district attorney, and give to him all the in commation in his possession respecting the prize and her capture; and he shall delive over the persons sent as winesess to the outtody of the marshal, and shall retain the prisin his custody until it shall be taken there
from by process from the prise-court.

But 4. And be it further enacted. That the
attorney of the United States for the district sitorier of the United States for the district shall immediately file a libel against such prize property, and shall forthwith obtain a warrant from the court directing the marshal to take it into his enstody, and shall proceed diligently to obtain a candemnation and distribution thereof, and to that end shall see that the proper preparatory evidence is taken by the prize commissioners, and that the prize commissioners, and that the prize commissioner also take the depositions de bane case of the prize crewand other transient persons cognizant of any facts baring on condemnation or distribution. It shall also be the duty of the district attorney to represent the interests of the United States in all prize Gauses, and he shall not act as sepof prize dauses, and he shall not not as sep-rate counsel for the captors on any private etainer or compensation from them, unless a a question between the claimants and the in a question between the claimants and the captors on addemand for damages. The district attorney shall examine all fees costs and expanses, sought to be sharged on the prize fund, and protect the interest of the captors and of the United States. The district attorneys of all districts in which are valued to be placed under his orders. Nor shall the command officer of a fleet or squadron, leaving the station where he had command, have any share in the prizes taken by shops left on architecture. attorneys of all districts in which any prise causes are or may be pending shall, as often as once in three months, send to the Secreta-ry of the Navy e statement of the condition as one in the board, some of the condition of all prize tauses pending in their districts, in tuck form and embracing such particulars as the Becretary of the Navy shall require.

Exc. 5. And be it further enacted, That any district court may appoint prize commissioners, not exceeding three in number, of whom one shall be a retired naval efficer, approved by the Secretary of the Navy, who shall receive no eiter compensation than his pay in the rays, and who shall protect the interest of the capters and of the department of the navy in the prize preperty, and at least one of the cities shall be a member of the bar of the court, of not lees than three years standing, and soqueinted with the taking of depositions.

ons. Sxc. 6. And be it further enacted, That the prize commissioners, or one of them, shall excite from the prize master the documents and inventory thereof, and shall take the affidavit of the prize master hereinselector required, and shall forthwith take the the the affiderit of the prize master hereinbefore required, and shall forthwith take the
sestimony of the witnesses sent in, separate
from each other, on interrogatories prescribed
by the court, in the manner usual in prize
courts, and the witnesses shall not be permitted to see the interrogatories; decomments,
or prepers, or to consult with counsel or with
say getsons interested, without special authoriny from the court; and the witnesses who
have the rights of neutrals shall be dischargred as soon as practicable. The prise commissionerschall also take depositions do benne
case of the prise crow and others, at the request of the district attracey, on interrogateries prescribed by the court. They shall
also, as soon as any prixe property comes
within the district for adjuditation, examinathe same and make an inventory thereof,
founded on an advisal examination, and repart to the court whether any part of it is in
a condition requiring immediate sale for the
interests of all parties; and nutify the district
attorney thereo; and if it he necessary to the
examination or making of the investory that
the cargo be unladen, they shall apply, to the
court for an order to the myshall do unlate
the same, and shall from time to time report
to the court anything relating to the courtion for the property or its causind, or disposal which may require any action by the court
to the court anything relating to the courtion for their bands, duly scheduled and
numbered, and the other preparatory evidence,
and the evidence taken de benne case, and
it heir own inventory of the prise property; and
if the captured vessel or any of its cargo or
stores are such that, in: their judgment, may
be useful to the Government in war, they shall
report the same to the Recretary of the Navy.
Sec. 7: And be it further encited, That the
marehal chall asfely keep all price property;
that he thinks requires to be unladen and
if the captured vessel or any of its cargo or
stores are such that, in: their judgment, and
if the ca stimony of the witnesses sent in, separat ierest of ell concrined. He shall keep in his custedy ell persons found on hoard a priza and est in as witnessee, until they are released by the prize commissioners or the court. It a sale of property is ordered, he, shall sell the same in the manner required, by the pourt, and collect the purchase mosey, and forthwith deposit the gross proceeds of the sale with the Assistant Treasurer—of the United States nearest the place of sale, subject to the order of the court in the particular case; and sach marshal shall forward to the Secretary of the Navy, whenever and as often as he may require it, a full statement of the condition of each prize and of the disposition made there of

as such superior officer:

Fifth. After the foregoing deductions, the residue shall be distributed and proportioned residue shall be distributed and proportioned among all others doing duty on board, (including the first expiain.) and borne upon the bocks of the ship in proportion to their respective rates or pay in the savries.

No commanding officer of a feet or squadron shall be entitled to receive any share of prizes as possessed or vessels not under his command, nor of such prizes as not have been expired by any vessels. squadron, leaving the station where he had command, have any share in the prizes taken by shys left on such station after he has gone out of the limits of his command, norafter he has trainferred his command to his successor. No officer or other person who shall have been temporarily absent on duly from a vessel on the behts of which he continue to be borne, while so absent, shall be deprived in consequence of such absence of any prizy money to which he would otherwise be entitled. And he shall continue to share in the captures of the yeasels to which he is attached until regulary discharged therefrom:

SEC. 11. And be it further enacted. That a founty shall be paid by the United States for each person on board any ship or vessel of war belonging to an enemy at the commencement of an engagement, which shall be sunk or otherwise destroyed in such engagements by any thip or vessel belonging to the United States, or which it may be necessary to destroy in consequence of injuries sustained in action, of one hundred dollars, if the enemy's vessel was of inferior force, and of two hun-

stroy in consequence of injuries sustained in action, of one hundred dollars, if the enemy's vessel was of inferior force, and of two hundred dollars, if of equal or superior force, to te divided among the diffusors and crow in the same manner as prize mone); and when the sectual number of men or board any quob vessel cannot be satisfactory ascertained, it shall be estimated according to the complement allowed to vessels of its class in the many of the United States, and there shall be paid allowing to the captors of any vessel-of-war captured from an enemy, which they may be instructed to destroy, or which shall be impuriately destroyed for the public interest, but not in consequence of judices received in action fifty dollars for every person who shall be on board at the time of such capture. All remease money, salvage, bounty, or proceeds of condemned property, accruing or awarded and paid to the officers and men entitled there. to any vessel of the navy, shall be distributed and plid to the officers and men entitled there to in/the same manner as prise money, under the differential of the fecretary of the Navy.

Sec. 12. And be it further enveted. That cvery assignment of prise money, or wages, due to person enlisted in the naval sorvice, and all powers of alterney of other authority to draw receipt for, or transfer the same shall be void unless the same be attested by the statistic, or other commanding officer, and the paymaster; and in case of any assignment of wages, the same shell specify the precise time when they commence. But the cammanding officer of every vessel is required to discourage his crew from selling any part of their priss blis orew from selling any part of their priss money er wages, and nover to atlest any power of attory until he is satisfied that the same is not granted in consideration of money given for the purchase of prise money TO BE CONTINUED.
