Our Special Dispatches.

OITT AND SUBUBBAN. The Oil Creek Railroad. It has been stated that the Pennsylvani

entral and New York Central Railroad Compa-Bies had bought out the Gil Creek Ballroad. The Warren (Pa.) Mail, after alluding to the report, ays: "Upen inquiry we find the transacion upon which the report was founded was a sale by T. Strutherf and W. S. Streator, of a portion o

apon which this sport was founded was a sale by T. Strathard and W. S. Streator, of a portion o their findiright if stock in that road, to Dean Biohmond, Dag, President of the Nev York Central, and Dol. Thes. A. Scott, Vice Presiden of the Exchipitrania Railroads. The transfer-were to the pratiaman in equal amounts, and gave them logather a small unjority of the stock of the O. C. R. B., and they ware at-mitted back do a corresponding representation in the Bead of Directors. This does mat, so we understand, necessarily invoive a change of gauge on the Oil Creek Rhad, as runned, or hay other im-portant charge in the builters atrangements of the Company. Nor have any law other im-mined on. The bouiners of the Company con-tinues to be transacted as before. It is prospor-tione and will not Hiely be inherrupted by any unden charge to the injury of the stockholders. The transaction upon its face is marely an investment, however, we have no don't they had an eys to the interest of their respective great times to is interest of their respective great time et to its interest of their respective great the ettered theirs be unified as infinitence which will ensure to them their due proportions of the Other barrying businest, at less expanse time it ettereghtens the OII Creak Company and encarses it to press the immediate extension of its road to wards OII Creak Company and encarses it to press the immediate extension of its road towards OII Creak on a stow tow which, we understand, the angineers are now carefully versing the line of location, and work men are to be piezed upon it is as soon as possible.

men are to be placed upon it as soon as poss and work Police Items in Birmingham.

On Friday evening, a ball was given at th Town Hall, in Birmingham, and was progressing pleasantly, when a young man by the name of Wm. Hall endeavored to pass in without a ticket Officer John Ickley, who was acting as door-keeper, took hold of the intruder to put him out, when Hall drow a large knife and tried to stab Mr. Ickley, The kolfe was taken from him by the officer, who arrested him and conveyed hi

the officer, who arrested him and conveyed him to the inck-up. Hill had a hearing on Skurday morning before Erq Stephenson, which resulted in his being final for disorderly conduct, and held to bail for 51,000 to answer a charge of as-sault and baitory. Being anable to furnish the required security, he was committed. Lind McGoffm and William Walker ware taken before Erq. Salibury on a charge of disorderly conduct: preferred by a boarding house kneper named E-creit. One of the defendants had been boarding with Mr. Forsett, and being unable to settle his bill, pitcged a cloth cost, valued at twoaty dollars. On Skunday he returned to Mr. Everett' house, in company with a friend, and demnaded his cost, and upon Mr. Everett's ro-funing to give it to him until the bill was paid, becamp very ditorderly. His friend also became mixed up in the matter, and tried to take the cost by force. The Equire fixed them one cloin: two, and costo, which they paid and were dis-charged.

charged. The Brownstown Riot Case.

On Saturday alternoon a Leating in the case of Jacob Stimley, Michael Sim ons, Antonia Lippert, John Long, Washington Harshman Jeseph Smith, William Unke, William Inoch John Carl and Charles Ditmore, who are charge with being concerned in the riot at Browns town, on Sa'urday evening, the 16th inst., wa had before Erq. Salisbury, of Birmingham Several important witnesses for the defense ba-ing absent in Claveland, the parties, were held to hall in the sum of \$790 for a further hearing

Ing the state of \$700 for a further, hearing on Wednerdey next, when it is emposed the witnesses will be pitzent. Thirpes of highway tobberyflare also been made before. Alderman Nichalasa, of this eity, against the same parties, and they have been hald to usil for a hearing on Teachay afternoon. It is alleged that they stole a truck containing two gold watches, some jewelry, greenbedgaar about fity dollars is silter during the riot. Al the yrang men implicated size that they will a baile to prove that they will be done have birt the borough, and although measure have berg in the of their apprehension, they are align that for the darmy.

CHIALBOUS ORDER OF GEN. DICK TAYLOR. Foreigners Ordered from Memphis

Carno, July 23 .- The steamer Hillman, brings one days later news from Memphis. A cavelry officer who accompanied Smith's spedition, gives the particulars of that General's 'eperations. Our forces consisted of divisions, each of infantry, cavalry and a brigade of colored troops. Smith out-maneuvred Forrest all through and whipped his forces for times. The battle at Tapolech was severe, the enemy The battle at Tapolech was toware, the energy ware captured on the Sid. Gen. Hooker, our and a desperate battle, lasting several hours, was on Wednerday, met the energy in the open field, and a desperate battle, lasting several hours, was the result. The energy ware thoroughly whip-ped and driven from the field. After the battle den. Hooker reported to Gen. Sharm na s fol-lows: "I havebaried 400 deal rebels, and 4,000 wwanded lay in front." Circinyari, July 24 - The Gazette' correi-pendent, under date of Atlants, Bartinishing the charts, and Palmer tight. On the second four hundred. Gazette's, a stream running four miles north corps crossed, our left at the same time swing-te or becaust, tearing up several miles of the track. On the evening of the 19th and morning of the 20th Howard, Licette and Aggetta railroad trac filters how no to be Milled. The expedition returned solely on account of being terribly punished by our cavalry and ne-

phis. The expedition returned solely on account of h exhaustion of supplia. We brought in two thousand prisoners. The robal dead wars buried by our troops on everal occasions. The steamer St. Cloud, from White river, ar

And Foil Washington special says that it is part of Micoby's caratir, not over 200 or 300, that have entered West Maryland, but it is not known whether there is more. Col. Lowell, of the 2d Mass. has successful in removing a large amount of Government supplies and much flour be the canal to Gorgetown. The steamer Si. Cloud, from White river, ar-rived at Memphis on the 21st, bringing the fort news received from that river for over a weak. She reports the river fore of guarrillas and all the boats in the stream safe. Size were on their may down, among them was the Commercial with a stream of balas southan. The Memphis cotton market is more active and the stock is limited. Offerings are readily faken. Good Middling, \$1,43, strictly Middling, \$1,43; Middling, \$1,41.

14.43; Middling, čl.41. Gamo, July 24.—The Mamphis papers of the 25 desy: Gen. Smith's comminul is moving into Memphis with filly of the prisoners captured is Tupelo. They are mostly from the third Ken-tucky cavalry. Among them is one Captain, two Lioutenants, and four Sergeants. They were br. oght in and lodged in Irving prison. Others are aspected to arrive soon. Two hun-dred wounded rebel prisoners were lists at Tupelb for was to ftransportation. The Melicien says: General Sloctin arrived at Grand Guif on the 16th without opposition, cap-turing several Confaderate scouts and small par-ties of Butternat rebels. General Richardson has given notice that all genous conscripted in Western Louisman, who

Destructive Fire in Philadelphia-S300 000 Worth of Property Destroyad. Printprizer, July 23. - The extensive army wagen factory at Kanaington was totally do-troyad by fire last sight, factualing the lamber yard, covering three arrss. The tost is estimated at \$300,000, and the instriance is \$40,000. The adjoining wagen factory of Wilson, Childs & Go, was saved by the exercitors of the formon. The supply effects from the Kentington Waiter Works was insuficient. The fire is satiributed to tagendistrian. General Richardson has given notice that all persons conscripted in Westara Louisians, who do not reply within tau days, would be considered jayhawires and shot down without marcy. ... The Shereport Areas contains accounts of a tarible hurricans which passed over that town early in Jone". The steamers Exclus and Das Lawis, and several buildings were desiroyed. The robal General Dick Taylor's congrat-ulatory order-too, the soldiers of the army of Western Louisians, refounding the defast of Gen. Banks, contains the following elegant and chiralrous paragraph: Loog will the accounted Yankee free remember the great rive of Taxas, Lequinans. The otheracterizing here of its trable water has a darker tings from the Ubard ad-

. In these race remember the great rive, of Taxas Legitiana. The characteristic hus of it tarbid waters has 6 darker times from the Ilbaral ad-mixture of Yaskee blood. of a panie in susceptible circles. Later news. however, spoiled the whole sensation. The secret of the scare was that bodies of our own troops coming in were mistaken for rabels. ISCHETED BERKL WOUNDED.

the scene of the late engagement, on the Seventh

Cerener Molling held an inquest yesterday pea the body of Antoine Matter, of East Birmingham, who was found dead in his bed about saran o'clook yesterday morning. The deceased had been suffering from & severe stinck of dysentery for some days provious, but no fears of its entery for some days provides, but no fasts of its provide fistal worse antariands. "He retured to bed an Saturday night about ten o'slock and upon sentering his soon on Sanday moraling to awake bin his was discovered to be dead. He arrived, in the country about sight weeks ago, and had been arguiged as a laborer at the new heats. He was acturized to the year of ago and un-maris. He was acturized to the year of ago and un-marised. A verdict of "death from natural causas" was returned.

Fire on the Atlantic and Great Western

The woods for several miles west of Corry took fire on Tursday last, and the trains on the road were stopped in consequence. A mile wert of Concord Station, about 5,000 cords of wood of London channe, appur 3,000, don't of wood were burned up, the ties on the road destroyed, and the still so warped and bont up by the bast; that new relia had to be used to fix up the road. The selegraph poles were destroyed for quite a distance, and it was impossible to do anything, on account of the heat and mucks. At night a mestancing basis were identified with a darille on second of the and should from Meadrills ensetucing this and a large gang of mea-we's (initializity set 6 work to repair damages, and by midalph servir thing was in good order, and has initial servir shall a making.

Rainsig Röhner. - On Fridry merning an accident security of the Balimore and Ohlo-Heirend, new Giorars Gay, with resulted in the denth of Wan. Amour, the southefor of a fright train. Two fraight trains ware going asi, the train in advance stalled about 4 volock by the mining, and dring the time scouthef in putting it in order the light warp permitted to go oth - The rear train came up at a rapid rate and isseing an light ran into the forward train. Mit. Armour, the conductor of the forward train. Mit for the rear the maps on the other forward train. Mar filling the binper on the car next to the lest one of his fring and was crushed to death between two cars. Ha is supposed to have been malesp when the softent courred.

Leth Mildep warm the sconant occurres. Forders Isticato Duning & Fronz - A money-bor of Capt Hall's perpany cf. 100 days mon, nemicd Levinstdy wis seriesny injured during a fight st. Gienwood Station, on the Connellaville Raitread, on Staturdy int. He was on his way, to Camp Reynolds, and theoare being delayed a few hours at Glanwood, he becaus involved in a difficulty with a cilistic, which resulted in his jew being fractured, and antisting other series i jetica. He was removed to the hospital at-tabed 40 the camp, where, his wounds were drotsed by the Sargeon in charge.

Accmunt.-On Saiurday alternoon as an eiderly lady named Smith.ras: making some purchases in adry goods store, near the corner of Failon biret and Gentra syram, a heavy orr-nice in the stree became delathed from the wall and foil, striking Airs. Smith or the head, in-fleting a severe wound. She was canvyed to ber residence, knd medical alt summends. Her injeries, shough savars, will not prove final.

Fras.-On Saturday evening about trease o'clock, a fire broke out in the first floor of the liquor store of A. Burkhardt, corner of Sigth and Gmithfaid street, but wwing to the prompt arrival of the sitemans, but little damage was fustained.

WHAT DENT? The Claveland Herald of Satvisar publishes a mariage notice, to which is appended the name of the bridesmaids and groupings. The important position of "second test" is at last being appreciated.

THE WEELING SANTARY FAR. - It is sup-noted that when all the neconnic of the Wasel-ig Saniary Fair have been settled up, about \$23,000 will have been realized.

APPOINTMENT -- Poter McGough, of Venaugo county, has been appointed Collision of Internal Researce, for the 20th district, vice W. P. Clark, Herenue,

been joined by Thraikill, his major, with a con-siderable force. Their joint strength is said to be 1500. General Fisk is putening them with Aderable forces. Their joint strangth is said to be 1590. General Fisk is partsuing them with militis, and CoL Pord, with a partian of the 21. Colorado, is following. Email bands are scouning Pratis, and CoL Pord, with a partian of the 21. Colorado, is following. Email bands are scouning farces these counties must with rebel punith-ment. Gen. Sungis still, holds Weston with a part of the 138th Illinois one hundred days' nen and a battery under Mai. Teneston, from South-ein Kengas. Bundwhaching operations are as-tive in Western Missouri, south of the river. Gen. Mc. C. Keen thinks they design a foray into Hannas. At least 700 arms have been thread over to the ration of disloyal of Paw Paw mill-tis. There is little doubt but parties of copper-based from Iows and Illinois have been tarsed over to the ration at Platto City, that iboo Illinoisan would join his forces. The sources with the statement of Thornton at Platto City, that is morning between 89 guarding futbannat: Golonel, and Thrailkill, Major, and several no-torion discopalits, captains. A fight coarard this morning between 89 guarding futbannat: Golonel, and Thrailkill, Major, and several no-torion discopalits, captains. A fight coarard the mounded; Federal loss, one killed and three wounded.

WASHBOTON, July 23.—The Blohmond Egran-ingr of July 21. has the following: Adamta, July 29.—Reynold's brigade attacked the enzny's line of skirmishars last evening at Peach Tree creak, and took possension of their entrephinestic. He then oharged the reserve plokes, supported by Different's corps, and cap-timed one handred, and filty priceours. The 19th Illicols regiment lost, in killed and wounded alone, one handred, while that of the 100th Ohio was severs. The Economer asys, editorially, of this fight: Peach Treescreek is as mall stream, which, fak-ing its rise five or six miles north west of Atlan-ts, flows in a couth westryl direction, and samp-tiss into the Ohattabeochis near the railroad bridge, and nearry day west of Atlan-ts. Our

is, flow in a south westerly direction, and amp-time into the Chattahoochis near the railroad bridgy, and ansary due wast of Atlanta. Our rights is believed to rest upon this stream, and to be protected on its dank by it. This stir-mish is an auxpicious beginning for Gen Hood. The Bichmond Eigurier of the Stit says: An official dispatch, received y startday starnoon, at the War Department, status that is large force of Yankees crossed the Chanandrah river at Snicke's, on the Stith is at 2 of the be between 200 and 200, and that of thermany much greater. The Whig is severe upon the Richmond an-thorities for supercoding Johnson by Hood in command of the samy of Tennesse. It says the division commander was entitled to the pro-motion both by selicity and greater experience. The socret of this appointment is along force. The socret of this appointment is along to all. Our authorities are diseased in wind, and the crassind of the irreties is the familied points of the same is enhanced in the familie gravitation of his in socret of this appointment is acon toid. Our authorities are diseased in wind, and the crassind of the irreties is the familied points of his sins in scients. The statistical on personal familings or size our army, like that at Alisata, would, and of Johns Tiglicubrants, his been from the beginning, opposed to the settorgrade in ores accordion with that polley hence of Hardso was overnlanghed. LATEST FROM BEFORE PETERSBURG. Skirmishing in Burnside's Front. BRN. BIRNEY ASSIGNED TO THE 15th CORPS-Gen. Ord to Command the 18th Corps. nergite and and a state of the second

WARRIEGEOR, July 24 -A letter from the army of the Potomao, dated yesterday, says that nothing of particular interest has occurred in the past fow days. The skirmishing in Barnside's front on Friday afternoon was quite lively,

 bess view scoredod with that policy; hence in Hardso was oversianghed.
