Description of the control of the co PROPOSALS. ty second to the Blackfeet Inthree aly, eighteen hundred and sixtyit for the fiscal year ending June
try, eighteen hundred and sixty-five,
iten thousand dollars.

The second to the Blackfeet Indiams for the year, seventeen thousand dollars.

For expenses attending the vaccination
of Indians, two thousand five hundred dol-ORDNANCE OFFICE,
WAR DEPARTMENT,
WASHIEGOS, D. C., July 18th, 1894. INSURANCE. PERPETCAL TAMES WILKINS, OFFICIAL. The Crop Prospects in Iowa.

[From the State Register, Des Maines]
In consequence of the great anxiety which has been fait by our dilisons generally in regard to the probable demage to our principal crops throughout the Etats, from the severe drought and chinch bug. I embraced the opportunity of the attendance of a large representation from every section of the Etats to the Union Convention at Des Holoso, on the 7th of July to address each of them certain interrogatories to elicit the desired information, so far as it was in their power to gire. About 500 delegates were in their power to gire. About 500 delegates were in their power to gire. About 500 delegates were in their power to gire, about 500 delegates were manufactured or the information derived. LAWS OF THE UNITED STATES. 1829.BROKER AND DEALER IN BEALED PROPOSALS will be received at a fine until WEDSE DAY, August 3d, 1894, 5 fice until WEDSE in furnishing the following O assed at the First Session of the Thirty et nurez p. mr. for furnishing the following 0.
