CURED!

Balow will be found a cartificate from our of the mos poctable citizens of Wilkins township in regard to Dr. Heyser's Lindscy's Slood Searsher) Dr. Geo. R. Some times I was had that I could not do anything on account of the hey came out on me as large as a hickory nut. I have and take whatever I could hear of or read of in circu t cured ; sometimes they would do me some good far little while, but afterwards they would return again bad as ever. I also applied to two Doctors, who vis ted me at my house and gave me some medicine, but i ut an advertisement of your Lindsay s Blood Scare nade by yourself. When you sold to me you told s ne bottle would not cure me, and that my wools system well. I bought one bottle and took it home with me and used it according to your directions. I then est enefit from one bottle. I bought it, one bottle at ime, unfil I had used five bottles. After this quanti had been used, I was entirely well of the Piles, which health is improved, and I am as well as could be ax ean well now for six months, and there is no appeafarming work now without the Piles coming down and farming work now without the rine coming now and hurting ms. I can pitch bay, chop wood, lift, or d any kind of work which before used to hurt ms. Whe I found out your Blood Searcher I kept on taking I until I got entirely well. I consider it my duty to mak my case known to the country for the benefit of other who may be suffering as I was, and do not know the

value of your medicine. You may publish this if you like. I live in Wilkins township, and will be planted to satisfyany one of the truth of this cortific rish to call on me. MILLIOTT DAVIS.
