though to so would certainly be presse worthy; we do not here recite, for the third or fourth time, the virtue of economy as a means of preserving the national life, al-though the frightful extravagance every-where prevailing calls loudly for line upon line of economical homil; we do not ask you to give, if you have not already given, one day's wages to our Sanitary Fair, that our wounded soldiers may not suffer for want of delicacies and careful nursing, although the Macedonian city comes from beyond the Patomae and the Cumberland-Come orer woused is used and the Cumberland-Come orer woused soldiers may not suffer for want of delicacies and careful nursing, although the Macedonian city comes from beyond the Patomae and the Cumberland-Come orer mod kelp us. Our appeal to-day is jin behall

Potomae and the Cumberland—Come over and help us. Our appeal to-day is in behalf of the United States Tressary—in behalf of the United States Tressary—in behalf of the Tea-Forty Loan.
Nor is it necessary to multiply words.
Nor is it necessary to multiply words.
The case is briefly this: The Government having long since ceased to issue greenback as a means of meeting is liabilities, has resorted to popular loans. Five hun-to against the almission of Mr. Fisurack. dred millions of Five Twenties were ab FISHBACK. sorbed at six per cent. gold interest within

Tue Conventions .- The Illinois Union a few months. About the first of State Convention met yeaterday. General has been a barry. March another loan for two hundred mi!- RICHARD OGLEEDT was nominated for Gov. C Bu barry. lions, payable in gold after ten and before ernor, and the Administration of ARRABAN forty years, and bearing five per cent. gold Lincoln was indecsed. The Convention interest, was put upon the market. This adopted a resolution favoring his nomina-loan has not been taken as rapidly as the tion for a second term. tion for a second term. The Ohio Union State Convention met at Columbus yesterday, and also declared in favor of the re election of Mr. Lixcolx, Prices in Dixie. A robel mail was recently captured on Che Enpeake Bay by U. S. detectives. Over a thousand letters from the South ad-J- Diagnerry, Jo Chemistry, Jones first. The amount of subscriptions repor ed at the Treasury Department up to Saturday the 21st inst., was \$54,564,400. The subscriptions have averaged about a million dollars a day since the loan was first dollars a day since the loan was first offered. These figures, it is true, are not discouraging, but the Government needs money faster than the loan is bringing it State from the South, ad-the state for the state of the state Juo Bogers W Fibbs in. Its expenses are nearly three millions daily. It must have more money, and it is of them were unimportant, and some of them are valuable information to Gov-Jac by, by Danl Hais Jos Hall John Presser Joo Wright bad policy to increase the volume of green backs. of them gave watable increase the writers detail the wats and privations of which they are bad policy to increase the volume of green backs. What is to be done? The Secretary of the Treasury looks to the people to take this Ten Forty loan. We are assured it is his opinion that, if this is not more prompt-ly done than the experience of the past two months attests, it will become necessary to mould certainly be an exil which all particles would deplore. The way to avert it is, to take the loan. The investment is a case once the interest is payable semi-annually in gold; and the bonds are except from muni-signed at the taket taket. Why not, then, O rick mant support the Government by buying its bonds ? Slavery Condemned. -We have already chronicled the fact that the General Conference of the Methodist pice of the Methodist pice of the Methodist ? Market as a bolic out get of with little rest the Goneral Conference of the Methodist pice of the Methodist ? The Unit of the Church Dissipline respecting shares, and when it is passed by three-fourths of the annual Conferences, as it doubles will be sharery will be entirely expelled from this branch of the Christian Church. In the Old Sabool Presbyterian Assambly. Church. In the Old School Presbyterian Assembly st Newark, on Wednesday, Judge Mar-THEWS, from the Committee on Bills and Overtures, presented an able report on the subject of slavery, founded upon an over-ture from the Presbytery of Newton. The sending of this report produced a profound sensation. The report produced a profound sensation. The report produced a profound sensation of the action of former Gaeral Assembliej respecting slavery, the duty of the denomination to refass longer to tolerate it, the konnection which hasker-isted and still exists between slavery and the Robellion, and concludes with an in-dorssement of the measures taken by the isted and sull exists between slavery and the Bebellion, and concludes with an in-dorsement of the measures taken by the National and State authorities for the ex-tippation of the institution. By a large majority of the Assembly the report was brdgred to be printed and made the special of the New York Post to be a fixed. There can be derived by the correligondent of the New York Post to be a fixed. There on the New York Post to be a fixed was been by the correligondent there of the New York Post to be a fixed. The New York Post to be a fixed. There order for Friday of this week. There can ladies continue to buy whatever their be no doubt of its final adoption. Thus are two of the mest powerful and influential religions denominations of the country, through their highest ecclesianti-ing of the poor in the counties of Bout stoped near a village to foed my horse and dostride which Joux Wreaters long ago tiered, that "starety is the sum of all vil-lainies." The Precedential conference, as expressed in fits address to President Listools, was earnelly in the same dired-tion. Surely, wise our most powerful adurches condernia ilarvey as an ovil and a sip, and declare its desit nocessary to the sip and declare its desit nocessary to the the first time the fields. She said her father was not on an in the fields. She said her father was not on an in the solution of such other bulaces as masy there is deal in the first bulk of the same of the said on the site approach is stare as a single solution of them, and called her to me, and upon a hore here the first bulk of a such the first bulk of a section the first in the same dired-tion. Surely, when an out powerful adurches condemin is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section is a stare of aut Association along the section and adoption along the sear stare an an and along the hearts desire. churches condemn alavory as an ovil and a sin, and declare its, death necessary to the salvation of the nation, it won't be long un-till the politicians of all parties will also endemn it and trample upon it. mv26:te condemn is and trample upon it
