Allegheny City Councils.

The regular monthly meeting of the Allegheny City Councils was held on Thursday evening, May 5th, in the new City Hall.

In Common Council—Present: Messrs. Benney, Brown, Caughey, Dill, Dunlap, Faulkner, Gordon, Hanna, Hexadorn, McDonald, McNeal, Patterson, Schlieper, and President McBrier.

The minutes of last meeting were read and approved.

Mr. Hanna presented a petition from citizens of the First Ward, asking to have a fire plug placed on Marshall street. Referred to Committee on Water.

Mr. Hanna presented a memorial from residents on Craig street, requesting to have that portion of the street, between Robinson and Kilbuck streets, paved. Referred to Committee on Streets.

The resignation of Joseph McCormick as Board Measurer for the Fourth Ward, was read and accepted.

Mr. Benney submitted the report of the Committee on Engines. The committee state that in their last report they had presented a communication from the Columbia Hook and Ladder Co., proposing to keep up their organization if Councils would agree to give them five hundred feet of new hose, and appropriate for their use $500 per annum. As Councils did not see proper to accept the proposition, the company now propose to sell to the city the whole running apparatus belonging to them for the sum of $700. The Committee recommend Councils to accept the latter proposition, and place the same under the control of a company similar to those already organized in the First, Second and Third Wards.

The committee also offered a resolution authorising the payment of sundry bills, including the salaries of the firemen for the quarter ending April 1st, amounting in the aggregate to $435 19.

The report was read and accepted. The resolution in regard to purchasing the Hook and Ladder Machine from the Columbia Hose Co., was referred to a special committee to report at next meeting.

Mr. Benney offered the following resolution:

Resolved, That the Committee on Engines be instructed to purchase a pair of horses for the use of the new steamer General Grant. Adopted.

Mr. Dunlap, from the Committee on Markets, presented the reports of the Weighmasters for the month of April, as follows:

Wm Scantcrott, Diamond Scales	$60,45
W. F. Anderson, 21 Ward Scales	$152 65
Total.	$213,10

Report accepted and resolution adopted.

The resignation of Mr. William Scandrett, as Weighmaster of the Diamond Weigh Scales, was presented and accepted.

Mr. Hexadorn offered the following resolution:

Resolved, That the steamer General Grant be located in the Third Ward engine-house, and the steamer Hope in the First Ward engine-house. Laid on the table.

Mr. Dill offered the following:

Resolved, That the Treasurer of the city be hereby required to report forthwith to the Councils the amount of outstanding bonds against the city, at six per cent., and also the amount outstanding at four per cent.

The yeas and nays being called on a motion to lay on the table, resulted in nine yeas to five nays.

Mr. Dill offered the following:

Resolved, That the Treasurer of the city be required to report to this Councils the amount of money paid out of the City Treasury for interest in the year 1863. Laid on the table.

Mr. McDonald offered the following resolution:

Resolved, That the Commissioners on Diamond Improvement be requested to report to Councils by what authority they are making changes in the middle room of City Hall. Adopted. [The resolution alluded to the erection of a gallery in the public Hall.]

Mr. McDonald offered the following, which was adopted:

Resolved, That the Market Committee be authorized to appoint a Weighmaster for the Diamond Scales, to fill the vacancy occasioned by the resignation of Wm. Scandrett, who will act until the next meeting of Councils. Not acted on.

On motion adjourned.

In Select Council.—Present—Messrs. Atwell, Francis, Hopkins, Irwin, Kirkpatrick, Knox, Riddle, Wright and President Marshall.

The minutes of the previous meeting were read and approved.

Mr. Kirkpatrick presented a petition from several citizens of the Second ward, asking for the extension of water pipes on Monterey avenue. Read and referred to Water Committee with power to act.

Mr. Hopkins, a petition from Messrs. J. B. and S. Maxwell & Co., asking permission to open and construct a sewer along the north side of Jackson street. Read and referred to Street Committee with power to act.

Mr. Knox, a remonstrance from citizens against the hauling of bituminous coal in the locomotives on the Fort Wayne Railroad. Read, and the Mayor directed to enforce the city ordinance in relation to the matter.

Also, a petition from James Keno, setting forth that he was about establishing a coal yard at the intersection of Fremont street and Ohio lane, and asking the privilege of laying a side track across said lane, so as to enable him to reach the yard with coal cars. Read and referred to Committee on Streets.

Mr. Kirkpatrick submitted the report of the Committee on Streets. In relation to a resolution, adopted at the last meeting of Councils, instructing the committee to examine and report the amount which would be necessary to repair Fremont street and a portion of Ohio Lane, the report says:—"Your committee, after a careful examination, believe that it would require an expenditure of from $1,000 to $1,200 to make the necessary repairs, and then therefore of the public would be only temporary. In the opinion of your committee it would be a mere waste of money to attempt any kind of improvement except a permanent one, and we therefore offer an ordinance for the grading and paving of Fremont street, from Ohio Lane to Pasture Lane."

The committee also state that it will be necessary, in order to make the improvement permanent, to construct a sewer along Fremont street, from or near the intersection of Jackson street to the south side of Ohio Lane and they offer a resolution to that effect. In reference to Ohio Lane, the report states that an ordinance has been already adopted, authorizing its grading and paving. The committee also refer to the condition of Irwin avenue, from Western avenue to Shannopin street, and recommend the offer of a resolution for the construction of a sewer connecting at the culvert on the West Common and running thence northwardly to the railroad, a distance of 700 feet. The committee also submit an ordinance for the grading and paving of Graham's alley, between Palo Alto and Webster streets, Second ward.

Report read and accepted. The ordinance for the grading and paving of Fremont street was lost. The resolution for the construction of a sewer on Irwin's avenue was adopted. The ordinance in relation to the grading and paving of Graham's alley was read three times and passed. C. C. concur in said ordinance authorizing grade of Fremont street be adopted. S. C. non-concur. C. C. adhere and ask for Committee of Conference. Committee report in favor of action of C. C. S. C. non-concur.

Mr. Knox called up the ordinance for the better organization of the police force, which was laid over under the rules at last meeting. The ordinance was amended by reducing the number of night police from sixteen to twelve. The question recurring on the third reading and final passage of the ordinance, it was lost by a tie vote.

On motion the vote was re-considered, and after being amended so as to limit the number of day police to five and the night police to twelve, the ordinance was finally passed. C. C. concurred.

Mr. Wright presented the report of the Committee on Water, together with a number of bills for work and material furnished the Water Works, which the Committee have examined and recommend their payment. The report concludes as follows: "By permission of Councils, the Committee have purchased a number of Water Meters, of which several have already been set, and appear to work very advantageously for the revenue of the city water works. The committee find that a law regulating the manner of setting them and collecting the revenue arising therefrom must be passed, and in connection with this report offer an ordinance for your consideration, and would respectfully urge its adoption."

Report accepted and resolutions read three times and passed.

Mr. Kirkpatrick offered the following:

Resolved, By the Select and Common Councils of the city of Allegheny, that the Mayor of said city be and he is hereby authorized, acting under instructions of the Water Commissioners, to execute such bonds, secured by mortgage upon the property purchased, as may be necessary to secure the unpaid purchase money of ground situate in the borough of Duquesne, recently purchased by the city for water purposes.

Read and adopted.

Mr. Wright, from the Market House Commissioners, offered the following:

Resolved, That the Mayor be and he is hereby authorized to draw his warrant on the City Treasurer for the sum of $50, in favor of Wm. Walker, Esq., Chairman of Board of Commissioners, to pay for two hundred photographs of the old Town Hall.

Read three times and passed.

Mr. Wright presented the reports of the viewers appointed to view and assess the damages and benefits arising from the opening of Allegheny avenue, Bidwell street, and also a street to be known as a continuation of Allegheny avenue. Accompanying the reports were resolutions approving of the awards made by the viewers, and directing the clerks of Councils to certify the same to the City Solicitor to be filed in the District Court.

Reports accepted and resolution adopted.

Mr. Francis offered the following, which was adopted:

Resolved, That the Street Commissioner be instructed to notify the Pennsylvania Railroad Co. to have the wall and abutment at East Lane bridge repaired immediately, providing they are liable; provided, also, that if the city is liable, that the Street Commissioner be instructed to have such repairs made.

General Conference M. E. Church.

THIRD DAY.

Conference convened at the usual hour, Bishop Baker in the Chair.

After the journal was approved, quite a number of petitions and memorials were presented, in favor of lay delegation, extension of the term of pastoral service, &c.

The Committee on Boundaries reported that they have elected Rev. Dr. Tippett, of East Baltimore, for their Chairman, and Rev. Dr. Crary, of Minnesota, for Secretary. The Committee on Slavery selected Rev. Dr. Wise, of Minnesota, Chairman, and Rev. Dr. Crary, Secretary. Committee on Missions, Rev. W. H. Goode, of N. Indiana, Chairman, and Rev. Mr. Wiley, of Newark, Secretary. The Committee on Publication reported that they had selected Rev. Mr. Merrick, Chairman, and Rev. Mr. Brook, Secretary.

A resolution was offered to inquire into the expediency of appointing a Presiding Elder once in four years in eight to that office, instead of the present rules, which had no restriction.

Rev. W. L. Thornton apologised for the absence of his colleague, Rev. Mr. Pope, who is detained on account of illness in his family in England. He requested the Conference to appoint a Delegate to the Wesleyan Conference, to which he was the address of Rev. Mr. Scott delegate from the Irish Conference, having arrived, he proceeded to address the Conference.

In the opening of his address he referred to a former official visit which he made to the General Conference in the year 1856, and the death of some valuable men who were then present. The apostolic Rev. Bishop Waugh, the amiable and eloquent John A. Collins, the venerable Father Finley, of the West, and many others had passed away, but now their places as he believed were fully filled by other good men. He congratulated the body upon the position the Church had taken in favor of liberty, unity and peace; and assured the American Church, that in England there are constant prayers ascending to the God of our Fathers for their beloved brethren who are involved in the strife for the Republic. A like fervent sympathy is felt throughout the entire country of this. He alluded to the financial condition of the Irish Wesleyan Church, and to the comparatively crippled condition of the finances owing to the great emigration from that country. Never was emigration so great as during the last three months. He would therefore suggest that the American Church should help them. One hundred thousand dollars have been pledged hundred thousand dollars have been pledged eight years ago, out of which $42,000 has been paid. By the liberality of the M. E. Church much good had been accomplished for Ireland, and he hoped that the whole $5,000,000 would be completed within two years, so that the plan they had formed might be fully perfected.

Rev. Dr. Reily of Baltimore, formerly of M. E Church of Pittsburgh, moved that a Committee of Seven, on the State of the Colored Members of the Church, be appointed. The motion was advocated in a speech of great clearness and force, which after a lively discussion was adopted almost by acclamation. Rev. B. Curry advocated the propriety of having colored ministers in all the conferences.

Col. and Rev. G. Moody, of Ohio, thought that Almighty God is going to give us an example of the whole colored concern to South America. After we get this little family difficulty settled and the funeral over, we will then push on to the Isthmus of South America, clear out Mexico and give the people of color a pre-emption right to that territory.

A resolution was adopted to appoint a delegation of members of the body to convey to the African M. E. General Conference now in session in this city, its Christian greeting, and expressing a willingness to receive a similar delegation from that body to this General Conference.

The Committee on Episcopacy was instructed to inquire into the expediency of dividing the Church into Episcopal Districts, and of designating the place where each Bishop shall reside.

The Rev. W. L. Thornton, the English delegate, was requested to preach a sermon before the Conference at any time that will suit his convenience.

Committee on fast day (Friday, 8th) services reported that they had agreed to concentrate the devotions of the people, by holding services in the Union church, at which Bishop Morris is to preside at 10½ o'clock, Bishop Janes at 3½ o'clock, and Rev. Dr. Webber at 8 o'clock. Green Street Church, Green above Tenth: in the morning Bishop Scott to preside; afternoon Bishop Simpson and evening Rev. Col. Moody. Salem Church, Lombard street, below Broad: in the morning, Bishop Baker to preside; in the afternoon Bishop Ames, and in the evening Dr. Trimble, of Ohio. Each service will occupy an hour and a half. Distinguished speakers participate in each of these services.

Adjourned, to meet at 3 p. m.

From the 101st Regiment—Allegheny County Soldier Killed.

Col. D. M. Armor, of this city, has just received a letter from Capt. James Shafer, of Co. A., 101st Regiment, written after the surrender of the garrison at Plymouth. He states that the regiment lost twenty-five or thirty in killed and wounded, but gives no name except that of John Conelly, who was killed during the siege. He was recruited near Wilkinsburg, in this county, by Colonel Armor, who formerly commanded Co. A. Nearly all belonging to this company were enlisted in the vicinity of Wilkinsburg, and Conelly was the only man who was injured in that company. Mr. Collins the County Commissioner, has a son in thiscompany, from whom he has not heard since the battle. Capt. Shafer closes his letter with the remark, "We are now on the way to Raleigh."

Supposed Infanticide.

A correspondent writing from Livermore, Westmoreland county, says; "On Thursday, the 25th ult., a female child was found in the Conemaugh river, near Livermore. From its appearance it had floated some distance down the stream. It was entirely naked, and from all indications had been thrown into the water shortly after its birth. When found decomposition had taken place. The body had floated near the edge of the stream and lodged against a large stone, where it was found by Mr. David Grove, of Livermore. The body was taken from the river and decently interred by our citizens. The inhuman wretch who perpetrated the dead should be ferreted out and punished."

Appointed.—Captain J. T. Gibbner, of Company G. 140th Regt. Pa. Vol. has been appointed by the President, and confirmed by the Senate, Captain of Subsistence and Supplies. Captain Gibbner is favorably known to many of our citizens, and was conspicuous as a stump speaker in the last campaign in this State.

Opening of the New Soldiers' Home—Interesting Proceedings.

The Pittsburgh Subsistence Committee, with that spirit of enterprise and liberality which has characterized all their efforts, recently procured additional rooms at their Soldiers' Home on Liberty street, and having fitted them up in a neat and tasteful manner, resolved upon a formal opening, which took place last evening. A select audience of ladies and gentlemen had been invited, and seats being arranged in the large room on the third story, these were soon filled with ladies and gentlemen whose efforts and sympathies have been directed, in times past, to the relief of our brave and suffering soldiers.

A. S. Bell, Esq., stated the object of the meeting in a neat and patriotic address, which was well received.

An eloquent and appropriate prayer was then delivered by Rev. Herrick Johnson.

Dr. Holmes' celebrated Army Hymn, commencing

"O Lord of Hosts! Almighty King!
Behold the sacrifice we bring!"

was sung with fine effect by a chorus of ladies and gentlemen.

W. P. Weyman, Esq., then made a report of the operations of the Subsistence Committee, from its organization in 1861. In reference to the establishment of the Home, the report says:

The want of a suitable room near the depot, where soldiers passing through our city and remaining from one train to another, might receive the care and attention their cases require was felt by many of the members of the committee, but by some the expediency of such a movement was doubted. We determined to make the trial, and on the 18th of January, 1863, we op ned a small room in this building with a miniature cooking stove, which could cook only one article of food at once. And to dispel all doubts of the want of such a room, the first day we had forty-five soldiers, ten of whom were on crutches, and twenty one of them without shoes on account of a small. One poor boy from Michigan died after being in the room but a few minutes, and had it not been for the room he would have died at the depot.

And from that small room, to which we added a sleeping room last October, it is h m has grown. In opening this Home to-night we do n t by any means say our work and improvements are at an end. We shall continue to make to the Home such additions and improvements as may be necessary for the comfort of our soldiers. So long a one of our soldiers, but as their right, feeling that we cannot do too much for those who sacrifice home comforts and even their lives for our defence.

Total amount of cash receipts, from individuals, le tures and benefit, up to April.....$21,320 20
Additional sums and provisions.....7,670 00

Total Amount.....$24,990 20
Amount of cash expended for provisions and expenses for Soldiers' Home, hospitals.....$14,664 49
Amount of cash for labor, hire of c ks and policemen.....2,941 10
Expenses of hospitals prior to the U. S. Hospital being established.....476 90
Expenses of burying soldiers.....213 45
Assistance to soldiers.....103 00
Cash on hand.....2,990 40 $21,389 23

We have also to add transportation, to enable soldiers to reach their homes, from the different railroad companies, to the amount of $1,400.

To our friends, who have so nobly sustained us in the past, we look for assistance in the future, feeling sure it will not be in vain.

F. R. Brunot, Esq., then delivered, by invitation, an interesting and patriotic address, in which he paid a high compliment to the ladies and gentlemen composing the Subsistence Committee, for their noble and self-sacrificing efforts in behalf of our soldiers. His remarks were attentively listened to and warmly applauded.

The audience was then entertained with some appropriate and delightful music, under the direction of Mr. W. P. Marshall. Mr. C. C. Melino presided at the piano. The pieces performed were:

Solo and chorus, from Handel—

Arm, arm, ye brave; a noble cause,
Thecause of heaven your zeal demands," etc.

Solo—"'Tis Liberty," by G. T. Van Dorn.

Duet—"Come, Ever Smiling Liberty," by Mrs. Nicholas K. Wade and Miss Hattie Jones.

Chorus, from Handel—

"Sound an alarm, your active trumpets sound,
And call aloud, and only brave around," etc.

—led by Mr. Wm. Digby.

Solo and chorus—"I waited for the Lord."

Solo by Miss Hattie Jones.

These pieces were rendered in a highly artistic manner, and elicited hearty applause.

Mr. Bell announced, previous to the dismissal of the audience, that the movement recently inaugurated in the New York and Washington, for dispensing the use of foreign goods during the war, has met with a warm response from the patriotic ladies of Pittsburgh, and that a society has been formed in this city by the ladies of the Subsistence Committee, who had signed the following pledge:

"We, the members of the Pittsburgh Subsistence Committee do pledge ourselves to purchase no articles of foreign manufacture *for three years or during the war*."

He requested all present, who sympathized with this movement, to call in the room below, and sign the pledge.

Mr. Brunot then related an incident of the war—the case of a German soldier, who, while lying bleeding on the battle-field, was approached by a "sympathising" gentleman, who examined his wound, expressed sympathy for his suffering, and walked away with the consoling remark, "God bless you!" The soldier, who needed attention and nourishment, repeated the remark, "God bless you!" but added, "I can't eat that!" Mr. Brunot made a personal application "—remarking that we must do something more than exclaim, "God bless the poor soldiers!" We must put our hands in our pockets and contribute like a Christian people, as we are, and the citizens of Pittsburgh were especially urged to support the Subsistence Committee, as one of the most efficient means of relieving the wants of our brave soldiers. The audience then left the force of these remarks and fully appreciated them.

An invitation was then extended to all present, to stop in the room below, and partake of some coffee which had been prepared by the ladies of the committee. Many accepted the invitation, and all who did so joined in pronouncing the beverage excellent. The rooms were tastefully arranged, and handsomely decorated, and the "opening" was highly creditable to the committee.

Picture Gallery of the Sanitary Fair.—The committee on the Picture Gallery is at work, with the prospect of opening to the public on the 16th inst., which will contain many pictures of rare merit. It has been decided to admit no portraits except those of very distinguished persons, so that the collection will be available for picture interest. All who have fine pictures are requested to notify the chairman or some member of the committee. The whole of the second floor of the new City Hall will be occupied, and as the building stands alone, is fire proof, it is perfectly safe, and admirably adapted to this purpose. The Committee consists of the following gentlemen: John Harper, Chairman; Messrs. Shoenberger, Wolff, Hallman, Spang, J. U. Barr, Holtzman, J. J. Gillespie.

Artists Committee—Trevor McClurg, David Blythe, W. C. Wall.

There is also an active ladies' committee, of which Mrs. Max. Moorhead is chairwoman.

Pastor Called.—At a meeting of the Old School Presbyterian congregation of Harrisburg, held on Tuesday, a unanimous call was given to the Rev. S. S. Mitchell, of Princeton Theological Seminary, to become their pastor. The salary to be paid was fixed at $1,500. The pulpit of this church has been vacant since the beginning of December last, when the Rev. W. C. Dunwell was elected President of Lafayette College.

Sad Catastrophe at a Funeral.—At Port Allegheny, Pa., a few days ago, a funeral procession was passing over a bridge to bury a child of Mr. George Moore, when the bridge gave way, and precipitating the mourners into the water, another child belonging to Mr. Moore was drowned, together with three of his brother's children, and one or two other lives were lost.

Change in the School Law.—Last winter a bill was passed by the Legislature appropriating the money applied to common schools in proportion to the number of scholars in attendance in each district. The bill has recently been repealed, and, therefore, the money will be appropriated as heretofore, in proportion to the number of the taxables in the several districts.

Anthony Trollope's Last.—The Small House at Allington—a novel by Anthony Trollope, for sale at Frank Case's News Depot, Chronicle Building, Fifth street.

Maps of the scene of operations, maps of Virginia, and also of all the Southern States, for sale at Frank Case's News Depot, Chronicle building, Fifth street.

Snow fell at Ebensburg on Tuesday of this week. The *Alleghenian* says that the ground was completely covered with a mantle of white.

A. J. Pitzenbild, of Allegheny City, Teacher of Vocal Music, is practicing his profession with much success in Johnstown and Ebensburg.

Joseph M. Gazlay, Attorney at Law, 98 Grant street.

Capture of Plymouth—Full List of Casualties in the 101st and 103d Regiments.

Mr. A. S. Billingsley, Chaplain of the 101st Regiment, writing from Annapolis, Md., sends us a complete list of the killed and wounded belonging to the 101st Regiment, (Col. D. B. Morris) and the 103d (Col. T. F. Lehman). Both these regiments were recruited in Allegheny and adjoining counties and their friends have been exceedingly anxious to hear from them.

The rebels made the first attack on Saturday, April 17th, and on the following Wednesday they took possession of the place. They had a force estimated at from ten to fifteen thousand, while our garrison consisted of but two thousand. Our loss was twenty killed and eighty wounded. The rebels lost from ten to fifteen hundred in killed and wounded.

The following is the list of casualties:

ONE HUNDRED AND FIRST REGIMENT.

G Beck, Co E, killed,
John Conely, A, killed,
Jordan Plantz, C, killed,
David Fisher, H, killed,
John Dillon, K, died,
Sergt Wm Dougherty, C, died,
J H Barnett, H, danger's,
J W Sweet, B, slight,
L W Chambers, F, slight,
Lt G L Brown, I, slight,
F Donahue, K, slight,
Jos L Brown, G, slight,
J Differbaugh, H, slight,
E McWhorter, F, hand,
Jas Dont-ett, E, slight,
B W Fisher, H, slight,
John Reed, G, slight,
Sergt Short, K, slight,
Capt W Mays, H, leg broken,
O Fspar, B, slight,
J Leonard, F, slight,
W Barnes, H, slight,
E Lewis, B, arm broken,
Wm McAllister, E, slight.

ONE HUNDRED AND THIRD REGIMENT.

Lieut Z M Cline, G, killed,
Capt J Donahue, F, slight,
Lt J Dunmire, F, slight,
John P Orr, D, slight,
Jeff Barbier, F, slight,
John Springer, F, slight,
W H Gilmore, I, slight,
S Hegarty, G, slight,
Capt H Gumb rt, D, slight,
H Dunkle, F, slight,
W M Boyle, F, slightly,
J P Wilcox, A, thighs,
Robt Reed, H, slight,
Alex Gulher, A, severe,
S C Burkhold, A, leg,
F B Mortimer, F, mortal, abdomen,
Sgt Wm McBudge, I, severe,
S P Range, I, head,
Sgt D Baughman, K, slight,
S W Dickson, E, slight.

In addition to the above there were eleven killed and twenty-two wounded in the 45th New York; one killed and eleven wounded in the 10th Connecticut; besides a few casualties in the 2d and 24th New York Batteries.

Accident at the Fort Pitt Works.

An accident occurred at the Fort Pitt Works yesterday afternoon, just before the casting of the 20-inch gun, by which Mr. James Knap was seriously injured, and Mr. Joseph Kaye was slightly hurt. The gas in the office vault had been left burning, but by some means had been extinguished without being turned off. Mr. Kaye and Mr. Knap entered the vault and lit the gas, when the fluid which had accumulated in the vault exploded, throwing them both down, and closing the heavy iron door with a crash. The door was immediately opened and the men taken out. Mr. Knap had to be carried home, where he is suffering severely from the effects of the fire. Mr. Kaye was not so badly burned, and was able to superintend the casting of the gun.

The Firemen and the Fair.

We were in error yesterday in stating that the city authorities of Allegheny had decided to have their steamers stationed in the Diamond during the continuance of the Fair.

The Fire Department of Pittsburgh have offered the services of their steam fire engines, with a view to prevent a conflagration, in case of which will be needed each day until the Fair is ended. The General Grant and Hope will act in connection with the Pittsburgh firemen. The action of our firemen in this kind proffer of assistance is highly appreciated by the managers, and will be fully appreciated by our citizens. A large quantity of valuable articles will be stored in the buildings, and every precaution should be used to guard against fire.

Boy Drowned.

A boy, named Peter Fichter, aged about eight years, and the son of a widowed woman living on Voeghly street, Allegheny, was drowned in the Allegheny river about five o'clock yesterday. He had been playing on some rafts lying above the railroad bridge, and, while in the act of jumping from one to another, fell into the water and sank. A lad who was with him caught his hand as it was raised, but became frightened and released his hold. The body has not yet been recovered, and we believe no effort has been made to find it. This is a sad case, and another warning. Will it be heeded?

Father and Son Drowned.

William Stewart, of Smicksburg, Indiana county, and his son aged about eighteen years, were drowned week before last, while boating on a canal near Baltimore. It appears that while engaged in the business above referred to, the mules attached to the boat became frightened and jumped into the canal. Mr. Stewart's son, in endeavoring to rescue the mules, got into the water and drowned. The father, seeing the dangerous position of his son, went to his rescue, and in endeavoring to save him both were drowned. Mr. Stewart leaves a wife and several children to mourn his sudden death.

A Miniature Moultor.

The proprietors of the Fort Pitt Works are building a little monitor for the Sanitary Fair, which will be a great curiosity, and attract the attention of every visitor. The miniature vessel will be plus first long, ten plated, and will carry a gun two feet in length. She will be fitted up with an engine, and will be run in a canal or reservoir to be made for the purpose. Everything will be run in complete order, and the gun will be so arranged that it can be fired off—thus giving the spectator an idea of naval warfare "on a small scale."

SPECIAL LOCAL NOTICES

Thomas Parry, Plain and Ornamental Slate Roofer, and dealer in Pennsylvania and Vermont slate of the best quality at low rates Office at Alex. Laughlin's, near the Water Works, Pittsburgh, Pa.

Wives mothers and sisters, whose husbands, sons and brothers, are serving in the army, cannot put into their knapsacks a more necessary or valuable gift than a few boxes of Holloway's Pills & Ointment. They insure health even under the exposures of a soldier's life.

Holloway's Pills and Ointment are now retailed, owing to the high price of drugs, &c., at 50 cents, 75 cents and $1,10 per box or pot.

For sale in Pittsburgh by B. L. Fahnestock & Co.

For sale also by George A. Kelly, Allegheny city.

Lubin.—It is said that many of the ladies paid almost fabulous prices for the new hair preparation called Lubin's Hair Dressing Florilline, from the establishment of Lubin in Paris, and which is just now having such a run with the up town people in New York. The really elegant manner in which many of the ladies' hair was dressed was noticed and remarked upon by thousands visiting the Fair. Of course a hair preparation from the great perfumer would sell in these times whatever the cost. Hair dressed *a la Florilline* will be all the rage, and our Pittsburgh druggists must procure a stock before the Fair.

Hogsworth Seminary opens May 2d. Address Rev. A. Williams, Sewickleyville, Pa. 1w

Bargains in Mohair Lustres, at J. Finch's, corner of Grant and Fifth streets.

THE LATEST NEWS BY TELEGRAPH.

HIGHLY IMPORTANT NEWS!

Advance of the Potomac Army Toward Richmond!

Struggle for Possession of the Rebel Capitol Begun!

THE ARMY ACROSS THE RAPIDAN.

LEE COMPELLED TO FALL BACK.

GREAT BATTLE ANY HOUR POSSIBLE.

FOOT RACE FOR RICHMOND PROBABLE.

Fall of the Rebel Capitol Reasonably Expected.

Washington, May 5.—The *Republican* has just issued an extra, containing the following important intelligence: We feel authorized to state, since it can hardly now afford information to the enemy, that the army of the Potomac has advanced towards Richmond and the struggle for the possession of the rebel capital has begun. Our army moved on Tuesday night and has now crossed the Rapidan. The crossing was made at Jacob's, Culpepper, Germania and United States fords, and was effected without serious opposition. Lee has been compelled to fall back from the strong position where he has held us at bay all winter. Whether he will make a stand this side of the defenses of Richmond, we are not advised. It is the opinion of some that he will fight at Chancellorville. Every hour may now bring us news of a battle, but we incline to the belief that it will be a foot race for Richmond. The rebel capital will undoubtedly be flanked and invested should Lee's army occupy its defenses, and the country may reasonably hope that this time it will fall.

Congressional.

Washington, May 5, 1864.

House.—The House went into Committee on the Whole on the special order vix: The bill to reimburse Pennsylvania for the expenses incurred in calling out troops to repel invasion.

Mr. Cox of Ohio, offered an additional section, appropriating $150,000,000 to defray the expenses of calling out volunteers, militia and minute men in Pennsylvania, Maryland and other loyal States to repel rebel raids.

Mr. Garfield said this subject was before the Committee on Military Affairs, who had referred the War Department to give them all the facts. The Committee were daily expecting a full report on the various classes of claim, and it was necessary to have all the facts before the House could take intelligent action, he hoped therefore, that the amendment of his colleague would not prevail.

Mr. Smith of Kentucky, asked why the money should not be appropriated now; there is no use in the War Department or elsewhere in Washington, an evidence of the number of days for which the various classes of men had been called out; the facts were to be determined at the cases arrive.

Mr. Garfield replied, that the Secretary of War says that there is a large mass of papers from all the States, which he is now collecting. The Military Committee to introduce a bill providing for a commission to sit during the recess, to whom the papers will be referred, and then Congress will know the sums due and appropriate the money accordingly.

Mr. Odell, in response to Mr. Smith, said Commissioners were appointed as to the claim of Missouri, and when report was made and the claims were properly audited, Congress made an appropriation to cover the amounts. The Committee on Military Affairs proposed to pursue a similar course to that of other States.

Mr. King, of Missouri, made a few remarks to show that the Government was mistaken.

Mr. Odell referred to facts to show that $800,000, as the result of the Committee, would be paid to the Missouri home guards.

Mr. Blair of Mo. said, that the home guard of Mo. are now being paid; he saw no difference between Pennsylvania and the position Missouri occupied before the battle of Pea Ridge, and the claims of the Pa. militia were as just as those of the Mo. home guard.

Mr. Garfield said that farms had been destroyed, &c., but the House had confined itself to paying for quartermaster's and commissary stores directly taken, and in cases where the claims had been audited and judicated like those of Pennsylvania.

Mr. Smith of Ky., advocated the pending amendment. Ninety-nine out of one hundred who were called out in his State were taken from the plow and anvil shops and machine works; why should these be delayed in their payment.

Mr. Hall, of Mo., explained the reason why a commission was appointed concerning the home guard of that State. They had been mustered into the service of the United States, but went into the service in defiance of law, under a pressing emergency. In the case now before them, there was no occasion for a commission, as the militia of Pennsylvania regularly entered into the service, and that State had produced the proper vouchers.

Mr. Randall advocated the bill, and paid a high compliment to the gallantry of the militia of Pennsylvania. He said he had good authority for saying that the recent order of Gen. Meade about the insubordination of troops in no manner related to the Pennsylvania Reserves, two or three days ago. The only difference which existed between the Government and the Reserves, as to the date of their muster, was satisfactorily settled in the manner indicated by Mr. Cox. He mentioned the fact in order that the common rumor or talk that the military order referred to the Reserves might be stopped, and the truth known to the country.

Mr. Stevens made a few remarks to show that the claims of Pennsylvania had been adjudicated, and the payment recommended by the War Department and endorsed by the President, from the time the troops went into actual service.

Mr. Schenck, opposing the bill, said it would be better to appoint a commission to ascertain the amount of the claims of all the States, instead of taking them up piecemeal, and in future make an appropriation for their payment.

Mr. Whaley pressed the claims of West Virginia.

Mr. O'Neill, of New York, offered an amendment, which was rejected, proposing to refer all the claims of the loyal States to three commissions, to examine and ascertain all the amounts due, with a view to future adjustment.

Mr. Cox's amendment was rejected by a vote of 43 to 40.

The Committee rose, when the question was stated on the passage of the bill, which appropriated $700,000 to reimburse individuals and institutions who had advanced money to pay the Pennsylvania soldiers, called out by the President and the Governor of Penn's to repel the invasion in the summer of 1863, and who were in the actual service of the United States, provided no part of the money so paid to any militia of any State which refused to be mustered into the service of the United States.

Mr. Spaulding moved to lay it on the table; carried—66 yeas against 60 nays.

The House then by two majority refused to reconsider the vote by which the bill was defeated.

Mr. Robinson, of Ill., moved to reconsider the vote by which the bill was laid on the table.

Mr. Spaulding moved to lay Mr. Robinson's motion on the table, which was decided in the negative by three majority.

The House then reconsidered the vote by which the bill was laid on the table, by 67 against 57.

Mr. Schenck moved to refer the bill to the Committee on Military affairs. The motion was disagreed to by a vote of 54 to 80.

The question on the passage of the bill as given above, appropriating $700,000 for the Pennsylvania militia, was amended by appropriating $500,000 to defray the expenses of other loyal States in repelling raids.

Mr. Morrell moved to lay the bill on the table.

Decided in the negative—yeas, 59; nays, 78.

The bill was passed by a vote of 71 against 63.

Mr. Morrell moved that the evening sessions be dispensed with until further orders, leaving the House to adjourn at such hours as it may see fit.

Mr. Wilson moved that the evening be devoted to business. This was disagreed to, and Mr. Morrill's motion was adopted.

Mr. Gooch, from the Committee on the Conduct of the War, made a report on the Fort Pillow massacre, moved that 400,000 copies be printed.

The House adjourned.

Senate.—Bishop Clarke, of Rhode Island, made the opening prayer.

Mr. Collamer reported from the Committee on Postoffices and Post Roads the House bill to establish an ocean steamship service between Brazil and the United States, with an amendment.

Mr. Wilkinson further desired to amend the bill, and not having his amendment prepared, asked that the subject be laid over, which was agreed to.

Mr. Wade from the Committee on Territories reported a bill to amend the enabling act for the people of Nevada. The bill changes the time for an election
