

COMMERCIAL AND FINANCIAL

PITTSBURGH MARKETS
(Reported Special by the Pittsburgh Gazette.)
Friday, July 10, 1884.

WHEAT.—There is no market for wheat and the stock is extremely light, that the reported decline in the eastern and western markets, has, so far, no perceptible effect here. The market is quiet at \$1.00 for No. 1, from wagon, and \$1.00 for No. 2, from car. The extreme high price now prevailing has had the effect to draw out what few stocks were in the hands of farmers and speculators, and the result, there is an improvement in the market. The supply, as yet, however, is very light and the market is firm at previous rates—\$1.00 for No. 1, from wagon, and \$1.00 for No. 2, from car. The market is quiet at \$1.00 for No. 1, from wagon, and \$1.00 for No. 2, from car.

PITTSBURGH PETROLEUM MARKET.
July 10.—The market for petroleum products is quiet and steady. The supply is ample and the market is firm. The price of kerosene is \$1.00 per gallon, and the price of lamp oil is \$1.00 per gallon. The market is quiet and steady.
