

ines and committing depredations generally, importaned by his family to remove his stock and the reach of the marauders, which he dohad doing, avowing his purpose to defend his herty to the last extremity. He had ten guns his house, which he proceeded to load and put

Wouldn't be Swapped in that Way, The public will remember that some weeks size the wile of Brigadier General Crawford Varghn, C. S. A., of Menroe county, East Tan-nesse, was arrated at her house and sent North by the military authorities for her many and persistent acts of degrant rebelled. This fast becoming known to the robels in Upper East Tennesses, they determined to arrest the wife of some prominent Unith man, to be hold as a hersige, and singled out Mer. John Netherland, of Recorrille, Hawkin county, East Tennesses. be stage, and singled out Mirs. John Netherland, of Regersville, Hawkin county, Eust Tennesso-lise election couning to the ears of Mirs. Nether-land, she at once determined that she would not be awapped in that way, and placing her children in charge of their aged grandmother, abe took a horse, and by a two nights' and a day's rido resolud her hubband, Oolonal Nether-iand, in wafety. Colonel Netherland was the Whig candidate for Governer in 1830 in opposi-tion to Inham G. Harris, and his many friends tronghout the country will be pleased to her of the ensape from the sebels of this meet estimable hady, by an act of daring bravery, which deserves, and will receive the admiration of every one who approducts true hereism.-haltenergo Gazetie. when server committed—estainly not by Gan. Henter—the contry has already paid a suffi-cient price. "Fifth. You ask 'Why did not General Hun-ter spreat down the Shonandosh Valley?' or words to that effect. The surver is simplicity lissif. We were abort of ammunitizer, two of our brigades expending their last cartridgen in the polling the stude made on us at Suberty. We were niterity out of provisions, and expect-ed to find over a million rations at Meadow's Bidft. We were fitteen days' march from out inse of topplies down the Sheanadosh, as in the preserve of an enemy our superior in numbers and contactly receiving reinforcemants from Richmend—distant caly twelve miles by rail. The our up had a rairoid east of the Bins Ridge from Lynchburg to Rockfah Gap, thus fianking us for seventy miles and carbing him to throw any force be pleefed in our rear. One more get cal er grament, even of the singhiest mago intide, wuld have loft us without a round of summittion for gan, bowitser, markot, carbing, into, it is appable of mathematical demon-st alion that a niture, on General Huntar's part, to curvet down the Shearadosh would have resaried inovieble of mathematical demon-st alion that a niture, on General Huntar's part, to curvet down the Shearadosh would have resaried inovieble of mathematical demon-ter us of bit whole commerd." Hanter-the country has already paid a suffi-Resignation of Surgeon-General King Resignation of Surgeon-General Aug. It has been known to the more immediate tricness of Dr. James King, Surgeon General of Pennsylvenia, that he has resigned his position, with a viaw of resuming the practice of his pro-ferstein in this city. His resignation was lea-drice are months since, but at the carnes for quest of Gov. Contin he was induced to remain at here the his mains in here is a contradquat of Gor. Cartin he was induced to remain at his p. st, and his religna ion is not yot accepted. The large number of wounded thrown upon our hands in the sanguinary battles of Gen. Grant's erm paign, has made it doubly important to retails the orlices of so able, faithful and efficient an editor: as Sargeon General King. He will, haw over, return to this city in a day or two. He has a curid roums on Fourth street, orposite the of-Ged of the Provot Harshal, and will return predict immediately on his arrival hors. Good in a Vicious Pony. The following story was recently told me by the gentleman who not with the adventure: He had a pony which was very much attached to

Tailog them. Tailog the opens, he contrailed himself with by p, in his barn, from which he descried a wift of rebels approaching on horeshock. The position, and, should the rquad dismont this position, and, should the rquad dismont a stumpt to break open the doors of the sta-The stienty to break operations of the set of the other three binnelf from his horse and com-ince the work of semiltring the stable door. The moment the old man and his son fred interesting area the set of the bit test Their moment the old man and his zon fred initancensity apon the offender, both balls tak-ing affect in his right arm. The bilance of the hyr scampared nway, lowing their wounded in rade bohind, and swearing vengeance upon frequents. Baiore they had excaped beyond frequents. Baiore they had excaped about frequents bir. B.'s gun he fired a record shot the faceing for, but with what result he could seen. The robel at whom he sined fall for-ing on his herse, widenty wounded, but he-marked to est away.

And on his here, writenily wounded, but have ranged to get away. The furst worse relocated, and father and you hum a their former positions and swaited the man of the foe. They were not long keptin sus-tice. Tweory mounted rebels, accompanied by is diticate of Meyerervillo, whom they placed for a commy, made their appearance. Ser-by of the romy, made their appearance. Ser-by of the prefor numbers, and they retired to than artillary.

An artilliery. Manontarily expecting the marandars to re-stin artilliery, Mr. B. shouldered way guns, Forded himself is a claup of trees on a lane damp from the public real to his residence. In the state of the state of the state of the right heavy clouds of dust sing from the road, and Clatonce off. A large bady of horsemen in there way a bad of the hards the cost, who, having heard of the hards fact of the damiles of patrict and his wor-sup, were hastoning to their result. The hastoning to their rescue. The ollowed can be better imagined

Capt. John H. Moore, Go. E. 22 h. Lot: IX TUR Wores.—A son of Mr. John Werr, of Yeder townsbip, Gambria county rout cuit to the mountainto gather backleborries on Surfay morning of last work, and has not since born seen to hand cd. At first it was cosposed he hed gone of with the hundroid days mon, but upon inquiring it was acceptained that he had mot done so. The considuant was therefore forced upon theminds of his friends that he was im-mediately commenced, which has been kept up to the date without turcess. . The rebels at Richmond are enger for another

Taking the parts result, and parts of the parts of the parts are the parts of the part to this data without rutcess. First in THE MouPTAINS.—Dottrue its first have been raying in the mountaiss in Cambris county for soveral days, obscuring the boarens with a cloud of smoke. We have that soveral saw mills, and convidenable lumbor and wood, have been destroyed by these first, on the Allo-ghenics. The protocoled drought had propared the wood for ready ignition, and the first raged firrely. The faite rain, however, will "pat a dnuper" on the further progress of the first.

damper" on the turner progress of the short THE Washington Chronicle of Esturday says: "By a prominent gentlemine who left General Grant's basedquarters about neon on Thursday, we loarn that the gallant enliptication continued in excellent health and spirits, and confident of consummating the grand object of his campaiga. In this he is nobly such as the source of the source of the state of the state of the source of the source options rains have refreshed the source country occupied by the vetorans at the front."

LTARLE TO DEATT.-All able-bodied persons batween twenty and forty-five years of age, not extent by service almody rendered, or other causes crumerated in the law, are lisble to draft. It is a miniathe to suppose that it takes in persons eighteen years of age.

A Passa paper states that the Bronch Govorn-ment has made arrangements to reveive 25,009 Gircassian emigrants in Algeria. and and a further

009 and that of the rebels at 6,000. Abou 300 dead rebels were buried in front of our left The fighting is described as having been terific, the robels making rephated charges with the bayonet, each time being repulsed with great elaughtor, and finally driven into their fortifications. The rebels destroyed all their immanse de-The receips destroyed all their immunic de-pole of provisions in Atlanta, and it is bolieved incy were retreating by the Macon road. Our cavelry would probably intercept their retreat long soning it og abble our inlactry to come up. Two rebet brigadiers were killed, and two wearded A dispatch has just been received announcing the successful result of General Rossean's cavai-by expedition on the flanks of Hood's army at y espedition on the flaks of Hood's army at Atlanta. Rossau's force left Decatar a few days ago. Recreasing the Chattaheodis, his column pro-ceded down the railroad towards Montgomery, Ala, burning all the railroad bridges, and ac-riving at his chagomery. The column under Gen. Gerrard, which left Decature at the same hime, doutroped the rail-road at different soints, for twenty miles South. Another column, which left Derstar at the same time, destroyed the railroad botween that place and Covington. The large railroad bridges crossing the Aloofancholy and Yellow River, were burned. Both columns arrived safely at Marietta, with but thiffing loss. A *Herold* special dated Washington, July 20th, says: The reports of the fights at Atlanda are regarded here as highly astisfactory, and indi-cuits of a much more substantial vietory than the mere occeptation of that city would have cuits of a much more substantial victory than the mere occupation of that city would have been. According to official accounts received since Hood assumed command of the rebsl army he has last occet 12,000 men, while Sherman's locess will not accord 3,500. Battle at Winchester-Gen. Crook De-feated and Driven Back to Williams-port. port. Puil.ADFLFHIA, July 26.—The Bulletin has the following special from Washington: General Crock met the enemy on Saturday at Winches-tor, and was isopulsed and dirtch back to Wil-lismaport by way of Martinghurg.
