MONDAY MORNING.....MAY 2, 1864.

COMMERCIAL RECORD

PITTSBURGH MARKETS.

[Reported Expressly For the Pittsburgh Gazette.]

SATURDAY, April 30.

GRAIN—Wheat is in light supply and very firm, but there is none of any consequence in market. Red from store would command $1,50a1,55 and White $1,65a1,70. Corn is steady, with sales of Ear from store at $1,20; sales of 200 bush shelled at $1,35. Oats firm and in light supply; sales of 400 bush from store at 93. Nothing doing in Rye or Barley.

PROVISIONS—Firm with a fair jobbing demand at former quotations. We quote at 12½a13 for Shoulders; 13¾a16 for Ribbed sides; 15a15½ for clear do; 17 for Plain Hams; 18a19 for Plain Sugar Cured and Smith for Canvassed do.; Sals to the trade of 500 pieces of Plain Hams at 17.—Lard is firm at 14½ for prime city rendered in tierces. Small sales of Kress Park at $25a27 per bbl, and Mess Beef at $16a16,50.

GROCERIES—There is a moderate local demand for Sugar, and we note small sales at 11 for 14 for Cuba; 18 to 20 for New Orleans; and 26a27 for Crushed. Coffee is steady with sales to a fair extent at 46¾a47½. Molasses firm with small sales at former quotations. Rice may be quoted firm at 11a11¼.

SEEDS—The demand for flax continues pretty active, and the market is quiet but firm, with small sales from store at $7 for Extra and $7,75a8,25 for Extra Family—mostly at $8,00—Clover Seed is selling at $5,50 @ bbl for Yellow and $6 for White.

FISH—Firm and a shade higher; sales of Mackerel at $16a18,25 for No 2 Medium and $12,75a13 for No 3 Large. Lake Herring have advanced to $6 0a6,25 @ half bbl; and $9 00 for White Fish; Trout—$6,75a7,00—In brine—supply to demand is fully equal to it. We quote at $4,25 to $1,50 @ bush; and $4 per bbl. Sale of 140 bbls "Peach Blows" at $4,00 @ bbl.

BUTTER & EGGS—The demand for Butter continues light and the market continues dull though prices are nominally unchanged, ranging from 28 to 30—mostly at 29a30. Eggs dull and nominal at 16c @ dozen.

LARD OIL—Sale of 20 bbls No 1 at $1,15 @ gallon.

HAY—In less active but without quotable change. Sales of bal dat $38a40 and loose at $40a45

DRIED FRUIT—Firm, with sales of Apples at 10a11c @ lb; and Peaches at 19a20.

Pittsburgh Petroleum Market.

April 30.—As compared with Friday, the market was less active, but there was a fair amount of business done for Saturday, which is usually the dullest day of the week. The general sales of crude continue some 1500 bbls, at 23 in bulk; 28 in bbls on the spot, and 28¼a29½c in bonded cars. There is a slight improvement in the receipts, and the supply, although not extraordinarily large, is fully equal to the demand. There is a continued fair demand for Refined on the spot, as well as for future delivery.

Evidently the latter—but the extreme views of holders has a tendency to retard its issue. We note sales of 600 bbls, in bond, on the spot, at 50; 55 bbls, "Iron City" brand, free of gauge, at 55; 1000 bbls "Empire" at same time, figure, Mapths is less active, but very firm: nevertheless. Buyers are offering 30, while holders are asking from 32 to 35. Residuum is nominal—for but little appears to be but little, if any, in the market. It would sell quick at 24,00 per bbl.

The receipts during the Twenty-four hours ending this evening comprise 2,319 bbls, as follows: R. Ashworth 331; Stricker & Baxter, 222; J. Gallagher, 31; Fisher & Bro., 65; W. McKelvy 1200 3B-chardson, Hartley & Co. 150; Peacock, Ball & Co., 105; D. S. Duncan, 223,—total 2,319 bbls.

New York Petroleum Market.

Special Dispatch to the Pittsburgh Gazette.

NEW YORK, April 30.

The market for Crude continues dull, and prices are nominally unchanged, ranging from 37 to 39. Refined, in bond, is immoderate, and firm, with sales at 56, on the spot, and 60 for May. Free Oil is dull but prices are unchanged, sales at 63 on the spot and 67½ for May delivery. There is no change in Naphtha and the nominal quotations for refined are 70a72.

Review of the New York Grocery Market.

(From the Shipping List, April 30.)

Coffee—There has been more doing since our last than for some time past and the market having become more settled since the passage of the new Tariff Act, we advance our notation to conform as near as may be to present valuations. Holders still entertain extreme views, and the market closes firmly—the estimated Duty for about 6¼ cents @ lb. Sales include 6000 bags Rio, per VESTA, 1; arrive here, previous to our last, 2500 do per LAFAYETTE, 1237 do per BRAZIL, both resales, 1464 do per AMAZON, all at Baltimore, on terms not transpired; 2000 do, ex-ex per MERCURIE, 65½ cash, on speculation; 240 Bahia, 44; 100 mats Java, 36½; 45 West Coast Ta, 45, 1120 Laguayra, 41a45½; 1500 do, in Philadelphia, resale, 45, 4 mos; and 250 Rio Domingo, 37a 41, 60% 4 mos.

Sugar—The sugar market was much depressed on Wednesday and Thursday, and on the latter day there was very little done, prices of Raw falling off about ½ half a cent @ lb., but yesterday, on the final opening of the new Tariff Act, by which the Duties are largely increased, there was a renewal of confidence and firmness on the part of holders, and the decline above noted was fully recovered, so that our notations now stand even a little higher than on Tuesday last. The arrivals are to a fair extent again, and the stock is rather increasing, being now about 28,000 hhds, &c. Refined is a little higher than on Tuesday, and we now quote other than Stearn, who are not offering at present—Hard, 25¾ cents; Soft White, 23a24; and Yellow, 19a22, cash. The sales of Raw are 1754 hhds Cuba at 12½a13 cents; 100 Clarified do 12; 478 Porto Rico, 17¾a18; 67 hhds and 2 bbls do, 16, in bond (cash); 94 do at 60 bbls Barbadoes, 16; 90 hhds New Orleans, 11¾a15¾; and 904 bxs Havana, 13¼a13, 4 mos. By auction, 500 bxs damaged Havana sold at 13a13 cents, cash.

Molasses—Pending the passage of the new Tariff Act, the markets for this article was dull; price a fav'ring buyer, but since it became a law there is more firmness and a recovery in prices to about those current on Tuesday last, closing firmly with a steady good demand for home use. The sales are 1174 hhds and 30 tcs Porto Rico at 30a100 cents; 100 hhds Barbadoes, 65; 300 hhds, 128 tcs, and 58 bbls Cuba Muscovado, 74a92; 22 hhds old crop 40, 70, 207 bbls New Orleans, 85a110; 50 old crop do, 55, 4 mos, and 210 bbls at 75 for Centrifugal Cuba on terms not made public By auction, 326 hhds Porto Rico sold at 82a87 cents; and 220 bbls New Orleans, 90a 97½ c mos.

The Tax on Whisky.

[From the Cincinnati Price Current, 27th.]

The bill now before Congress taxes all whisky distilled after the first of next month, one dollar per gallon, but does not tax the stock on hand The indications are that the rate will not be less than this, but may be more. It ought to be more. Good there should be no sliding scale. If a tax was placed on the stock on hand, so as to put distillers and speculators on an equal footing, their distillation would go on, the Government would receive a revenue from the consumption before the bill now stands, none of consequence will be derived from it for six or nine months, as there is now six to nine months' supply on hand.

As it is, however, Congress has made rapid progress toward getting a correct business perception of taxation, there is ample room for further progress in this direction. We will simply suggest that does not require much logical skill to perceive that there could be no injustice or hardship in taxing the whisky in the hands of speculators 400 per gallon, in case this bill should add to the tax on distillers; or new bill say, in order to make allowances for anticipated profits, reduce the tax on the stock in the hands of speculators to 20c Independent formations have been made out of this whisky speculation, by numerous parties, already. We heard a day or two ago of a house in Louisville which cleared over half a million of dollars within the last six months.

New York Wool Market.

APRIL 30.—The market for Domestic has been characterized by increased buoyancy and activity, resulting for part from the action of Congress with regard to the Tariff, and large purchases have been effected chiefly on speculation. The stock has become materially reduced by recent heavy transactions, and the sellers are universally conceded to be far below the average, yet all grades may be quoted fully 2a3 cents per pound dearer than the early part of the week. The effect of Congressional action has been so fully anticipated in some cases, that prices have reached their extreme limit, and would "slaye" down on a willing to venture—hence the comparative quiet in this description. Sales 600,000 lbs. Domestic Fleece, at Tradesmens, mostly at 74a80; 250,000 lbs. pulled do,65a80c for No. 1, and 72a80c for Super, and Extra—leaving very little Super, at 82a84 cents; 25,000 lbs. Canada, 72a80; 150,000 California, 35a75c, for inferior, and 42½a50 for medium to fine light combing (including 131 bales at the latter price, misprinted in our last as Capet); 100,350 bales Cape, 42a48, including a small parcel at 50; 100 bales, 3 bls; 150 do Egypt, about 40; 150 do, "Bands Oriental," 60; 220 do, Donskoi, 55a75½; 100 do Chilian Mestizo, 33; 15,000 lbs. Upwashed African, 23; 3000 do, Mexican, 42; 7000 do Cape, 40a45; 30 bales, 13 Pulu like Extra, 55a5 22 do East Indian, 40 do Floret, and 20,000 lbs. White Spanish, on terms we did not learn.

Philadelphia Grocery Market.

(From the Gazette April 30th.)

COFFEE—The market is firm and very active, and holders are asking a further advance to-day and are not disposed to sell at any extent. Sales of 2,000 bags are reported from first and second hands at 45c for Rio and 45¼a45½c for Laguayra, cash and on time, but there are now refused and it cannot be had at the latter just in hand yet not offered.

SUGAR—The market is excited and quiet, buyers are willing to pay more than sellers will accept. Sales of 1000 hhds at 12¼a12¾c, on the usual terms, which rates are now refused.

MOLASSES—The market has been excited and on the advance, and further sales of Cuba and New Orleans are reported at very full rates, including about 600 hhds. of the former, mostly at 72a75c for clayed, on time.

FISH—Light sales and on the advance, with a limited stock of Mackerel offering, and no wharf sales have come under our notice. More prices range at $18,50a19 for No 1; $15a15 for medium and large No 2; and $13a14 for No 3. Pickled Herring sell as wanted and $5¼a5½ for Scaled and Labrador, and Dry at $5 and $7 for Kenport and Labrador, and Dry Cod at $6½ and 6½ the 100 lbs.

Chicago Highwine Market.

APRIL 29.—The market for Highwines suffered a decline on yesterday's prices of 1½a2c per gallon, with sales 2,000 bbls at $1,08a1,10. Early in the morning a few lots were sold to parties who did not understand the Washington dispatches, at $1,12a1,15; but on the wires "shorn sellers." Private dispatches from New York indicated the market there to be $1,10. and it was thought that when the regular Board of Trade dispatches were read, that the market here would break completely down; but when it was positively announced that the New Tariff, in market was "cancelled" announcement that the new Tariff in no effect whatever, and the market closed as it opened, at $1,10.

Philadelphia Seed Market.

APRIL 29.—There is very little movement in the market, the season being over, and Clover seed quoted at $7a7,50 per bushel, and but little offering of Timothy—Timothy is steady, with sales of 200 bushels at $3,12a2,87½, and Flaxseed at $3,37a3,50 per bushel. An invoice of Calcutta Linseed to arrive per bark [illegible]
