MONDAY HOBNING .: AUGUST 15, 1864.

Conflict of Julisdiction-An Allegheny Night Policeman Shot by a Detective

On Saturday hight, information was received at the Provost Marshal's rifles, in this city, sta-

ting that a detester from Kasp's Battery, named

Thomas Whaley, had arrived in Alleghens City

ming the previous evening, and was stopping

First Ward. Officers Sarber and Thornburg, 1wo

of Capt. Foster's detectives, were detailed to ar-

of Capt. Foster's detectives, wars detailed to ar-rest Whaley, and about twaive o'clock started upon the expedition. While taking a survey of the premises, their solions at racted the atton-tion of night watchman Bannel Hedger, who ac-cased than and saked their names and business. The efficient start that they were detectives, and were not responsible to the night polles for hair outduct, at the same time exhibiting their badge of the bible is written on the left tannel of the

cohords at the same unit exhibiting that back of office, which is worn on the left ispeel of the writ. After tome further conversation Mr Hadger left, and proceeded to the Mayor of

Hedger lait, and proceeded to the majors of fcc, where he stared the facts to the capital of the night watch. Liant, Charles McRonney was sent by the Capitain to investigate the case, and was accompanied by four or five members of the watch. Upon nearing Whisty's house, they heard a great common. invite, and the doors being toched, filter Selfridge dimbed through e

at his mother's house, on Killbuck street, in the

reach the fort from Mobile. STRUE BT LIGHTNING .--- The residence of Mr. E. Holmes, on the Fourth street road, near J. E. Holmes, on the Fourier Street Four, Just East Liberty, was struck by lighting during the store on Saturday afternoon. The Sold entered at the reof and passing down through the house to the cellar, mady its will through the function wall, with afford report. The boilding was considerably damaged, bat no per-son works juted. sent by the Captain to investigate the case, and was accompanied ty four of Neumebers of the watch. Upon pearing Whitej's heme, they heard a great commutum inride, and the door being tocked, ifficer Selfridge oilfneed through a wincow into the horars. He was immedurely dired by Delactive Thoreburg, who mittoch him for Whaley, when a seculity and endeworks to the the officies in the door, and endeworks to the the officies into the door, and endeworks to the the officies into the door, and endeworks to the the officies into the door, and endeworks to the the officies into the door, and endeworks to the the officies into the door, which was discharged (accidentally, as alleged by Bar-ber) and the ball was 'extracted by Dr. James B. Herron. In the meantime the detective and cou-veyed the wounded man to the Matrie office, where the bail was 'extracted by Dr. James B. Herron. In the meantime the detective and cou-veyed the bail was 'extracted by Dr. James B. Herron. In the meantime the detective and cou-veyed the bail was 'extracted by Dr. James B. Herron. In the meantime the detective to bail in default of \$2,000 bail for a further hearing, which will take place this moring at the of clock. Atter they had been in prison a bort time, Capt. G. W. Henry, Departy Provest Markal, entered the required this moring called upon un last evening, and give us the following rearies overy conficing, but define informance and space one of the after : On Stady worsed interver of Robinron and Corry strests, officer ap-procoded them and ydered them to leave.
