done quickly. The Virtue of a Moneyliable. "If this mallon could but it trans it is carried step or rule—return to the pleasant, percentle days of a Wysars agn—very man, woman and child in the My years agn—very man, woman and child in the date on the could be happy. Met host term not debter up to determine the could be particular and whilst every one would be particular particulars would be universed. C.——Practicipham

*There is great virtue in any?" If Adam
had not eaten of the apple, there might have
been no sin in the world. If this nation had
not become dismissed by the House of Lords, (that
not been dismissed by the House of Lords, (that
larger, the rebellion would never have
been if the Southern people had not been
ground that the special code manufactured,
at the instance of the anid Chief Baron, to
seven of their seceding from the Union, the
Demogratic party of the North would resist

Chamber, was informally and improperly
all attempts at cocroion, the war would
still have been impossible. Without that
escouragement, the South would have
shrank from undertaking it.

Tes, there is virtue in anif. If therebels
confronted to-day a united North, brare as
they introduced to they correspondent of the Nov York
to A present of the source of the series of the source of the

onfronted to-day a united North, brave as they are, they would see the hopelessnes of further resistance, and they would give up the contest. But there's the rub. The North is not united, and the war must go on. We have a great party in our midst which holdly proclaims itself in favor of recognizing the independence of the "Confederates," as that party persists in politely styling the murderers of thousands and thou sands of our neighbors and friends. If day of the previous week. this party-if the Philadelphia Age and kindred sheets could only learn to love country above party-if they could learn to love liberty and hate slavery—the day would soon come when every vil

THE ATLANTIC MONTHLY for May contains more Convention. It says in conclusion: of new and beautiful type. Glad to make "The popular voice designates him as the man of the time and the occasion, and the action of the Convention will be nothing beyoud a formal process, that shall give regu-

is too strong to be dealed, and which will be found of irresistible force." THE WAR DENOCEATS .- A conference of War Democrats.—A conference of War Democrats of the State of New York propess to undertake a grand invasion of the State at Albany on Thursday evening the North this Spring is recruiting. The last, at which arrangements were made for the more effectual organization of that wing of the Union party. The proceedings were not public; but it is understood that a swell our ranks. The Copperheads are excluding themselves, (as in Coles Co. Ill., for instance) preparatory to callst when comprising the names of leading War

aut letter written by Major General W. T. SHERMAN, commanding Department of the Mississteph, to his Adjutant General at Huntaville, Alabama. It relates entirely to the treatment the inhabitants of the South should receive from our military commanders, and is a clear, lawyerlike and endired.

should receive from our military commanders, and is a clear, lawyerlike and soldier-like review of the historical, military and plitical aspects of the question. Because f its intrinsic value as containing an inte ligent examination of the most difficulroblem of the war yet remaining to be solved, as well as because it is the atte ance of a general who stands next in position to Gen. GRANT himself, we give a comprehensive extract from the letter. After referring to some historical precedents, the

in the war which now prevails in or land it casanitally a war of races. In or Southern people entered into a clear compact of for-omment, but still maintained a species of separate interests, history and prejudices. These latter became atronger, till they have led to a war, which has developed the fruits of the bitterest kind. We of the North are, beyond all question, right in our lawful cause, but we are not bound to ighore the fact, that the needs of the South have prejudices, which

The series of battes in tonitains nas remited in a complete victory for the Union army under Generals Bases and Series. See next page for full and indirecting particulars of the last day's fighting.

Condition of Bases Tennessen. Some works ago an association of general manner of the last day's fighting.

Condition of Bases Tennessen. Some works ago an association of general manner of the last day's fighting to the relief of the suffering inhabitants of East Tennessen. Odminiscours representing that association at once visited Knoz-ville with applies for the condition of the same of the condition of the conditi

to them their slaves any more than their deed grandfathers. Next year their lands will be taken, for in war we can take them, and right-fully, too, and in another year they may beg in vain for their lives. A people who will persovere in war beyond a certain limit, ought to know the censequences. Many, many people, with less pertenacity than the South, have been wined out of national existence.

My own belief is, that even now the non-slaveholding classes of the South are allesting from their susceints in war. Already I hear crimination. Those who have property left, should take warning in time. I hear crimination. Those who have left, should take warning in time.

The Last of the Alexandra. Tablish us, and whilst every one would be particular to appeal against the decision which particularly concern latter of the case of the Alexandra, on the confessedly illegal direction of Chief and the case of the case of the Alexandra, on the confessedly illegal direction of Chief and the case of the case of the Alexandra, on the confessedly illegal direction of Chief and the case of th

It has been alleged that one object of Gen.

Is Banks' expedition into the Red River country was the soizure of large quantities of cotton. A correspondent of the New York Eccainy Post, writing from Alexandria, under date of April 5th, says that most of the cotton in Western Louisiana has been burned by Dick Taylor and other rebel leaders. And the Natchez Cowier of April 12th learns from reliable authority that 12th learns from reliable author
