can have the further grainments of the grain that he has by so doing not merely ing that he has by so doing not merely arred himself from the chances of the draft, but has reduced the quota of his district, one, thereby helping others as district, one, thereby helping others as

well as himself.

And Dandytire will do it. For he told us so. We thought him a little sanguing in his faith that the war would be over go soon; but he said we were getting old and rather inclined to take too sombre a wise of things. Now, there was his old man, Dandytire senior; why he not only had foil confidence in the early terminated the resignation of the war, but, although exampt had foil confidence in the early termination of the war, but, although exampt had for this mark frour candence, I am sincerely pour seriors, and in different calors; also, the plan lead of the for the declination of Gov. Tod was telected the form the president, and Mr. Linguage a
