

ago Board of Trade adopted the following

A committee of prominent members was

appointed "to confer with the merchants and

## Pittsburgh Gazette. MONDAY MOBNING

resolutions: Resolved, That on and after the 1st inst. all transactions by members of this Board shall be for United States legal tonder notes, and national hank notes, or their equivalent. Resolved, That this Board hereby request the banks of the city to ald them in this ef-fort to make treasury and national bank notes the basis of all money transactions, and that we patronise the banks that adopt the rule. A committee of prominent members was Union State Convention. The byla men of Penning Yank, comprising the Rational Usion party, will most injected to the Rational Usion party, will most injected the same represen-tations; on Thursday, April 28(1), 1864. Takin district will be catilled to the same represen-value and the same in the State Legislature, and the falterates will be cost at and times and in same the falterates will be cost at and times and in same the same times and tits and times and times and times and times and times and delegates will be chosen at such times and in such manner as shall be directed by the respective county

bankers in relation to the substitution of national currency in place of the miscel-The State Convention is called for the purpose of Ine make Convenion is cannot in the private of placing in monination an Electoral Ticket, selection delegates at large to the Mational Convention of the Usion party, to be held at Baltimore on the 7th June mart, and taking such action as it may doem proper to action as other surportions Presidential Convenlancous currency with which the country is flooded, and that the committee report on Monday evening next"-this evening. A late editorial in the N.Y. Tribune, upon the kindred subjects of "Banking and Finext, and taking such action as it may deem prop. In reference to the approaching Freakdoniiat canvas. The selection of the district delegates from Penn The selection of the district energies in variants sylvania to the National Governion is left, where it properly belongs, to the people assembled in their county conventions; but the different county com-mittees are sensely requested to adopt such meas-ners as will secure a full attendance at their respect-tions of the secure a full attendance at their respect-systema to here some the people essembled in their property belongs, to the people essembled in their property belongs, to the people essembled in their property conventions, but the different county conventions, and thereby sectors, in the choicer at the sum of the suppression of all bank notes i for conventions, and thereby sectors, in the choicer at the sum of the suppression of all bank notes i for conventions, and thereby sectors, in the choicer at the sum of the suppression of all bank notes i for conventions, and thereby sectors, in the choicer at the sum of the sector there and on the reach ment and the super sum of the deverament. The State hanks of our city would to day rote to abolih, all bank notes i banks introughout the country. Those which are mare suction pumps, for borrowing the states in a for a growing and the suppression. The section is the sum of the forearts provide the sector the sector the sector with the set thing it to provide with the set thing it to provide in the reduct of the forearts. The sector is and the ballst.
Great Speech by Gen. Rousseau. We have already adverted to the improvide thing are drawned to the sector with a set thing and the strongest and eight is the set thing to do to day it to provide by lew for a growing and and through with drawned the strongs of the constry. Those will be thing are drawn at the sum of an early and the strongest and eight it is the set thing it to be and the strong the set the set thing it to provide by lew for a growing and the strongest and eight it is the set thing to do to day it to provide by lew for a growing and the strongest and the set the set thing the set thing to do to day it to provide by lew for a growing and the strongest and the set of the day of the set things of the day and the set of the day it to provide by lew for a growing and the set of the day of the d

The proceedings of the Chicago Board o of Congress and the Federal Executive at defiance has reacted strongly in favor of Trade constitute an important fact, while Latent or in- the Tribune is at least, as all know, a supporting the Government. active Unionism in Kentucky is cropping close observer. What the former has don out everywhere. The first men in the and the latter suggests we believe to be the State are taking the stump in favor of sus and the latter suggests we bound to be tak only true policy in the present emergency, and for the following reasons: We have affoat too much paper money, making war upon the rebels by every loimaking war upon the redule by over its man and banking associations all GLAT SMITH at Lexington, and that of BOD-were J. BRECKINATOR at Danville, have a wholesome condition of the money This Bank is now fully organized and is recom-CLAT SMITH at Lexibgion, and that of the set of the money FRT J. BERCHINGTOR & Darville, have a wholesome condition of the money here J. BERCHINGTOR & Darville, have a wholesome condition of the money here J. BERCHINGTOR & Darville, the set outlo address delivered at Shelbyville, Tenni, on the 2d inst. by Gen. Bousseau, a distin guished shd gallant Kentuckian. The set desage is now here to contraction, but desage is a true, was not delivered to Ken-every where to expansion. At the begin-desage is a true, was not delivered to Ken-desage is a true is inckians, but it was called forth by the re- ning of the war, as we learn from compethe stand out it was called them by wells in the war, as we learn non competent occurrences in that State, and will be tent anthority, the banks in the Northern extensively read throughout its borders. States had about one hundred and fifty It was listened to, as the Nashville Times millions incirculation; now they have more says, by citizens of Franklin, Marshall, than four hundred millions. It this process Cannon and Bedford counties, and many is to go on, or even if it stops where it is, gentlemen of Davidson and Inncoln and there will be after while such a toppling other counties were also present. We take and overturning-such an uprooting of a faw extracts from his remarks. They are confidence-as this Country has not seen significant as coming from a Kentucky Mafor a quarter of a century. As a matter of for General whose prejudices were for a fact, confidence is beginning to wane al long time against any interference with ready, for everywhere the people demand greenbacks and national currency in prefelayery, and especially against making sol-

diers of negroes. Hear him now : diers of negroes. Hear him now: ""As a Southern man," the General said, "I have always been opposed to political Aboli-tionism, yet I cannet avert the fact that slar-ery is the sole eaue of all our troubles." "Thois who brought on the war," he said, "insidionaly took advantage of our political differences, and forced us to fight spainst each other when there was nothing to fight about." The General and that he was a man of pre-indices, but still a man of jadgment. He went into the war with strong projudices, and, as time rolled on, his jadgment still kapt him above his prejudices. As a Southeru man, without a drop of Northern blood in hisveine, naturally he had many prejudices. And
