State:

## Rebel guffering in Georgia.

The following is an extract from a lotter found on the person of a deserter, from the rebel army. and gives some insight into the condition of affairs in Georgia and Florida. It is dated Dade

county, in the former State:

fairs in Georgis and Florida. It is dated Dade county, in the former State: Times are hard here. Corn is 55 per bashel, and hegs 51 per pound, (fat or poor.) grees; bacon \$2 50 per poend, salt \$15 per bashel; chickness from Sit o \$125 per head, peux, \$26 per bashel, ground peas \$3 per bashel. There will be a greet deal of suffering in this country; 11 there is no perishing. Even the yelpers are getting slok of this protracted dance and tenth law, and the swarm of impressing thieves that infest the coun-try with their rarages. The poor must do all the fighting, and the Richmond Government makes cflices for all the rich man to keep them out of the fight, and on hig pay, and the poor they and not have a state of the state they can make stind of support, it and school keep the salting the term dollars per month its fightion and the terms of there should keep the salting the state and its out three children on an ordinary farm with a blind horse, they can make stind of support, it and school diver got the saltist of the poors and the souther and publicity rob the poors under the souther and support, and am she to port-diser got it, it would go free as water ever ran down as inclined place. He is do extra down as inclined place. He is down of y free to upy the rich and \$50 per mark for myroes hired the poor soldier must per his grouportionable ratio out of the Silt per month for the dead myro; bui of the poor soldier must per his grouportionable ratio out of his Silt per month for the dead myro; bui of the poor soldier must per his fig is not work any thing according to the Richmond dynasty's judgment. ht m.

The Elective Franchise in Maryland.

The Constitutional Convention now in session at Annapolis have adopted a very stringent sec-

ion war auspice by a vole of a two and a second processing of the second processing is said to the second processing is the second procesing is the second pro

Mohammadan religion. Gerriso Some or Ors Pacemerr Back.--Farraget, in his operations in Mobile Bay, has ceptured nearly one bundred guns from therebils, fify of them being taken at Port Gaines. These are a small instalwant of the 2500 belonging to the United States, which the rebuies toile at Nor-folk, when the commander in obsigs of our dest, in his great fright, halped the rebuis to render in this great fright, halped the rebuist opender arelates to the Union cause, by burning to mill the rations to the Union cause, by burning the mill the falled, which have put these splendid shops to better use than destroying them in an open poddtead.

ermer t, or plate passariation. Pantriss asvo and complete the destruction. Pantriss asvo been invaded, and unmerciful crashess can the k-ing and ringing through piles of croshery and rows of jars, whose precious contents still wim rows of jars, whose precious contents still wim or stick in sweet rain epen the indented flore-or stick in sweet rain epen the indented floree ritchin sweet rain open the indented floors ind caved in sholves that mark the sounes of the Libraries, too, have shared equal fate with

the larger

Libraries, too, have shared of all interest sucks houses; and while shiften of the harger growth grow bungry from the lack of intelloci-nal publicm, the lesser can cry about for the more substantial mask which, when last seen, was in the sir, or figing into a state of servery nothing-ness inside the blesse of a configeration. Owing to these and similar events, the city has become elmost dessted. To as great an extent as pol-tille if this been the sim of Gen. Les to more no to ps through it; none are kept in it at app time. They are dil in the treaches, where they imay be found by the enemy whenever it isy be found by the enemy whenever it showes the latter to come cut and look for ney bo

An Indignant Soldier. The Peeris (Illinois) Transcript says that one

Brutal Assault. A most brutal fight coursed in the Third Ward, on Motday evening, butwan two man named N. S. Mulholland and William Lesch. The parties reside in the same vichnity, near the corner of Prespect and Washington stress, but we did not learn the cause of the quartel. Mulholland was incoked down by Lesch, and while lying prostrate was bloked several times in the ribe---three of which were broken. An information was made before Mayor Lowy, and a warrant was issued for the atret of the ast-saliant. day last week as a returned coldier named Lompson, residing in Washington, was en-Thompson, residing in Washington, gaged in conversation with some parties in the sale on of the Peoria Hours, an individual en-sale on of the passed, shouted "Hurrab for a werrant milant.

Seed in conversation with some parties in the saicon of the Peoria House, an individual on-tarted, and as he passed, should "Harrab for Jaf Davis !" In an instant the soldier targed and saked, "Did you shout for Jaff Davis ?" Copperhead surveyed Thompson for a moment, and seeing that he meant intenhief, reglied that it was ath him. "Well," said the foldier, "I be-its was ath him. "Well," said the foldier, "I be-its was ath him. "Well," said the foldier, "I be-its was ath him. Surveyed Thompson for a moment, and seeing that he meant intenhief, reglied that it was ath him. Surveyed the foldier, "I be-its was ath him. "Well," said the foldier, "I be-its was ath him. Surveyed of the sold that he has did been of the mean the sold been conversing one of the mean Theometen that his inneature does of the mean Theometen the sold with the Dam one of the mean theometen the sold with the Dam one of the mean theometen the sold with the Dam one of the mean theometen the sold with the Dam or sold the mean theometen the sold with the Dam or sold the mean theometen the sold with the Dam or sold the mean theometen the sold with the Dam or sold the sold of the sold with the Dam or sold though by far the similarish he want at the Jaff Davis sympathiers and administered a most life to, he cancined by owar able, for Abm Life to. Then allowing the follow to get on his life to, he cancined him never to repeat that ope-reatin again in his presence, saying, "I have fought rebels in the years, and had a brother killed by jost anch men as you are, and when-thig to will whip him or kill him. ' The coppe-head said not a word, but took himselj of as fast as his large would carry him. Pessaa Money Order System. a warman way makes the conversion of a warman way make the conversion of wooldings & Oo, in Temper-"the cil refinery of Woolfidge & Oo, in Temper-sneewild, was partially consumed by fre," on Micriday, is not trae. The refinery was not in-jard at all. The coal shed, however, was burned, involving a loss of between thirty and forty dollars. Has the Commercial inported a New York sensation reports? Or is it only a one-refinder joke ? Tes Assault vroy Mas. GARNIT. Five of the parties who perpetrated the brutal assault upon Mrt. Garriy, in Hardscrabble, on Monday erching, have been arreated and held to ball by Mayor Lowry to answer at court. Their names are Mrs. Kearne, Charles Kearne, Ann Kearne, Martin Carey and Patrick Carey. Warrants are out for three others.

A CRUEL PATREE-James Campbell, a rasi-ient of Allerthany abused his family last night, ind upon his eldest daughter interfering, he best ier cruelly with a polyer. One of the neighbors pipersed before the Mayor and made a com-silant against Campball, who was arrested and semmitted to jail to answer the charge at cort. USITED STATES DISTRICT COURT .- This Court is

Pestal Money Order System.

Pestal Money Order System. In order to perfect the system, only the larg-eit effects, say two or three bundted in number, will be at first designated. The instructions to postmatters, blanks, Ke, hate been propared by the department, and are now in the hands of the public printer. The instructions were found to involve considerable intriescay, the principal emperators being in the want a central Netropolitan bank with local braaches, to facilitate the promoterstarn of funds commuting in the hands of postmatter, or io furply funds in cases of sceensity. Not hwing these facilities, as in England and Canada, it will be indispensible to adopt substantially the post offices department system of drafts and de-posits, using postofices in lites of banks. The Postmatter General designs putting this import-ant branch of his department into operation on the first day of October next.-- Ward. Gron. Barr -- We have been blessed with a succes-tion of gentle showers to day, but as yet the weather continues arreamely warm. Vegetation has wonderfally improved during the last two secks, and the corn looks exceedingly promising. Pic-Nio. - There will be a pic-nie at Iron City back, for the benefit of the Schools attached to

How to Begin Negotiations.

How to Bregin Negotiations. The Richmond Examiner, taking its ous from a Northern eccession journal, eays that the Peace Democrats indicate the only chance of a restoration to the Union: "Let there be not only an 'armistice," but a formal renunciation of all right and pretense to corree these states, and, of course, an entire withdrawal of all land and sea forces which com-py any portion of our soil or blockade any of our ports, and then the Northern States will for tha first line be in a porition to propose to us a re-construction of the Union, or a convention of states for the purpose of negotiating that. It may called be greamized that such proposite would then be at least considered: at present one can-rot say what would be the result of that consid-ration; but, in short, let our northarn brettaren ity us. With such a change in the existing great thouse over mon's minds."

change over mole at a war meering in Lynn, on Sainrday evening, Senator Heary Wilson on Sainrday evening, Senator Heary Wilson is tated that more than two hundred and twenty it thousand men who responded to the call of pa-trolum had fallen in. battle or sank by disease it too soldiers graves; while the wounded, main-ied, and broken in health were all around, re-minding the nation of the fearful cost of its present struggle for existence.

workmen can chilis to great advantage. Any got a bandsome bounty from the unb-district to which they may be oredited, and the enrice is preferable in many respects. There is a large transfer of engineers residing in the two stills and vicinity, and many of them, rather than run the "isk of being drafted, and ford3rings" the ratks, are taking drafted, and ford3rings the ratks, are taking into by the forebook and en-listing in the gunboat service, where they are greaty needed. There is a wide difference be-tween entering upon this service voluntarily, with a handsome bounty, and being compulied to includer a musket and knapsack, without bourty, and to the ture of sixteen dollars a menth. The mon entering this services the un-tred in at Circinant, after which they can be credited here and recive their lossi bounty. Siteamboat Gisdialor Sunk. Comp. August 16. - The stamboat Gialisias from Sto Louistor Nie Orland, loaded with Government freight, struck a rock in the Mis-elssippi river, 30 miles above here, yostaday, and sunk to the main deck. She can, doubliess, be raised.

THE New York World is irritated to the extent f a column of editorial because the honorary degree of Doctor of Laws has been conferen upon Major General Butler, by a Massachusetta

Brutal Assault. ouching epitaph :

Cost is colling in Cincinnati at forty-sight cents per bushel. The supply on hand is limit-ed, and hence the high prices.

As exchange gives the following incident of he military life of the late Col. Mulligan. It is

characteristic: "In the depth of last winter, while in the val-ley of the Shrandoah, the rebel General Fits Hughlee, with a superior force my for complime rest the lines of the Irish brigade, and Colonel Mulligan hearly expected an autoch. At last he received a communication from Les to the effect that on account of the cold weather Les had de-termined not to make the states. To this, the brave Mulligan replied in a runsing as follows: 'My compliments to Gen. Ires, with the assu-rance that he can be accounted with a warm fire whenever he chooses."

ERCUGH LEFT FOR "Two HORE ETLINGS."-A letter from Sherman's army says: We were all amused at the remark made by a relei captain, who was wounded and had bean ingde a prisoner. Some of our off our ware say ing him how long he thought Hood would be able to hold out against us. "Wall," said he, in that dry manner which one is at a loss to deter-mine whether it is intended in seriourness or as a stroke of wit, "I guess he has enough for about two more killings."
