Theours is effectual, and I consider I made an coscellent investment. Mr. James Millinger writes...Dr. Randail, a year age, removed a most painful corn from inder one of my toe nails. The operation was perfectly successful. To-day he has removed others, and I havo no doubt with equal suc-cass, for which I had undergone areral un-successful operations at the hands of other professed Ohiropodists. literally on fire. The surface of the water for thousands of square yards has been a par-fact flame, caused by the destruction of the Italian ship Julians, which took fire while by-ing at the wharf and loading with potroleum. She had on board one thousand sight hundred barrels, and had to be to red over to the op-posite side of the baris to save the surround-ing property. As the barrels would barrel, the oil spread over the water in a flume. Thousands assembled to winners the beauti-ful again.
