The Duration of the War-We have noticed with some surprise th emark of the Hon. H. G. STEBBIES, of Nev York, in his speech in Congress on the 16th of April, that he was one of those who did not believe in an early solution of the great questions involved in this war-that, in other words, the war is to be a long and expensive one. Mr. STERRIES is one of the ablest and most patriotic men in Congress, and his opinion is entitled to respectful

These bonds are issued under the Act of Cong

of Murch 8th, 1854, which provides that in Him of

much of the loan authorized by the act of March 1863, to which this is supplementary, the Secret of the Treasury is authorized to borrow from time ime, on the credit of the United States, not exce ing TWO HUNDRED MILLION DOLLARS during the current fiscal year, and to prepare and issu therfor Coupon and Begistered Bonds of the Unite States; and all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any State or municipal author ty. Subscriptions to the Bonds are received in United States nates or notes of National Banks. They are TO BE REDEEMED IN COUN, at the pleasure of the Government, at any eriod not less than ten nor more than forty years from their cats, and until their redemption FIVE PAB CENT. INTEREST WILL BE PAID IN COIN, OD Bonds of not over one hundred dollars annually, and on all other Bonds sami-annually.

The interest is cavable on the first days of Marci and September in each year. The semi-annual Co pons are payable at those dates, and the ann Cupons on the 50 and 100 dollar bonds are paya on the first of March. Substribers will receive either Registered or Com Sonds as they may prefer. Registered Bends are re corded on the books of the U.S. Treasurer and cor-

be transferred only on the owner's order. Coupon nient for commercial uses. Registered Bonds will be issued of the tion of Fifty Dollars (\$10), One Hundred Dolla (\$100), Five Hundred Dollars (\$500), One Thousand Dollars (\$1,000), Five Thousand Dollars (\$5 000), and Ten Thousand Dollars (\$10 000); Coupon Bonds of the

denominations of Fifty Dollars (\$50), One Hundred Dollars (\$100), Five Hundred Dollars (\$500), and One Thousand Dollars (\$1,00). Subscribers to this lean-will have the option having their Boule draw interest from March lat, by paying the accrued interest in coin-(or in U. S totes, or the notes of Bational Banks, adding fifts

per cent. for premium,) or receive them drawing inerest from the date of subscription and deposit. As these Bends are exampt from municipal tate taxati n, their ta'ue is increased from one three per cent, per annum, according to the rate of tax levies in various parts of the country. At the present rate of premium on gold they pay over eight per cent, interest in currency, and are of equal convenience as a permanent or temperaty

It is believed that no securities offer so great noments to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, t faith or ability of private parties or stock compa or separate communities only is pledged for paymor while for the debts of the United States the whole property of the country is holden to securethe payant of both principal and interest in coin. These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the amaticat lender and the largest capitalist. They can be converted nto money at any moment, and the holder will have The fact that all duties on imports are payable in
