[Public—No. 87.]

An Act to increase the pension of the revolutionary pensioners now on the rolls of the Pension Office.

Be it cinated by the Senate and House of Representatives of the United States of America in Congress assembled, That there shall be paid, out of any mency in the Treasury not otherwise appropristed, the sum of one hundred dollars per annum to each of the surviving soldiers of the revolution, now on the pension rolls, during their natural lives, in addition to the pensions to which they are entitled mader former acts of Congress; said payment to date from, and compress; said payment to date from, and compress to any address, on receipt of 25 cans, the contract of the sum of the pension rolls, during their natural lives, in addition to the pensions to which they are entitled under former acts of Congress; said payment to date from, and compress to any address, on receipt of 25 cans, the congress of the revolution, now on the pension rolls, during their natural lives, in addition to the pensions to which they are entitled under former acts of Congress; said payment to date from, and compress the revolution of the revolution for the same of the sum of the same of the but when the fact is known that it was, for many years of his life, his repocial care, thought, labor and Distract of THE POST OF PITTESCAGE, Custom House, April 20, 1864. Deliveries must be made in lots of not less than ne-tenth (1-10th) per week of the whole number most of the choice of the whole number bournested for; the first delivery to be made on the shition to bring the "FLORILINE" to its present Notice, is hery given that Easted Proposals, accompanied by proper grammates, according to forms to be furnished on application at this office, will be received thereat, until 12 of clock meridian, on the FIRST TURBDAY IN JUNE, next, for the supply of the Marine Heapital, must thic tip, with the acticles of provision, medicite, &c., enumerated in said forms, for one year, commanding on the first day of July next, and ending on the thirriteth day of June following. G. E. WARNER, President one-tenth (1-10th) per week of the whole number contracted for; the first delivery to be made on the 20th day of June.

Failure to make delive, its at a specified time will subject the contractor to a forfeiture of the number he may fail to deliver at that time.

It is not to be the subject to be charged cost, to, be determined by the inspector.

Biddern will state explicitly the Arrenal, or Arsenals, where they propose to deliver, and this number of sets they propose to deliver, and this number of sets they propose to deliver at each place, if for more than one.

No bids will be considered from parties other than regular manufacturers, and such as are? known to this Department to be fully competent to exercite in their own shops the work proposed for. Should any party obtaining a contract offer Accountements other than those made in his own shops, they will be real. Biddern will enable the such ossessing the su negnalied standard, its real morit cannot fail to be JNO. E. PATTERSON, Cashier. fe20:4m poreciated by the public, and most ospecially by DR. WEERRAS, BY SEISINGTOF SYMBOLE PRIVATE OF THE PRI We claim for it the most perfect flair Prepara Jely next, and ending on the thirtieth day of June following.

The quantities stated are estimated with reference to the usual number of patients in the Repital; but the United States reserves the right to take more or less of raid articles, accordingly as they may be actually bequired. If the articles eclivered at the hospital see not, in the judgment of the Physician, of the best quality, and adapted to the hospital, he will be at liberty to reject the same, to purchase other articles in their stead, and to charge the confinctor with any excess in cost over the contract pried.

The United States reserves the right to accept the preposals for the while or any portion of the articles specified.

O. W. BATURELON,

Surveyor and Agent of Marine Hospital. Or, ESSENCE OF MINE in the World, for restoring gray hair to its original color, preventing its turning gray and falling out, PERIENCE OF AN INVALID, published for the banefit and as ownering and caution to young men who suffer from Reveous Debility, Premature and generally to stimulate and strengthen its controlled by the whole trade in the Tastorn man does not probably amount to 100,000 fbz. H above the probably amount to 100,000 fbz. H above the probably amount to 100,000 fbz. H amountment at any prior till quite late in the son, are now taken with considerable width by growth, more especially when the hair, by various vania, has been duly organized under and according to the requirements of the Act of Congress, entitled that Act to provide a Katiomal Currency, secured by a piedge of United States Stocks, and to provide for the circulation and redomption thereof, sprowed February 25th, 1863, and has compiled with all the provisions of said Act of the Congress of Sanking.

Now, therefore, I, Hugh McColloch, Comprodler of the Currency, do hereby certify that the said THINID NATIONAL BANK OF PITTSBURGH, County of Alleghony and State of Pennsylvania, is authorized to commonce the business of Banking under the act aforesaid.

In testimony whereof witness my band and seal of office, this 27th day of February, 1864.

[18.] HUGH McCOLLOCH, [18.] gress; said payment to date from, and com-mence on, the first day of January, eigh-teen hundred and sixty-four and to cease causes, may have become dateriorated or discared sibe heavy littinois and Vermont fleeces, which is unessenable at any price till quite late in the low, are now taken with considerable avidity by sumers as treadly improving rates. We descript are now neglected, and good medium lots of Yest both fleece and pulled, are especially in favor for manufactures of Fall goods. The scarnity of money and the second price of the scarnity of the hanced tariff, keeps the market buryant for the lygredes of furigin steple, and good lots of Cape Meetins are sedling at unprecedentedly high professed furiging telling and good lots of the second price of demonstrate for the week, though high professed for supersection of the second processes are seen of the year when trade generally is also insunfacturers well supplied. They not up the for fleece, and Toksics for super and extra valled chiefed are loss of this sea when the previous range of Toksics for super and extra valled chiefed are loss of this sea. Decay of Manhood, etc., supplying, at the same time, the means of self cure. By one who has cured himself But a single application will establish the fact that the means of self care. By one who has cured himself after being put to great expense and injury through modical himbug and quackery.
