Falses Tondy, Hay 0, 1864. Id connection with this we might say that the Habeistence. Commission will need, all the fands they, can command, as a large number of troops and expected to pais through our eity this or next week. The first regiment, one thenand strong, are expected to night, and beside the regiments that are expected large number of sick and wounded will need daily cars and sitention at the Home. fi

Finality Disposed Of.

The Board of Inspectors of the Western tiary held a meeting last Friday after noon, and decided to receive Miss Sallie Pollock, the young lady who was lately convicted

by a military court martial, at Cumberland, Maryland, of carrying letters into the rebe lines and who has been confined at the Girar House for the past faw days. The governess who has accompanied Miss Pollock through her first, and who has been with her while confined in the office of the military command-ant, was allowed to accompany her to the Pontentiary. The father of Miss Pollock Penitentiary. Int in the days.
